Coimbatore-641 020.

The purpose of conducting Student Induction Programme is to help new student teachers adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with senior student teachers and faculty members, and expose them to a sense of larger purpose and self-exploration. The programme engaged with them as soon as they came into the institution, before the commencement of regular classes. At the start of the induction, the incumbents learned about the institutional policies, processes, practices, culture and values, and their mentor groups were formed. It helped them acclimatize with the new surroundings, develop bonds with fellow student teachers and faculty members, sensitivity towards various issues of social relevance and imbibe human values in them so as to become teachers, the responsible citizens of the nation.

Based on the guidelines of the University Grants Commission the Student Induction Programme was executed in the College of Education. It covered the following activities.

1. Physical Activity
2. Mentoring
3. Familiarization to the institution
4. Creative Arts and Culture
5. Literary Activity
6. Lectures by Eminent People
7. Visits to Local Area
8. Extra-Curricular Activities in College and other opportunities.

- The Mentor-Mentee system is active throughout the academic year. The mentors offered active guidance and take remedial measure if necessary to the mentees as they navigate their under graduate programme of teacher education. The mentors used to collect personal information from their mentees discretely, keeping in mind that certain issues might be sensitive and with care to ensure that all information volunteered by the wards are of their free will. This was done so that the mentor cognizant the context of his mentees and can offer effective assistance.
- For the academic year 2022-2023, the formal group meetings of the mentor with his mentees were conducted on 27.07.2022, 03.10.2022, 29.10.2022, 17.11.2022, 13.02.2023, 02.03.2023, 28.04.2023 and 20.05.2023. Apart from group meetings, the mentors meet the mentee individually on the basis of felt need, observed or addressed.
- The mentors aim to create a conducive environment for their mentees. Additionally, they offer career guidance and personal counselling to ensure that their wards received all the assistance they need.

# Competitive Exam Coaching (TN-TET/ TRB/CTET) 2023

## Programme

The event began with a warm welcome address by Logeswaran B, a second-year student-teacher. He extended a hearty welcome to all the esteemed guests, including Rev. Secretary Maharaj, Principal Anna, faculty members, non-teaching staff, and fellow student-teachers. His introductory remarks set the tone for the informative session ahead.

Dr. G. Subramonian, Principal of Sri Ramakrishna Mission Vidyalaya College of Education, Coimbatore, delivered the presidential address. In his speech, he emphasized the significance of competitive exams in the field of education and encouraged aspiring teachers to clear these exams with dedication and perseverance. His insightful words motivated the audience and underscored the importance of the day's program.

### General Overview of Competitive Exams:

A comprehensive overview of key competitive exams was provided to the attendees:

#### a. Tamil Nadu Teachers Recruitment Board (TRB):

This section explained the role of TRB in recruiting teachers for different levels, from Primary Teachers (Class I to V) to Upper Primary Teachers (Class VI to VIII) in various subjects. The session highlighted the nuances of eligibility criteria, exam patterns, syllabi, and the application process, all of which can vary based on specific recruitment notifications.

#### b. Central Teacher Eligibility Test (CTET):

The presentation provided insights into CTET, a national-level eligibility test conducted by CBSE. It caters to teachers in Central Government Schools (Kendriya Vidyalayas) and schools under Union Territories. The exam structure for Paper-I (Classes I to V) and Paper-II (Classes VI to VIII) was detailed, along with the subjects tested.

### Preparation Guidelines:

This section provided valuable advice to B.Ed. students preparing for these competitive exams:

  
Principal  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

**Understand the Exam Pattern and Syllabus:** A detailed understanding of the exam structure and syllabus is essential to plan preparation effectively.

**Collect Study Materials:** Gathering relevant study materials, textbooks, and previous years' question papers was emphasized. Additionally, the use of preparation guides and online resources was recommended.

**Create a Study Plan:** Attendees were encouraged to devise a study schedule that allocates time wisely for each subject and topic.

**Practice Mock Tests:** Regular mock tests and solving previous years' question papers were suggested as a means to gauge the exam's difficulty level and improve time management.

**Stay Updated:** It was highlighted that staying informed about official notifications and any changes to the exam pattern and eligibility criteria is crucial for successful preparation.

#### **Mock Test:**

N Rajesh Kumar, Assistant Professor in Biological Science, conducted a detailed presentation on the Teacher Eligibility Tests (TET), TRB, and CTET exams. He provided a comprehensive understanding of the syllabus, exam patterns, and marking schemes for the Tamil Nadu Teacher Eligibility Test (TNTET), emphasizing that B.Ed. students are eligible for TET Paper-I. Following the presentation, a mock test was administered using the Quizizz online platform, where students used their mobile devices to participate.

#### **Mock Test - Quizizz:**

The mock test, facilitated by N Rajesh Kumar, was conducted using the Quizizz online platform. The test consisted of 20 questions related to educational topics, and all students actively participated using their mobile apps.

The awareness program was a significant success, as it not only provided valuable insights into competitive exams but also allowed students to practice their knowledge through the mock test. The event was informative and motivating, helping aspiring teachers to better prepare for their future careers.

## ***One-day Workshop on Low-cost Teaching Aids Making***

Sri Ramakrishna Mission Vidyalaya College of Education in association with Agastya Foundation, Bengaluru organised a workshop on low cost teaching aids for II Year B.Ed Student Teachers on 22<sup>nd</sup> July 2022 at College of Education Campus. The main idea was to discuss the facts that low-cost teaching aids are an effective tool as it helps to understand various complex scientific principles in an easy way.

Resource Persons from Agastya Foundation emphasised the need to inculcate passion amongst students for science by making classroom teaching more interactive and enjoyable through use of low-cost teaching kits. Tools were designed to engage students through hands on activities for faster learning, discourage cramming and make the subject interesting for them. Further, studies have suggested that students remember 90 percent of what they do and are demonstrated through the medium of science communication.

The participants during the workshops were trained to make easy to use low-cost teaching kits in classroom, which could help in improving conceptual understanding and promoting creativity among students. The student teachers showed keen interest in the workshop and prepared their own low-cost teaching kits demonstrating various scientific principles.

Orientation on Agastya International Foundation activities for school and college students were given. Significance of Agastya's Outreach Programs were also emphasized.

The volunteers from Agastya also oriented about different programmes and initiatives offered by Agastya International which include

Outreach Programs

1. Mobile Science Lab

Activities included in Mobile Lab:

- Science Fairs
- Teacher Training Workshops
- Community Visits

2. Science Center

3. Lab in a Box

4. Lab on a Bike

### Report Library Week Celebration

Sri Ramakrishna Mission Vidyalaya College of Education's Department of Library and Learning Resources organized a series of events to celebrate Library Week, which included an online webinar on the preservation and conservation of books. The webinar was conducted on November 14, 2022, at 6.00 pm. The session was conducted by Dr. P. Perumal, a former Curator and Librarian of Saraswathi Mahal Library, who served as a resource person and provided valuable insights on the subject of preservation of books. The webinar was attended by students and faculty members from Sri Ramakrishna Mission Vidyalaya College of Education, as well as teachers and librarians from other institutions.

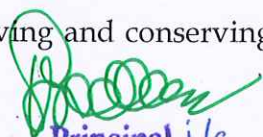

During the webinar, Dr. P. Perumal discussed the importance of preserving books and the various methods and techniques used in book conservation. He also highlighted the challenges faced by librarians and book conservationists in preserving rare and valuable books.

Dr. G. Subramonian, the Principal of Sri Ramakrishna Mission Vidyalaya College of Education, delivered a presidential address, in which he emphasized the importance of books and libraries in education and research.

Following the presentation, there was a question and answer session, which provided an opportunity for participants to ask specific questions about book preservation and conservation. The event also featured speeches by Sri V. Prakash and R. Suganthan, first-year B.Ed. students, who highlighted the significance of libraries and the rewards of reading books respectively.

The webinar concluded with Sri J. Vishnu proposing a vote of thanks to Dr. Perumal, the participants, and the organizing team for making the event a success. Overall, the webinar on preservation and conservation of books was an informative and insightful session, which provided valuable insights to students, faculty members, and librarians on the importance of preserving and conserving books.

On November 15, 2022, a debate on the topic "Promoting Reading Habits: Role of Teachers Vs Role of Parents" was organized by the Sri Ramakrishna Mission Vidyalaya College of Education. The debate aimed at encouraging critical thinking and generate a discussion on the importance of promoting reading habits among children.

A group of eight students from the College of Education took part in the debate. The participants were divided into two teams, with one team advocating for the role of teachers in promoting reading habits, and the other team supporting the role of parents.

The debate was moderated by Dr. R. Ayyappan, Assistant Professor of Physical Science, who served as an adjudicator. The students presented their arguments with clarity and confidence, highlighting the importance of reading in the development of language skills, cognitive abilities and creativity. The team advocating for the role of teachers argued that teachers played a crucial role in promoting reading habits among students. They emphasized the importance of classroom libraries, reading assignments and discussions on books, which can foster a love for reading among students.

On the other hand, the team supporting the role of parents argued that parents are the first teachers of their children and have a greater influence on their reading habits. They highlighted the importance of setting an example by reading themselves, providing access to books, and encouraging children to read for pleasure.

The debate was lively and engaging discussion, with both teams presenting well-researched arguments and counterarguments. Dr. R. Ayyappan, the moderator, provided insightful feedback and encouraged the participants to think critically about the topic.

In conclusion, the debate on "Promoting Reading Habits: Role of Teachers Vs Role of Parents" was a successful event, which generated fruitful ideas, and highlighted the importance of reading for the development of children. The parents showed their passion for the topic and their commitment to promoting reading habits among children.

#### Awareness Programme on Communicating with Persons of Different Disabilities

The objective of the programme is to create an awareness among studentteachers on communicating with persons of different disabilities. The programme was organised on 24.02.2023. The special address was delivered by Dr. K. Rajamanickam, Assistant Professor in IEVH. It can provide training in communicating with individuals who use Braille, Sign language, or speech as their primary means of communication. The following are some key components that could be included in an awareness programme on communicating with persons of different disabilities:

- **Understanding different types of disabilities:** The programme gave an overview of the different types of disabilities that people may have, including physical, sensory, cognitive, and intellectual disabilities. This helps individuals better understand the challenges that people with disabilities face and how to interact with them in an appropriate and respectful way.
- **Braille training:** For individuals who interact with individuals who are visually impaired, the programme gave an introduction to braille and how it works. This includes basic training on how to read and write braille, as well as tips on how to communicate effectively with someone who uses braille.
- **Sign language training:** For individuals who interact with individuals who are deaf or hard of hearing, the programme provided an introduction to sign language and how it works. This includes basic training on how to sign common words and phrases, as well as tips on how to communicate effectively with someone who uses sign language.

The aim of this course is to make students comprehend with the different types of research; methodologies adopted in educational research and enhance their research attitude.

### Course outcomes (Cos)

On the successful completion of the course, student teachers will be able to

- CO1 Orient the thinking of the students towards research, its types, functions and the qualities of a research scholar and supervisor.
- CO2 Acquaint the students with the different methodologies adopted in research.
- CO3 Familiarize them with the various steps needed to do a research.
- CO4 Help students understand and practice the procedures followed in construction of tools and use them for data collection.
- CO5 Enable them acquire knowledge and skill in applying appropriate technique for data collection.

### Unit - 1: Introduction to basic ideas in Educational Research (8 hours)

- 1.1 Research - Meaning, Characteristics, Need for Research, Challenges in Conducting Research
- 1.2 Qualities of a Research Scholar, Qualities of a Research Supervisor
- 1.3 Ethics in doing research - Plagiarism and its consequences
- 1.4 Uses of ICT in research - Need and importance
- 1.5 Research Design - Meaning, Characteristics, Concept of Research Proposal, Concept of Research Report, Difference between Research Proposal and Research report.

### Unit - 2: Classification of Research (15 hours)

- 2.1 Classification Based on Data Type - Quantitative, Qualitative
- 2.2 Classification Based on Purpose - Pure or Fundamental, Applied, Action, Evaluation
- 2.3 Classification based on Method - I: Historical, Philosophical, Diagnostic studies, Experimental Studies, Ex-Post Facto Research, Case Study
- 2.4 Classification based on Method - II: Descriptive Studies - Surveys (longitudinal, cross-sectional) - Interrelationships (Causal-Comparative Studies, Correlation Studies)
- 2.5 Classification based on Method - III: Developmental Studies (Growth Studies and Trend Studies)

### Unit - 3: Components of a Research - (Hypothesis, Variables, Sample) (12 hours)

- 3.1 Related Literature - Importance, Sources-(Information Resource Centre, e-resources), Steps in Literature Review.
- 3.2 Identification of the Research Problem and framing objectives.
- 3.3 Hypothesis - Meaning, Characteristics, Types, Formulation of Hypothesis.
- 3.4 Variables - Meaning, Types, Method of selecting the variables
- 3.5 Sample - Meaning, techniques in selecting the sample. Difference between population and sample.

**Unit - 4: Tools for Research (14 hours)**

- 4.1 Tools - Meaning, Qualities of a good tool, standardised and non-standardised tools
- 4.2 Tools for Quantitative data - types, criteria in selection
- 4.3 Tools for Qualitative Data - types, criteria in selection
- 4.4 Construction of a tool - Item selection, establishing norms, tryout, pilot study, itemanalysis
- 4.5 Standardisation of a tool : Reliability; Validity - Meaning, Importance and types

**Unit - 5: Data gathering and Organizing (11 hours)**

- 5.1 Scales of measurement: Nominal, Ordinal, Interval and Ratio - its application
- 5.2 Objectivity in data collection; Types of data - Quantitative, Qualitative
- 5.3 Classification, Organization and Tabulation of data. Frequency distribution
- 5.4 Presentation and Interpretation of data using diagrams and graphs.

## **M2 CC 05: EDUCATIONAL RESEARCH AND APPLICATIONS OF ADVANCED STATISTICS**

### **Preamble**

The aim of this course is to understand the process of acquiring knowledge and conducting research in the field of Education and allied disciplines.

### **Course Outcomes (COs)**

On the successful completion of the course, student teachers will be able to

- CO1 Help students understand various types of data and their purpose in research.
- CO2 Develop skills in employing various statistical techniques and their applications.
- CO3 Aware of different types of errors caused during research.
- CO4 Get familiarized with the procedure of testing the hypothesis and infer the result.
- CO5 Interpret the results of their research investigation.

### **Unit - 1: Analysis of Quantitative Data (Descriptive Statistics) (10 hours)**

- 1.1 Descriptive and Inferential Statistics - Meaning, Importance and Usage
- 1.2 Measures of Central Tendency - Mean, Median, Mode - Calculation
- 1.3 Measures of Variability - Range, Quartile Deviation, Standard Deviation - Calculation
- 1.4 Interpretation of results based on central value and variability
- 1.5 Applications of Normal Distribution - Measures of relative standing.

### **Unit - 2: Analysis of Quantitative Data (Inferential Statistics - I) (14 hours)**

- 2.1 Parametric and Non-Parametric statistics - Meaning, importance and application.
- 2.2 Concept of Standard Error, Sampling Distribution and Sampling Error
- 2.3 Students' t-test - Correlated and Uncorrelated Groups - Calculation (Large and Small group)
- 2.4 Concept of ANOVA - Calculation of one-way ANOVA (F-test)
- 2.5 Hypothesis Testing - Interpretation of results of t-test and F-test; Type-I Error, Type-II Error; one-tailed and two-tailed tests.

### **Unit - 3: Analysis of Quantitative Data (Inferential Statistics - II) (14 hours)**

- 3.1 Types of Non-Parametric tests.
- 3.2 Chi-Square test and its application - Goodness of fit.
- 3.3 Sign test, Median test, Mann-whitney U test - Meaning and its application
- 3.4 Correlation - Meaning, Types and Interpretation
- 3.5 Hypothesis Testing - Interpretation of results of Non-Parametric tests.

**Unit - 4: Analysis of Qualitative Data**

(12 hours)

- 4.1 Qualitative analysis - Meaning, Importance, Usage - Difference between Qualitative and Quantitative data.
- 4.2 Data Collection, Validity of data, Coding of data.
- 4.3 Analysis of Qualitative data - Steps and Methods
- 4.4 Interpretation of Results of Qualitative data
- 4.5 Role of Computers in Analysing Qualitative data

**Unit - 5: Research Report Preparation**

(10 hours)

- 5.1 Important components of Research Reporting - Preparation of report.
- 5.2 Presentation of tables and figures in the report - Importance of Scale in presenting figures.
- 5.3 Interpretation and presentation of research findings. Presentation of reference materials, bibliography (APA, MLA, etc.), appendices
- 5.4 Preparation of Research Abstracts and Dissemination of Research Reports.
- 5.5 Evaluation of Research Reports and Identification of Journals for publication - Impact factor and H-index.

**E-CONTENT DEVELOPMENT WORKSHOP**

Sri Ramakrishna Mission Vidyalaya College of Education organized a workshop for B.Ed. II year student teachers on 20th of July 2022. This workshop focused on teaching them how to create useful digital educational content. It is an important step in helping these future educators become better at using technology in their teaching.

**Objectives:**

- Help B.Ed. II-year student teachers enhance their ability to teach using digital content.
- Teach students how to use digital tools and technology for creating educational content.
- Encourage student teachers to be creative and make engaging digital materials for their future students.
- Ensure that the digital content created is of high quality and meets educational standards.

**Topics and Resource Persons:**

- ❖ Preparation of E-content and Blog Creation:

Sri. V. Eswaran, Assistant Professor in Mathematics

- ❖ Video Content Creation:

Sri. N. Rajesh kumar, Assistant Professor in Biological Science

- ❖ Identifying appropriate E-resources:

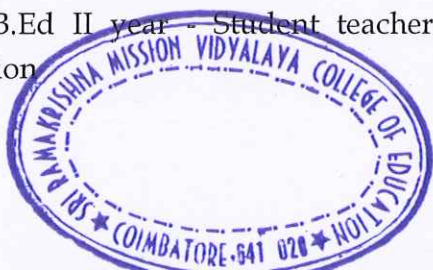

Dr. M. Jagadesh, Assistant Professor in Education

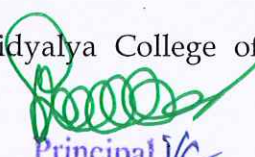

**Student Organizing Committee:**

S. Arunkumar, B. Logeswaran, M. Pranesh – B.Ed II year Student teachers

**Participants:**

B.Ed II year – Student teachers of Sri Ramakrishna Mission Vidyalaya College of Education

  
**Principal VC**  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

## Programme Description

The workshop commenced with a prayer followed by the welcome address by Dr. G. Subramonian, Principal of College of Education. He emphasized the importance of E-Content Development in the present era of digitalization. He also mentioned the need to create quality content and the role of teachers in providing quality education through digital platforms.

Sri. V. Eswaran, Assistant Professor in Mathematics, conducted the first session on Preparation of E-Content and Blog Creation. He explained the process of creating and designing E-Content and Blog, including the use of appropriate tools and techniques. He also gave a demonstration of creating a blog and emphasized the importance of creativity and innovation in creating E-Content. The second session was conducted by Sri. N. Rajesh Kumar, Assistant Professor in Biological Science, on Video Content Creation. He discussed the importance of video content and demonstrated the process of creating video content using various tools and software. He also highlighted the significance of audio-visual elements in creating impactful videos.

The third session was conducted by Dr. M. Jagadesh, Assistant Professor in Education, on Identifying appropriate E-resources. He discussed the various sources of E-Resources and the criteria for selecting appropriate resources for teaching and learning. He also demonstrated the process of selecting and evaluating E-Resources. The workshop concluded with a Vote of Thanks by Dr. S. Sivasankar, Director of Physical Education. He thanked the participants and the faculty members for their active participation and contributions. He also appreciated the efforts of the Student Organizing Committee comprising S. Arun Kumar, B. Logewaran, and M. Pranesh for organizing the workshop successfully.

## Outcomes:

- ✗ Student teachers created digital educational content and blogs using the right tools and methods.
- ✗ Student teachers created engaging educational videos using different software and tools.
- ✗ Student teachers can choose the right digital resources for teaching and learning.
- ✗ The workshop encouraged creativity and innovative thinking in creating educational materials.
- ✗ Student teachers improved their teaching abilities, especially in the digital education landscape.

**NATIONAL MATHEMATICS DAY – 2022**

**135<sup>th</sup> BIRTH ANNIVERSARY OF SRINIVASA RAMANUJAN**

**(E - Content Preparation Competition: Mathematics for Everyone)**

The National Mathematics Day celebration at Sri Ramakrishna Mission Vidyalaya College of Education was a remarkable event that aimed at paying contribution to the mathematical genius Srinivasa Ramanujan and promote digital based mathematical knowledge and creativity.

**Objectives:**

- ✗ To commemorate the 135<sup>th</sup> birth anniversary of Srinivasa Ramanujan and honour his extraordinary contributions to the field of Mathematics.
- ✗ To promote the significance of Mathematics as a fundamental discipline in Education and its practical applications in everyday life.
- ✗ To encourage student teachers to engage with Mathematics in innovative ways through the creation of E-Content, fostering a deeper understanding of mathematical concepts.
- ✗ To provide a platform for student-teachers to showcase their mathematical talents, creativity, and enthusiasm for the subject.
- ✗ To raise awareness about the role of Mathematics in various academic disciplines

## Description of the Programme:

National Mathematics Day was celebrated in Sri Ramakrishna Mission Vidyalaya College of Education on 22.12.2022 at 2.00 p.m. The programme began with Prayer song by Bhagavathar. The welcome address was extended by P. Santhosh Sreshtha, student-teacher. The Presidential address was delivered by Dr. G. Subramonian, Principal. Sri. V. Eswaran, an Assistant Professor in Mathematics introduced the Resource person. An informative address by the resource person, Dr. S. Muthu Kumar, Assistant Professor in Mathematics presented the significance of Mathematics and Ramanujan's contributions to the Mathematics. Student teachers by A.R. Raghul and C. Vimalraj, shared their insights on Mathematics in education. Various students' activities, including a demonstration of Ramanujan's Magic Square, a short film screening titled 'Engalum Nanum,' showcasing the life of Srinivasa Ramanujan and Vedic Math tricks.

## E-Content Competition:

The E-Content preparation competition was a central part of the celebration, focusing on the theme "**Mathematics for Everyone.**" Participants were encouraged to create short E-Content videos lasting 3 to 5 minutes. The content categories included: Teaching mathematical concepts using virtual tools, simulations and augmented reality presenting interesting facts in mathematics with animations, Crafting Math puzzles and riddles and Highlighting the role of Mathematics in various academic disciplines. The vote of thanks was extended by N. Saran, a student-teacher.

## Outcomes:

- ✎ Increased awareness of Srinivasa Ramanujan's contributions to Mathematics.
- ✎ Enhanced appreciation for Vedic Mathematics among student teachers
- ✎ Development of creative E-Content resources for teaching and learning Mathematics.
- ✎ Encouragement of innovative approaches to teaching and learning Mathematics through virtual tools, animations and puzzles.

The event was graced by the presence of esteemed guests, Dr. G. Subramonian, the Principal of the college, and Dr. Gopi, Assistant Professor in Physics at SRMV College of Arts and Science (Autonomous). Sri. M. Pranesh delivered the welcome address, in which he stressed the importance of Science and Technology in the modern world and the need for promoting scientific research and Education.

Dr. G. Subramonian, the principal of the College of Education, delivered the presidential address, in which he emphasized the importance of National Science Day and the role of Science in shaping the world we live in. He also spoke about the various initiatives taken by the college to promote Science Education and research among students.

The chief guest, Dr. Gopi, Assistant Professor in Physics, then delivered a keynote address, in which he spoke about the latest developments in the field of Physics and their applications in various domains.

The event also included various activities, such as Science quiz, Evaluation tools and lectures, organized by the coordinators and the organizing team. The students actively participated in these activities.

The event concluded with a vote of thanks by Sri. S. Arunkumar, who thanked the Secretary, Principal, Chief guests, staff, and students for their active participation and contribution to the success of the event. The programme ended with the National Anthem.

## Outcomes of the Programme

- The celebration of National Science Day created as strong connection between student- teachers and teacher educators.
- As a result of National Science Day, a greater level of thinking skills were developed among the student - teachers.
