Interview Guidance Programme

Sri Ramakrishna Mission Vidyalaya College of Education organized an Interview Guidance Programme through Placement Cell On February 14th, 2023, for B.Ed II Year student-teachers

Dr. Swaminathan, the placement officer of Sri Ramakrishna Mission Vidyalaya College of Education, welcomed the resource person, Sri. Yogesh Khannan, and expressed his gratitude towards him for conducting the program.

Dr. Swaminathan also took the opportunity to brief the students about the various activities of the placement cell, which include organizing campus interviews, providing job-related training, and facilitating job opportunities for students.

Principal
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

The aim of this programme was to provide students with the necessary skills and knowledge required to perform well in interviews. The programme was conducted by Sri. S. Yogesh Kannan, an alumnus of the institution who currently works as a Graduate Teacher in English at a Government High School in Tirupur.

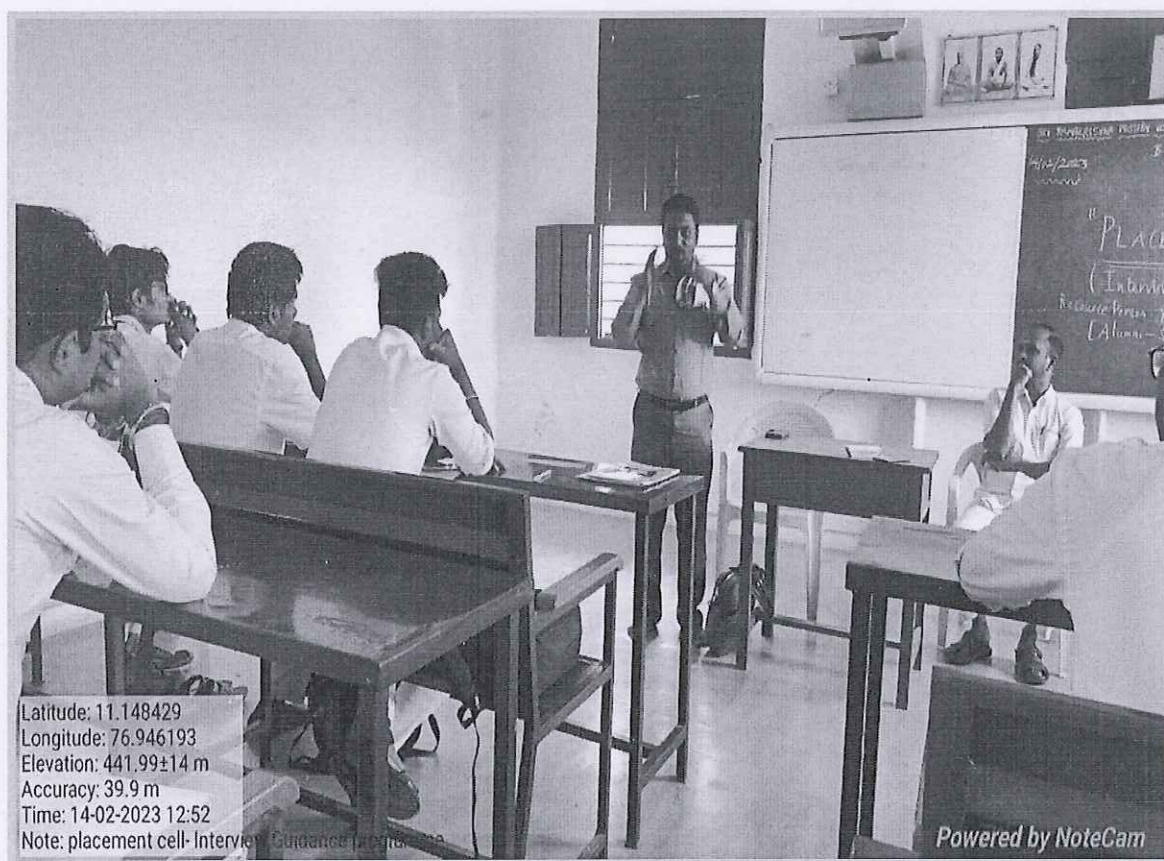

Sri Yogesh Kannan focused on the dos and don'ts of interviews, including interview etiquette, answering common interview questions, and making a positive first impression. He also provided valuable tips on how to handle stress and anxiety during interviews.

The program was a great success and received positive feedback from the students. The Placement Cell of the college also provided further guidance and support to students who needed additional assistance with their interview preparation.

Principal
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

Sri. Yogesh Khannan shared his personal experiences and provided practical guidance on various aspects of the interview process. The topics covered included resume writing, body language, communication skills, and how to handle difficult interview questions. He emphasized the importance of presenting oneself effectively and professionally during the interview process, highlighting the need to be confident and articulate.

The resource person also stressed the significance of researching the organization and its values before attending the interview. This would help the candidates to tailor their responses and demonstrate their suitability for the position. The Interview Guidance Programme organized by the Placement Cell was a valuable initiative for the II Year B.Ed student teachers. It provided them with an opportunity to learn from an experienced professional and gain practical insights into the interview process. The programme is expected to enhance their employability skills and enable them to secure desirable positions in the education sector.

On-Campus Placement Drive

Sri Ramakrishna Mission Vidyalaya College of Education was conducted an on-campus placement drive On February 15th, 2023 for B.Ed - II Year student - teachers. **RKR Educational Institutions, Udumalpet** participated in the placement drive.

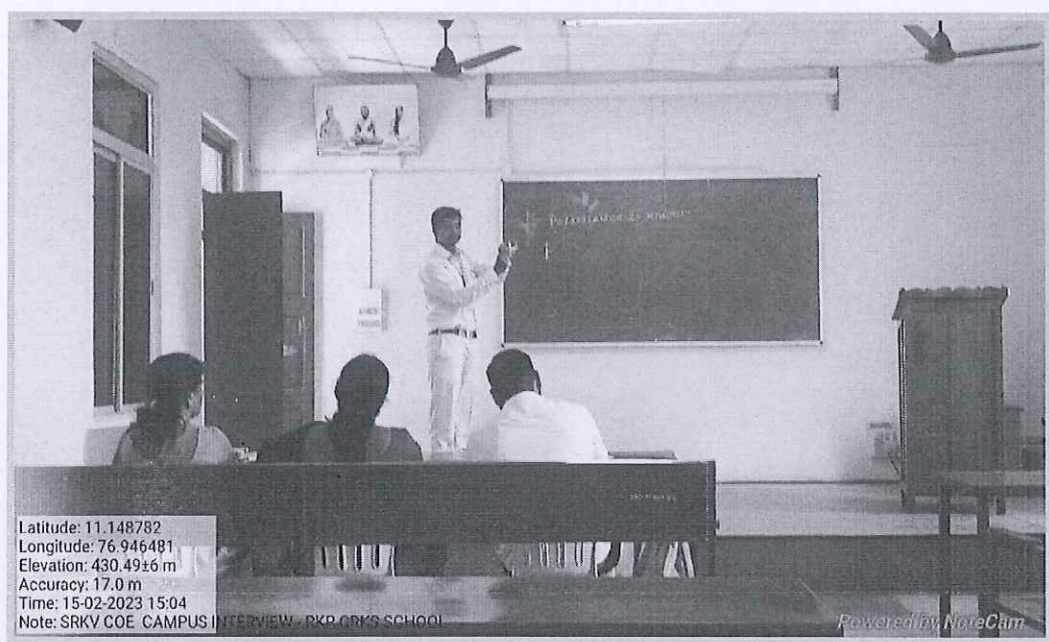

The drive aimed to provide students with an opportunity to secure employment and enhance their employability skills.

The placement drive began with a brief introduction about RKR Educational Institutions, Udumalpet, and the job profiles on offer. The participating students were then given a brief overview of the company and the job requirements. The job profiles offered were for teaching positions in various subjects, including Mathematics, Science, and Social Science.

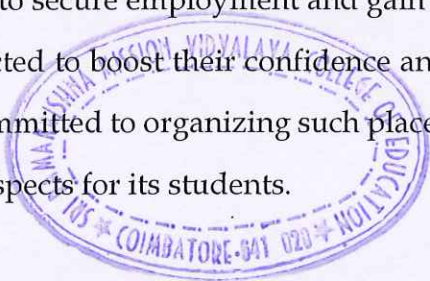

Principal
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

After the initial introduction, the interested candidates were shortlisted based on their academic records, communication skills, and overall performance in the selection process. The selection process included a written test and a personal interview. Eight student teachers were provisionally selected for the available job positions. Their details are as follows:

S.No	Name	Subject
1	Vijay Karthik K	English
2	Manoj Prabhakar M	Mathematics
3	Raghul A R	Mathematics
4	Arun Kumar S	Biological Science
5	Hariharan G	Biological Science
6	Logeshwaran B	Physics
7	Pranesh M	Physics
8	Gokul Rajaprakasham S	Physics

The placement drive provided a valuable opportunity for the B.Ed - II Year student teachers to secure employment and gain practical experience in the education sector. It is expected to boost their confidence and enhance their employability skills. The college is committed to organizing such placement drives in the future to facilitate better career prospects for its students.

On-Campus Placement Drive

On 22nd February 2023, Vivekananda Kendra Vidyalaya, Arunachal Pradesh participated in the placement drive. A total of 17 student teachers from Sri Ramakrishna Mission Vidyalaya College of Education attended the campus interview.

The selection procedure for the placement drive included a written test, demo sessions, and a personal interview.

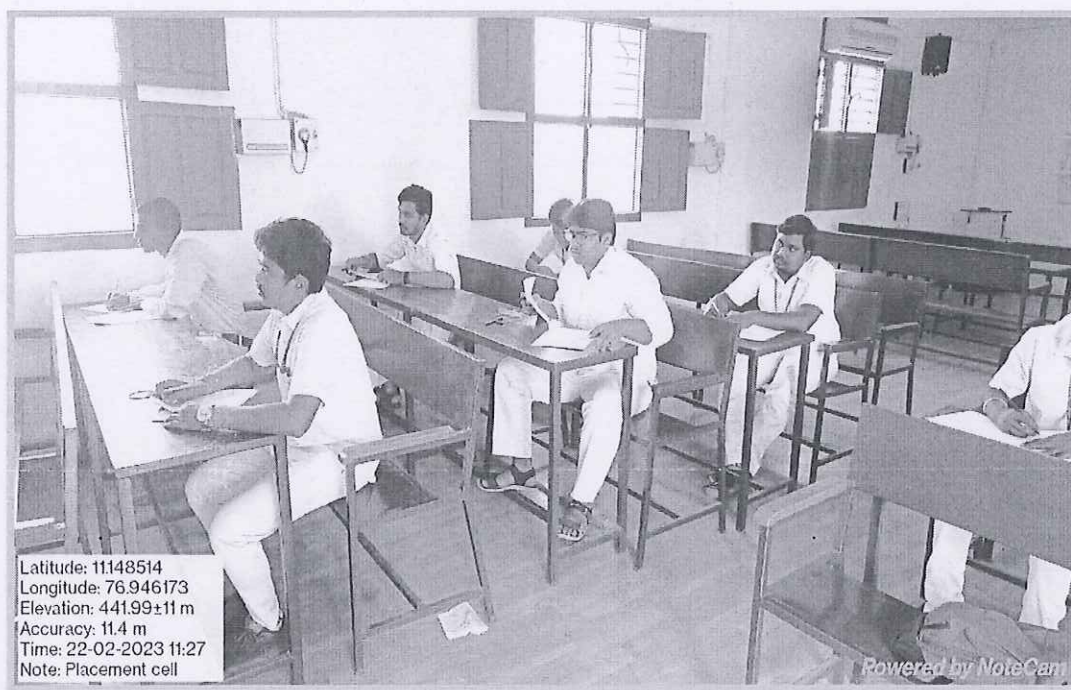

Written Test:

The written test was conducted to assess the candidates' knowledge and understanding of the subject matter. The test included questions related to teaching methodology, subject-specific concepts, and general knowledge. The test was designed to be challenging but fair, giving candidates the opportunity to demonstrate their expertise in the field.

Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

Demo Sessions:

The demo sessions were conducted to assess the candidates' teaching skills and ability to engage with students effectively. Each candidate was asked to give a short teaching demonstration to a group of students. The topics for the demo sessions were provided in advance, allowing candidates to prepare adequately. The demo sessions were evaluated based on the candidates' ability to engage with the students, their teaching style, and their ability to communicate effectively.

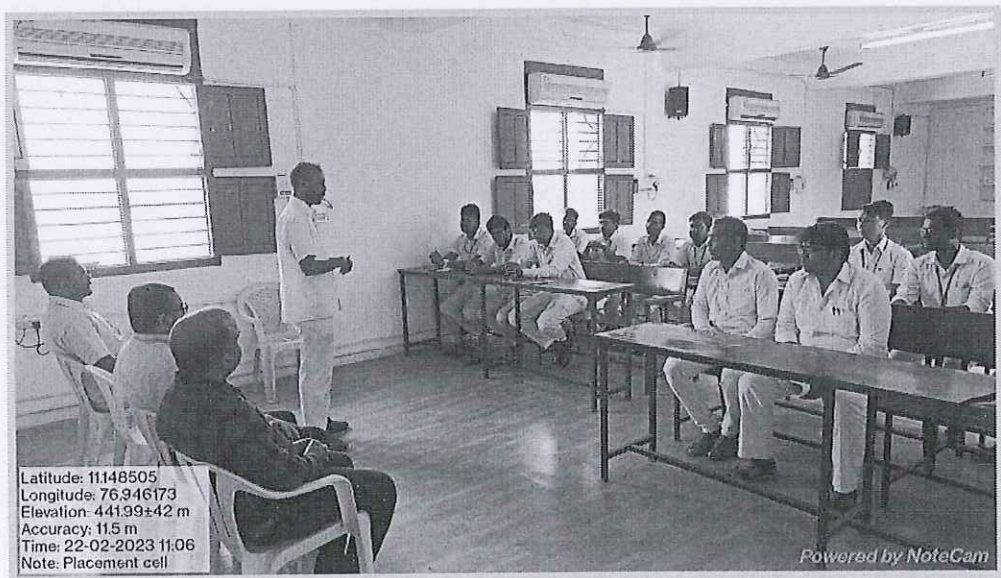

Personal Interview:

The personal interview was conducted to assess the candidates' communication skills, personal attributes, and teaching philosophy. The interview panel consisted of senior faculty members from both Sri Ramakrishna Mission Vidyalaya College of Education and Vivekananda Kendra Vidyalaya, Arunachal Pradesh.

The interview panel asked questions related to the candidates' teaching experience, their teaching methodology, and their personal attributes. The panel evaluated the candidates based on their communication skills, their ability to work in a team, and their overall suitability for the teaching profession.

The selection procedure was designed to be comprehensive, covering all aspects of the candidates' teaching abilities and personal attributes. The process was fair, giving all candidates an equal opportunity to showcase their skills and potential. The candidates who participated in the placement drive had a positive experience, and the process helped them to understand their strengths and areas for improvement.

Placement Cell - WhatsApp group communication

Sri Ramakrishna Mission Vidyalaya College of Education is a renowned institution that offers quality teacher training programs. The placement cell of the college is responsible for helping students secure employment opportunities in various schools and educational institutions. In this digital age, the placement cell has taken a step forward by creating a WhatsApp group to disseminate placement notifications to on-going students and alumni members. This report aims to discuss the benefits of the WhatsApp group and how it can be effectively utilized by the placement cell.

Benefits of the WhatsApp Group for Placement Notifications:

Quick and Easy Dissemination of Information:

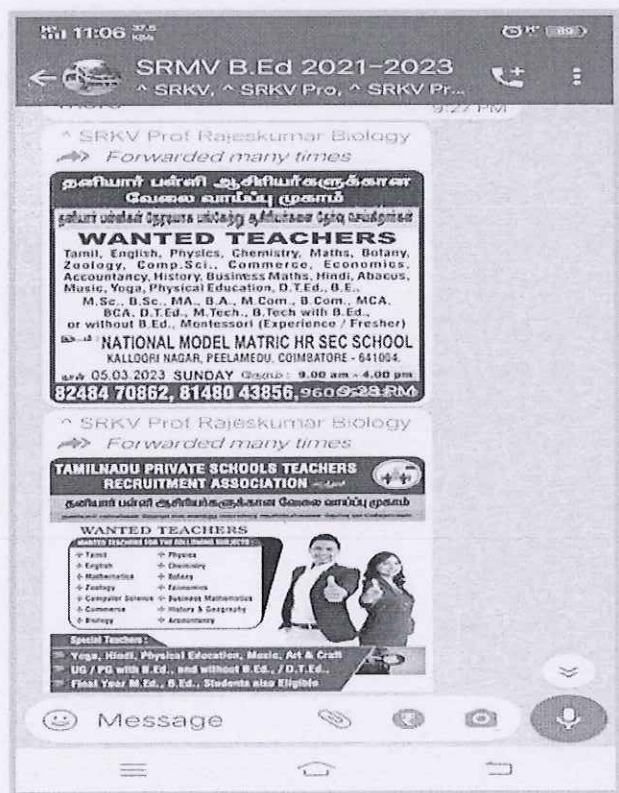

With the majority of students and alumni members using WhatsApp, a WhatsApp group for placement notifications provides an effective and efficient way to share information about job opportunities. The placement cell can instantly notify students and alumni members about new job openings, interview schedules, and other important updates.

Principal :/c
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

Enhanced Communication:

The WhatsApp group facilitates better communication between the placement cell and students/alumni members. Students can clarify any doubts regarding job opportunities or placement procedures, and the placement cell can provide guidance and support as required.

Increased Reach:

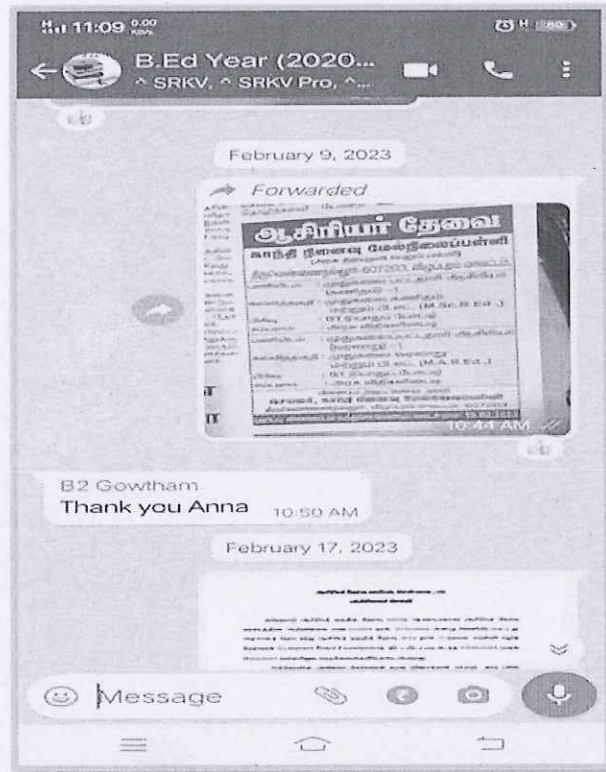

By creating a WhatsApp group for placement notifications, the placement cell can increase its reach to a larger audience. Not only can they inform the current batch of students, but they can also inform alumni members who may be interested in new job opportunities.

Principal
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

Personalized Attention:

The WhatsApp group enables the placement cell to provide personalized attention to each student. They can interact with students individually and offer guidance and support as required.

Effective Utilization of the WhatsApp Group:

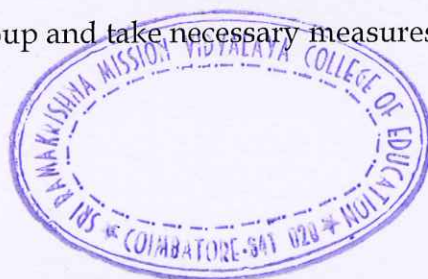

Regular Updates: The placement cell must ensure that the WhatsApp group is regularly updated with the latest job openings, interview schedules, and other important updates.

Professional Conduct:

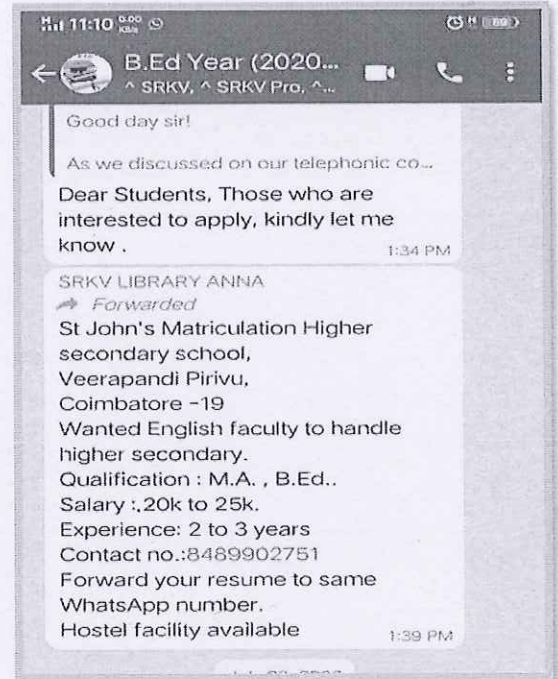

The WhatsApp group should be used for professional purposes only. The placement cell should ensure that all members of the group maintain decorum and professionalism while using the group.

Privacy:

The placement cell must ensure that the privacy of the students and alumni members is maintained. They should refrain from sharing any personal information on the group and take necessary measures to secure the group.

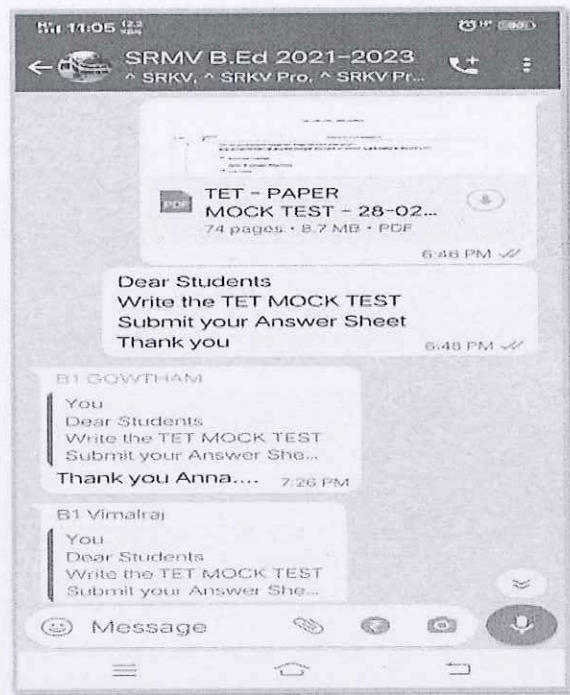

Principal
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

The creation of a WhatsApp group for placement notifications is a commendable initiative by the Sri Ramakrishna Mission Vidyalaya College of Education's placement cell. The WhatsApp group can help in quick and easy dissemination of information, enhance communication, increase reach, and provide personalized attention to each student. The placement cell must utilize the group effectively to ensure that the students and alumni members receive the necessary guidance and support to secure their dream jobs.

Principal
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

The placement cell of Sri Ramakrishna Mission Vidyalaya College of Education has created a WhatsApp group for students and alumni members who are preparing for competitive/ eligibility exams. The group aims to provide a platform for students to interact with each other, share study materials, ask doubts, and receive updates on exam notifications, schedules, and results. The placement cell hopes that this initiative will help students and alumni members to prepare better and increase their chances of success in competitive exams. The group is expected to enhance communication and offer personalized attention to students, making the exam preparation process more efficient and effective. The placement cell will monitor the group to ensure that it is used for professional purposes only and that the privacy of the members is maintained.

On-Campus Placement Drive

On 21st February 2022, Vivekananda Kendra Vidyalaya in Arunachal Pradesh organized a placement drive for the recruitment of student teachers. A total of 21 student teachers from Sri Ramakrishna Mission Vidyalaya College of Education attended the campus interview. The placement drive was conducted to hire talented and enthusiastic teachers for the upcoming academic year.

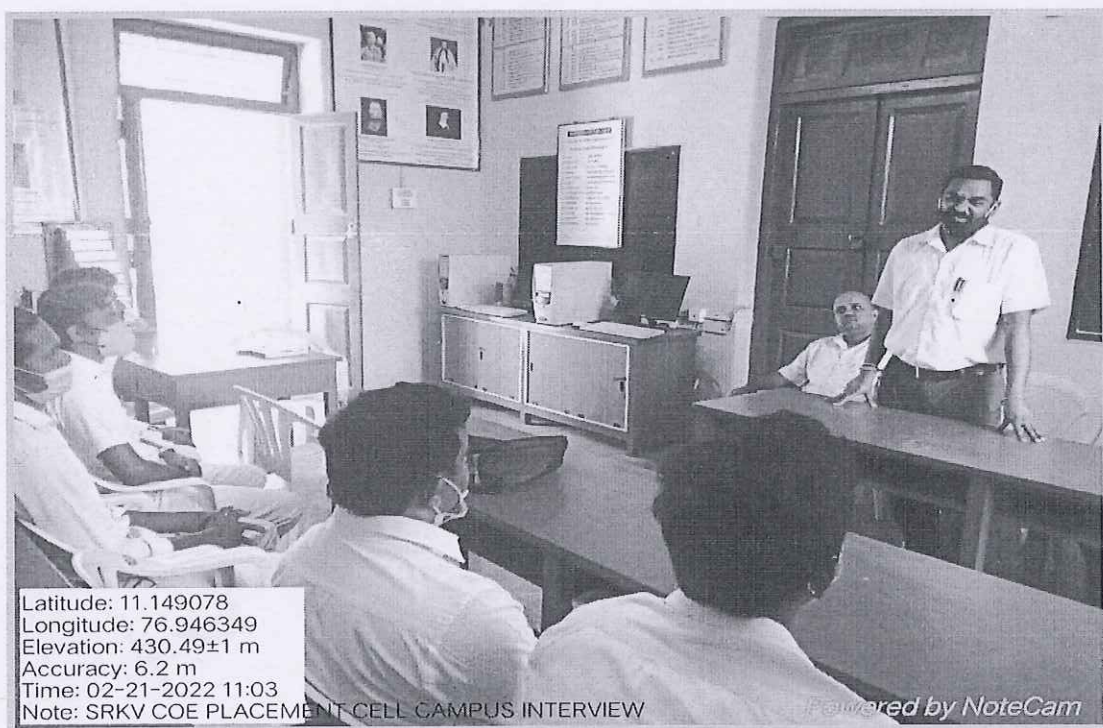

Selection Procedure: The selection procedure for the placement drive included three stages - a written test, demo sessions, and a personal interview.

Written Test: The written test was conducted in the morning session, and it comprised of multiple-choice questions covering various topics related to education, pedagogy, and teaching methodology. The test was designed to assess the candidates' subject knowledge, analytical ability, and aptitude towards teaching.

Principal
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

Demo Sessions: After the written test, the candidates were asked to prepare and deliver a demo session on a topic related to their subject. The demo session was evaluated by a panel of experienced educators who assessed the candidates' teaching skills, classroom management, and ability to engage students effectively.

Personal Interview: The final stage of the selection process was a personal interview. The candidates were interviewed by a panel of experts who assessed their communication skills, professional experience, and teaching philosophy. The interview also provided an opportunity for the candidates to clarify any doubts or queries they had about the job profile or the institution.
