Faculty and student teachers will be trained with concepts like Augmented Reality, blogs, MOODLE etc., for effective classroom delivery.

ii) Fostering Learning through Contests

Contests encourage students to adopt innovative techniques and develop their ideas and skills. Contests also offer a chance for participants to gain substantial experience, showcase skills, analyze and evaluate their outcomes.

College of Education has planned to conduct contests among school children in Science and Mathematics through various subject related activities. Students will be trained to use range of online resources to stimulate their subject curiosity. Subsequently, they will be assessed with diverse mechanisms and recognized with awards.

iii) Evaluation Process

Student Assessment enables instructors to measure the effectiveness of their teaching by linking student performance to specific learning objectives. Students' Performance Assessment for 1 Year B.Ed., Programme will be conducted comprising different assessment parameters.

iv) Major & Minor Research Projects

With regard to the recent notifications of UGC Research Grant Schemes on September 05th 2022, newly appointed faculty members have planned to apply for Dr. D.S. Kothari Research Grant to receive financial support under the scheme.

Also, faculty members have planned to apply for Major and Minor Research Projects under Indian Council of Social Science Research (ICSSR) for the Year 2022-23.

Agenda 6: Any other matter.

The members appreciated the activities done by IQAC which focused on enhancing students' competencies. They contributed their valuable insights for enriching the activities.

- Mr. R. Balasubramaniam, Notary Advocate appreciated the Principal and all faculty members for conducting various activities during the period.
- Dr. R. Sridhar, Director (Unaided Wing) signified the importance of Outcome Based Education implementation in the College. He also emphasized the need for OBE Curriculum framework.

The Members contributed with notable suggestions for implementation of quality initiatives for the better functioning of the IQAC. The Meeting came to an end as Dr. S. Sivasankar, Director of Physical Education proposed the vote of thanks.

Agenda 3: Review of Activities

**CRITERION I
CURRICULAR ASPECTS**

I. Review of activities in line with Academic Calendar

A) Curriculum Planning

Curriculum planning and assessment for learning have been shown to have a significant impact on student outcomes over time. College of Education emphasises on periodic revision and updation of curriculum based on the academia and industry inputs. Coaching for competitive exams is an integral part of curriculum transaction and as a result of this TWO of our student teachers have cleared TET Paper - I and the results are yet to be published for TET Paper - II.

B) Academic Flexibility

Faculty members and student teachers have completed a five-days online training programme on "Animation as Digital Resource for Teaching and Learning" conducted by Central Institute of Educational Technology, NCERT from 26th to 30th December 2022.

C) Feedback System

A well-structured mechanism is in place for obtaining feedback from the stakeholders on the curriculum. Based on the feedback received from students' academic programmes are organized in the institution.
