1. Student Induction Programme

Sri Ramakrishna Mission Vidyalaya College of Education conducted DEEKSHARAMBH - Student Induction Programme for the students admitted in Bachelor of Education (B.Ed.) Programme during the Academic Year 2022- 2023. As per the guidelines of University Grants Commission the programme has been conducted for ten days period from 27th October 2022 to 08th November 2022.

Transition from university/college life to Professional Education as Prospective Teachers is one of the most challenging events in a student's life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. They come into a new unfamiliar environment. An important task, therefore, is to welcome new students to our teacher education institution and prepare them for their new role. Student Induction Programme engages with the new students as soon as they come into the institution, before regular classes start. At the start of the induction, the incumbents learn about the institutional policies, processes, practices, culture and values, and their mentor groups are formed. It helps students acclimatize with the new surroundings, develop bond with fellow students and faculty member, sensitivity towards various issues of social relevance and imbibe human values in them so as to become the teachers, the responsible citizens of the nation.

9. National Conference on National Education Policy (NEP-2020) Opportunities and Challenges in Teacher Education

On 2nd February 2023, second year B.Ed., Students attended the National Conference on National Education Policy (NEP-2020) Opportunities and Challenges in Teacher Education organized by Dr. NGP College of Education. The conference aimed to provide a platform for educators, policymakers, and industry experts to discuss the opportunities and challenges in teacher education under the new NEP 2020.

It provided a platform for me to learn from experts, understand the various challenges and opportunities in teacher education under the new NEP 2020, and network with educators, policymakers, and industry experts. The conference also provided me with an opportunity to present my research paper on the impact of NEP 2020 on teacher education. Overall, the conference was a great success and I look forward to attending more such events in the future.

12. Unified Play Day programme organized by General & Adapted Physical Education and Yoga (GAPEY)

Our college of Education Student Teachers participated unified play festival on 24.02.2023 organized by GAPAIEY to get awareness about adapted physical education and yoga of differently abled person. The main objective of the Unified Play Day (UPD) is to provide a multi-factorial approach towards children with disabilities by providing them equal opportunities that are enjoyed by the normal children. Moreover, the Unified Play Day being a social gathering of large number of parents of children with disabilities, is a platform for interaction among them.

In conclusion, that's great to hear! Participating in events like the unified play festival can help student teachers learn more about adapted physical education and yoga for differently-abled individuals, and can also raise awareness about the importance of inclusivity and accessibility in education. It's important for future teachers to have a broad understanding of the needs of all their students, and events like this can help them gain that understanding.

On-Campus Placement Drive

On 22nd February 2023, Vivekananda Kendra Vidyalaya, Arunachal Pradesh participated in the placement drive. A total of 17 student teachers from Sri Ramakrishna Mission Vidyalaya College of Education attended the campus interview.

The selection procedure for the placement drive included a written test, demo sessions, and a personal interview.

Written Test:

The written test was conducted to assess the candidates' knowledge and understanding of the subject matter. The test included questions related to teaching methodology, subject-specific concepts, and general knowledge. The test was designed to be challenging but fair, giving candidates the opportunity to demonstrate their expertise in the field.

Demo Sessions:

The demo sessions were conducted to assess the candidates' teaching skills and ability to engage with students effectively. Each candidate was asked to give a short teaching demonstration to a group of students. The topics for the demo sessions were provided in advance, allowing candidates to prepare adequately. The demo sessions were evaluated based on the candidates' ability to engage with the students, their teaching style, and their ability to communicate effectively.

Personal Interview:

The personal interview was conducted to assess the candidates' communication skills, personal attributes, and teaching philosophy. The interview panel consisted of senior faculty members from both Sri Ramakrishna Mission Vidyalaya College of Education and Vivekananda Kendra Vidyalaya, Arunachal Pradesh.

The interview panel asked questions related to the candidates' teaching experience, their teaching methodology, and their personal attributes. The panel evaluated the candidates based on their communication skills, their ability to work in a team, and their overall suitability for the teaching profession.

The selection procedure was designed to be comprehensive, covering all aspects of the candidates' teaching abilities and personal attributes. The process was fair, giving all candidates an equal opportunity to showcase their skills and potential. The candidates who participated in the placement drive had a positive experience, and the process helped them to understand their strengths and areas for improvement.
