Report on DEEKSHARAMBH - 2022

STUDENT INDUCTION PROGRAMME (SIP)

for the Student Teachers admitted in B.Ed., Programme during the Academic Year 2022- 2023

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) conducted DEEKSHARAMBH - Student Induction Programme for the student teachers admitted in Bachelor of Education (B.Ed.) Programme during the Academic Year 2022- 2023. As per the guidelines of the University Grants Commission, the programme has been conducted for ten days period from 27th October 2022 to 08th November 2022.

Objectives of the Programme

- To familiarise student teachers with the academic environment, curriculum and campus resources.
- To ensure a smooth transition from undergraduate or postgraduate backgrounds to the professional requirements of a B.Ed. programme.
- To introduce foundational teaching skills and standards required in the profession.
- To foster solidarity among peers, and to establish initial connections with faculty members.
- To inculcate the ethical, professional, and academic responsibilities of a teacher.
- To introduce student teachers to available resources, including libraries, laboratories and other support services.
- To acquaint with various cocurricular activities and extracurricular opportunities.

**Principal i/c****Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.**

The purpose of conducting Student Induction Programme is to help new student teachers adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with senior student teachers and faculty members, and expose them to a sense of larger purpose and self-exploration. The programme engaged with them as soon as they came into the institution, before the commencement of regular classes. At the start of the induction, the incumbents learned about the institutional policies, processes, practices, culture and values, and their mentor groups were formed. It helped them acclimatize with the new surroundings, develop bonds with fellow student teachers and faculty members, sensitivity towards various issues of social relevance and imbibe human values in them so as to become teachers, the responsible citizens of the nation.

Based on the guidelines of the University Grants Commission the Student Induction Programme was executed in the College of Education. It covered the following activities.

1. Physical Activity
2. Mentoring
3. Familiarization to the institution
4. Creative Arts and Culture
5. Literary Activity
6. Lectures by Eminent People
7. Visits to Local Area
8. Extra-Curricular Activities in College and other opportunities.

2. Teacher Preparatory Coaching Classes

Competitive Exam Coaching (TN-TET/ TRB/CTET) 2023

Programme

The event began with a warm welcome address by Logeswaran B, a second-year student-teacher. He extended a hearty welcome to all the esteemed guests, including Rev. Secretary Maharaj, Principal Anna, faculty members, non-teaching staff, and fellow student-teachers. His introductory remarks set the tone for the informative session ahead.

Dr. G. Subramonian, Principal of Sri Ramakrishna Mission Vidyalaya College of Education, Coimbatore, delivered the presidential address. In his speech, he emphasized the significance of competitive exams in the field of education and encouraged aspiring teachers to clear these exams with dedication and perseverance. His insightful words motivated the audience and underscored the importance of the day's program.

General Overview of Competitive Exams:

A comprehensive overview of key competitive exams was provided to the attendees:

a. Tamil Nadu Teachers Recruitment Board (TRB):

This section explained the role of TRB in recruiting teachers for different levels, from Primary Teachers (Class I to V) to Upper Primary Teachers (Class VI to VIII) in various subjects. The session highlighted the nuances of eligibility criteria, exam patterns, syllabi, and the application process, all of which can vary based on specific recruitment notifications.

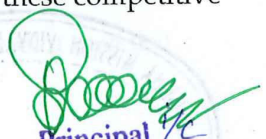

b. Central Teacher Eligibility Test (CTET):

The presentation provided insights into CTET, a national-level eligibility test conducted by CBSE. It caters to teachers in Central Government Schools (Kendriya Vidyalayas) and schools under Union Territories. The exam structure for Paper-I (Classes I to V) and Paper-II (Classes VI to VIII) was detailed, along with the subjects tested.

Preparation Guidelines:

This section provided valuable advice to B.Ed. students preparing for these competitive exams:

Principal
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

Understand the Exam Pattern and Syllabus: A detailed understanding of the exam structure and syllabus is essential to plan preparation effectively.

Collect Study Materials: Gathering relevant study materials, textbooks, and previous years' question papers was emphasized. Additionally, the use of preparation guides and online resources was recommended.

Create a Study Plan: Attendees were encouraged to devise a study schedule that allocates time wisely for each subject and topic.

Practice Mock Tests: Regular mock tests and solving previous years' question papers were suggested as a means to gauge the exam's difficulty level and improve time management.

Stay Updated: It was highlighted that staying informed about official notifications and any changes to the exam pattern and eligibility criteria is crucial for successful preparation.

Mock Test:

N Rajesh Kumar, Assistant Professor in Biological Science, conducted a detailed presentation on the Teacher Eligibility Tests (TET), TRB, and CTET exams. He provided a comprehensive understanding of the syllabus, exam patterns, and marking schemes for the Tamil Nadu Teacher Eligibility Test (TNTET), emphasizing that B.Ed. students are eligible for TET Paper-I. Following the presentation, a mock test was administered using the Quizizz online platform, where students used their mobile devices to participate.

Mock Test - Quizizz:

The mock test, facilitated by N Rajesh Kumar, was conducted using the Quizizz online platform. The test consisted of 20 questions related to educational topics, and all students actively participated using their mobile apps.

The awareness program was a significant success, as it not only provided valuable insights into competitive exams but also allowed students to practice their knowledge through the mock test. The event was informative and motivating, helping aspiring teachers to better prepare for their future careers.

3. Orientation on Educational Management Programme

Orientation on CCE and EMIS

Objectives :

- To help participants comprehend the guiding ideas and philosophy underpinning continuous and comprehensive evaluation.
- To guarantee that participants are familiar with the operation of the Education Management Information System and its purpose in data management.
- To promote the use of CCE as a way to continuously evaluate and improve the delivery of education.
- To give participants the abilities and information necessary to properly use EMIS data for wise educational decision-making.
- To emphasise the need of including parents, teachers, and students in the CCE process in order to foster a supportive and cooperative learning environment.

Resource Persons :

- Dr. M . Jagadesh Assistant Professor in education
- V Eswaran Assistant Professor in Mathematics
- N Rajesh Kumar Assistant Professor in Biological Science, Sri Ramakrishna Mission Vidyalaya College of Education

Programme:

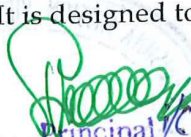

The first session gave a brief note about the CCE in school education and how the continuous and comprehensive evaluation motivates the students on a positive note it also plays a vital role in teachers.

Parents can easily monitor their student's progress with the help of continuous and comprehensive evaluation. This is done by the subject teachers under class teachers from the class I to VIII standard. Key Notes about CCE: The Continuous and Comprehensive Evaluation (CCE) Programme is an educational evaluation system in India that aims to assess students learning and progress throughout the academic year. It is a comprehensive system that involves both formative and summative assessment, and it is designed to provide students with continuous feedback on their academic performance.

The CCE Programme report typically includes detailed information on the student's academic performance, including their grades, attendance, and behaviour in the classroom. The report also includes information on the students strengths and weaknesses, as well as recommendations for improvement.

The CCE Programme report is an important tool for parents, teachers, and students themselves to track progress and identify areas for improvement. It is designed to be

Principal
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

user-friendly and easily understandable, with clear explanations of each assessment category and the criteria used to evaluate students.

Keynote about EMIS:

EMIS stands for Education Management Information System. It is a computer-based system designed to manage and analyze education-related data. The following are key points about EMIS:

EMIS is a tool that helps education systems collect, manage, and analyze data related to education. This data can include information about student enrollment, attendance, academic performance, teacher qualifications, and school infrastructure. EMIS can help education authorities make informed decisions about resource allocation, policy development, and program planning. By analyzing data on student performance and school infrastructure, for example, authorities can identify areas where resources are needed and make informed decisions about funding allocation. EMIS can help schools and education authorities identify at-risk students and develop targeted interventions to support their academic success. By tracking attendance and academic performance, for example, schools can identify students who may need additional support and provide them with targeted interventions such as tutoring or counseling.

EMIS can help education systems monitor progress toward national education goals and targets. By collecting data on key education indicators such as student enrolment and completion rates, authorities can track progress toward national education targets and identify areas where additional efforts are needed.

EMIS can improve transparency and accountability in education systems. By making data on education outcomes and resource allocation publicly available, authorities can be held accountable for their decisions and actions, and stakeholders can advocate for improvements in education policy and practice.

Overall, EMIS is an important tool for managing and analyzing education-related data, and can help education systems make informed decisions about resource allocation, program planning, and policy development.

Outcomes :

- The fundamentals of CCE are clearly understood by the participants.
- Participants gain expertise in EMIS-based data gathering and analysis.
- The importance of comprehensive student assessment is rising.

4. Workshop / Interview Guidance

**SRI RAMAKRISHNA MISSION VIDYALAYA COLLEGE OF EDUCATION
(AUTONOMOUS)
Coimbatore - 641 020**

E-CONTENT DEVELOPMENT WORKSHOP

Sri Ramakrishna Mission Vidyalya College of Education organized a workshop for B.Ed. II year student teachers on 20th of July 2022. This workshop focused on teaching them how to create useful digital educational content. It is an important step in helping these future educators become better at using technology in their teaching.

Objectives:

- Help B.Ed. II-year student teachers enhance their ability to teach using digital content.
- Teach students how to use digital tools and technology for creating educational content.
- Encourage student teachers to be creative and make engaging digital materials for their future students.
- Ensure that the digital content created is of high quality and meets educational standards.

Topics and Resource Persons:

- ❖ Preparation of E-content and Blog Creation:

Sri. V. Eswaran, Assistant Professor in Mathematics

- ❖ Video Content Creation:

Sri. N. Rajesh kumar, Assistant Professor in Biological Science

- ❖ Identifying appropriate E-resources:

Dr. M. Jagadesh, Assistant Professor in Education

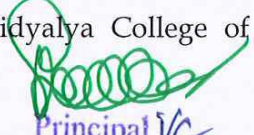

Student Organizing Committee:

S. Arunkumar, B. Logeswaran, M. Pranesh – B.Ed II year Student teachers

Participants:

B.Ed II year - Student teachers of Sri Ramakrishna Mission Vidyalya College of Education

Principal VC
Sri Ramakrishna Mission Vidyalya
College of Education (Autonomous)
Coimbatore-641 020.

Programme Description

The workshop commenced with a prayer followed by the welcome address by Dr. G. Subramonian, Principal of College of Education. He emphasized the importance of E-Content Development in the present era of digitalization. He also mentioned the need to create quality content and the role of teachers in providing quality education through digital platforms.

Sri. V. Eswaran, Assistant Professor in Mathematics, conducted the first session on Preparation of E-Content and Blog Creation. He explained the process of creating and designing E-Content and Blog, including the use of appropriate tools and techniques. He also gave a demonstration of creating a blog and emphasized the importance of creativity and innovation in creating E-Content. The second session was conducted by Sri. N. Rajesh Kumar, Assistant Professor in Biological Science, on Video Content Creation. He discussed the importance of video content and demonstrated the process of creating video content using various tools and software. He also highlighted the significance of audio-visual elements in creating impactful videos.

The third session was conducted by Dr. M. Jagadesh, Assistant Professor in Education, on Identifying appropriate E-resources. He discussed the various sources of E-Resources and the criteria for selecting appropriate resources for teaching and learning. He also demonstrated the process of selecting and evaluating E-Resources. The workshop concluded with a Vote of Thanks by Dr. S. Sivasankar, Director of Physical Education. He thanked the participants and the faculty members for their active participation and contributions. He also appreciated the efforts of the Student Organizing Committee comprising S. Arun Kumar, B. Logewaran, and M. Pranesh for organizing the workshop successfully.

Outcomes:

- ✗ Student teachers created digital educational content and blogs using the right tools and methods.
- ✗ Student teachers created engaging educational videos using different software and tools.
- ✗ Student teachers can choose the right digital resources for teaching and learning.
- ✗ The workshop encouraged creativity and innovative thinking in creating educational materials.
- ✗ Student teachers improved their teaching abilities, especially in the digital education landscape.

Stimulation of Analytical Thinking through Mathematics among School Students

Introduction:

Analytical thinking is a crucial skill that enables individuals to approach complex problems and challenges by breaking them down into smaller parts, analyzing them, and then putting them back together to form a solution. It is an essential skill for students to develop, as it helps them think critically and creatively, and it is useful in various academic and professional pursuits. In recognition of the importance of analytical thinking skills, Sri Ramakrishna Mission Vidyalaya College of Education initiated classes to develop these skills among school students.

Objectives:

- To promote analytical thinking skills among students from the sixth standard to the ninth standard.
- To enhance the pedagogical abilities of B.Ed. Student teachers and faculty members in delivering Mathematics education that stimulates analytical thinking.
- To create a competency-based educational approach that seamlessly incorporates analytical thinking strategies into the teaching of Mathematics.
- To establish a nurturing and participative learning setting that encourages teamwork, creativity and the development of problem-solving abilities
- To appraise students' advancements and offer them feedback by employing evaluation and feedback methods.

Principal Vc
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

Methodology:

a) Curriculum Integration:

A team of Mathematics educators, and experts and analytical thinking collaborates to integrate analytical thinking skills in existing curriculum that aligns with the national educational standards and promotes higher order thinking skills. The curriculum incorporates interactive teaching methods, problem-solving activities, and real-world applications of Mathematics.

b) Teacher Training:

Student teachers and faculty members received specialized training in instructional strategies that foster analytical thinking in Mathematics. The training included periodical workshops and orientations to equip teachers with the necessary skills to implement the programme effectively.

c) Implementation:

The programme implemented in campus schools, covering students from the first standard to the ninth standard. Teachers deliver the curriculum using a student-centered approach, encouraging active participation, critical thinking and analytical reasoning. The lessons designed to engage students in challenging problem-solving tasks and promote higher-order thinking skills.

d) Assessment and Feedback:

Ongoing assessment tools, such as formative and summative assessments, utilized to monitor students' progress and provide feedback.

Principal i/c
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

The primary goal of Analytical Thinking classes is to develop analytical thinking skill among school students through teaching Mathematical concepts. Mathematical abilities are essential because they provide structure for rationally solving problems. It helps in the conceptualization of several areas that include verbal components such as numerical knowledge, counting and reasoning as well as non-verbal components such as Mathematical notation, reasoning in time and space, calculation, and so on.

Mathematical exercises such as puzzles, riddles, and open-ended inquiries, finding patterns, brainstorming ideas, analysing data, and making situational decisions among students were planned and executed. Application of analytical thinking components paves the way for enhancing the IQ levels. It supports the growth of pupils' critical and creative thinking. It teaches children how to think differently in a diverse range of situations. Utilization of advanced technology in analytical classes stimulates the interest, curiosity and helps pupils to familiarize Mathematical concepts easily.

Phase I : Trainer Training Programme:

Regular Trainer's Training Programme on Stimulating Analytical Thinking through Mathematics is conducted for student teachers and question paper setters. The Programme coordinated by Sri. V. Eswaran, Assistant Professor in Mathematics and organized by the Internal Quality Assurance Cell, Sri Ramakrishna Mission Vidyalaya College of Education.

The programme has been designed to introduce teaching strategies and syllabus related to stimulating analytical thinking through Mathematics. It will cover various topics including the introduction to Moodle (LMS), hands-on training in Google Sheet, Google quiz and question bank preparation using various resources. The aim of the programme is to equip Student – teachers and Research scholars with the necessary skills and knowledge to promote analytical thinking and problem-solving abilities among school students through Mathematics.

Principal VC
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

Phase – II : Implementation of Programme

Sri Ramakrishna Mission Vidyalaya College of Education initiated organising the Classes on “Stimulation of Analytical Thinking through Mathematics among School Students” for sixth grade students to ninth grade students of Sri Ramakrishna Mission Vidyalaya Swami Shivananda Higher Secondary School. Student-Teachers from Sri Ramakrishna Mission Vidyalaya College of Education and Ph.D Scholars from Department of Mathematics, Sri Ramakrishna Mission Vidyalaya College of Arts and Science has been handling the Analytical Thinking Classes weekly once for a period of 45 minutes duration. Analytical Thinking Tests were conducted through online mode twice in a month to assess pupils' progress. The programme coordinated by Sri. V. Eswaran, Assistant Professor in Mathematics.

Beneficiaries:

Following is the number of students benefited from stimulation of Analytical Thinking through Mathematics.

Class	Boys	Girls	Total
VI	122	56	178
VII	113	38	151
VIII	132	38	170
IX	162	72	234
Total	529	204	733

Impact:

The analytical thinking classes organized by Sri Ramakrishna Mission Vidyalaya College of Education helped students develop analytical thinking skills. The online analytical thinking tests conducted twice a month helped assess the progress of students. The students have shown improvement in their analytical thinking skills, which is evident from the progress shown in the analytical thinking tests conducted online.

Principal i/c
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

Moreover, the classes also helped students in enhancing their IQ levels, which will be helpful in their future academic and professional pursuits. Analytical thinking skills help students to think critically and creatively, which is essential in various areas of their life. By developing analytical thinking skills, students will be able to tackle challenges with more ease, which will help them achieve their goals. The use of advanced technology in analytical classes has made the classes more interesting and engaging for students. The students were introduced to new tools, such as educational apps, that allowed them to learn and practice analytical thinking skills in a funny and interactive way. By incorporating technology, the classes were able to stimulate the interest and curiosity of students, which helped them familiarize themselves with Mathematical concepts more easily.

Roles and Responsibilities:

Sri. V. Eswaran, as the coordinator of the programme, played a crucial role in planning, organizing, and overseeing its execution. The B.Ed. student teachers (Mathematics and Physical Science) from Sri Ramakrishna Mission Vidyalaya College of Education actively participated in the programme by conducting analytical thinking classes for the students. Mathematics student teachers were responsible for preparing the analytical thinking question papers and conducting online tests. Their efforts were closely guided and supervised by Sri. V. Eswaran, Assistant Professor in Mathematics.

Outcomes of the Programme:

- Improved analytical thinking skills among school students and student teachers leading to enhanced problem-solving abilities and critical thinking.
- Increased engagement and motivation among students due to the interactive and challenging nature of the curriculum.
- Strengthened Mathematical foundations, as students learn to apply analytical thinking strategies to solve complex problems.
- Enhanced pedagogical skills of student teachers, resulting in more effective delivery of Mathematics education that stimulates analytical thinking.

Report on Adhyapana - Coaching Classes for Economically Weaker Students

The Department of Extension Services, Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) has initiated Coaching Classes for economically weaker students in Naickenpalayam village at Jeeva Karunya Seva Ashramam and Vivekanandapuram village at Periyanaickenpalayam in commemoration of 125th Anniversary of Ramakrishna Mission and 75th Anniversary of Indian Independence on May 01, 2022.

The programme is scheduled twice in a week between 5.30 p.m and 6.30 p.m for high school students. The B.Ed. student-teachers of Sri Ramakrishna Mission Vidyalaya College of Education actively engaged the students and take coaching classes for all school subjects in the scheduled time. These coaching classes were conducted from 21.06.2022 to 11.04.2023 during the academic year 2022-2023 with the guidance of the Secretary Maharaj of Ramakrishna Mission Vidyalaya and the people of the Naickenpalayam and Vivekanandapuram villages.

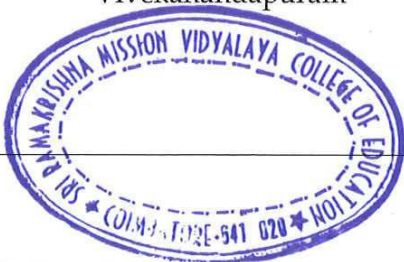

Objectives

- To improve the academic standard of the students in the selected villages
- To ensure education for the children of the selected villages
- To provide supplementary education to the children from less-privileged rural background

Beneficiaries

Total number of beneficiaries

- Naickenpalayam - 10 Students
- Vivekanandapuram - 05 Students

Principal i/c

Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020

Outcomes of the Programme

- Students who attended tuition classes showed better academic performance, benefitting from targeted support and personalized instruction in the tuition classes.
- The programme expanded educational access for underserved students, ensuring they received additional assistance to bridge learning gaps and succeed in their studies.
- Students gained a better chance of accessing future opportunities and breaking the cycle of poverty in their communities.

Outcomes of the event :

- Online Gandhi Jayanti celebrations enable greater global participation, making it accessible to a diverse audience, including those who couldn't attend physical events due to geographical constraints.
- In order to raise awareness and encourage others to adopt Gandhi's message of nonviolence and social justice, online festivities include educational programmes, webinars, and conversations on his life and beliefs.
- On social media, online celebrations have a huge presence. People circulated Gandhi's quotations, photographs, and films, igniting debate and propagating his beliefs. Social media can be an effective tool for spreading his message of nonviolence, civil disobedience, and support for social and humanitarian concerns.

Report Library Week Celebration

Sri Ramakrishna Mission Vidyalaya College of Education's Department of Library and Learning Resources organized a series of events to celebrate Library Week, which included an online webinar on the preservation and conservation of books. The webinar was conducted on November 14, 2022, at 6.00 pm. The session was conducted by Dr. P. Perumal, a former Curator and Librarian of Saraswathi Mahal Library, who served as a resource person and provided valuable insights on the subject of preservation of books. The webinar was attended by students and faculty members from Sri Ramakrishna Mission Vidyalaya College of Education, as well as teachers and librarians from other institutions.

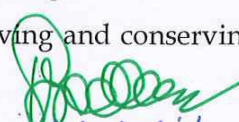

During the webinar, Dr. P. Perumal discussed the importance of preserving books and the various methods and techniques used in book conservation. He also highlighted the challenges faced by librarians and book conservationists in preserving rare and valuable books.

Dr. G. Subramonian, the Principal of Sri Ramakrishna Mission Vidyalaya College of Education, delivered a presidential address, in which he emphasized the importance of books and libraries in education and research.

Following the presentation, there was a question and answer session, which provided an opportunity for participants to ask specific questions about book preservation and conservation. The event also featured speeches by Sri V. Prakash and R. Suganthan, first-year B.Ed. students, who highlighted the significance of libraries and the rewards of reading books respectively.

The webinar concluded with Sri J. Vishnu proposing a vote of thanks to Dr. Perumal, the participants, and the organizing team for making the event a success. Overall, the webinar on preservation and conservation of books was an informative and insightful session, which provided valuable insights to students, faculty members, and librarians on the importance of preserving and conserving books.

On November 15, 2022, a debate on the topic "Promoting Reading Habits: Role of Teachers Vs Role of Parents" was organized by the Sri Ramakrishna Mission Vidyalaya College of Education. The debate aimed at encouraging critical thinking and generate a discussion on the importance of promoting reading habits among children.

A group of eight students from the College of Education took part in the debate. The participants were divided into two teams, with one team advocating for the role of teachers in promoting reading habits, and the other team supporting the role of parents.

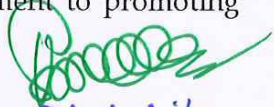

The debate was moderated by Dr. R. Ayyappan, Assistant Professor of Physical Science, who served as an adjudicator. The students presented their arguments with clarity and confidence, highlighting the importance of reading in the development of language skills, cognitive abilities and creativity. The team advocating for the role of teachers argued that teachers played a crucial role in promoting reading habits among students. They emphasized the importance of classroom libraries, reading assignments and discussions on books, which can foster a love for reading among students.

On the other hand, the team supporting the role of parents argued that parents are the first teachers of their children and have a greater influence on their reading habits. They highlighted the importance of setting an example by reading themselves, providing access to books, and encouraging children to read for pleasure.

The debate was lively and engaging discussion, with both teams presenting well-researched arguments and counterarguments. Dr. R. Ayyappan, the moderator, provided insightful feedback and encouraged the participants to think critically about the topic.

In conclusion, the debate on "Promoting Reading Habits: Role of Teachers Vs Role of Parents" was a successful event, which generated fruitful ideas, and highlighted the importance of reading for the development of children. The parents showed their passion for the topic and their commitment to promoting reading habits among children.

Description of the Programme:

National Mathematics Day was celebrated in Sri Ramakrishna Mission Vidyalaya College of Education on 22.12.2022 at 2.00 p.m. The programme began with Prayer song by Bhagavathar. The welcome address was extended by P. Santhosh Sreshtha, student-teacher. The Presidential address was delivered by Dr. G. Subramonian, Principal. Sri. V. Eswaran, an Assistant Professor in Mathematics introduced the Resource person. An informative address by the resource person, Dr. S. Muthu Kumar, Assistant Professor in Mathematics presented the significance of Mathematics and Ramanujan's contributions to the Mathematics. Student teachers by A.R. Raghul and C. Vimalraj, shared their insights on Mathematics in education. Various students' activities, including a demonstration of Ramanujan's Magic Square, a short film screening titled 'Engalum Nanum,' showcasing the life of Srinivasa Ramanujan and Vedic Math tricks.

E-Content Competition:

The E-Content preparation competition was a central part of the celebration, focusing on the theme "Mathematics for Everyone." Participants were encouraged to create short E-Content videos lasting 3 to 5 minutes. The content categories included: Teaching mathematical concepts using virtual tools, simulations and augmented reality presenting interesting facts in mathematics with animations, Crafting Math puzzles and riddles and Highlighting the role of Mathematics in various academic disciplines. The vote of thanks was extended by N. Saran, a student-teacher.

Outcomes:

- ✍ Increased awareness of Srinivasa Ramanujan's contributions to Mathematics.
- ✍ Enhanced appreciation for Vedic Mathematics among student teachers
- ✍ Development of creative E-Content resources for teaching and learning Mathematics.
- ✍ Encouragement of innovative approaches to teaching and learning Mathematics through virtual tools, animations and puzzles.

The event was graced by the presence of esteemed guests, Dr. G. Subramonian, the Principal of the college, and Dr. Gopi, Assistant Professor in Physics at SRMV College of Arts and Science (Autonomous). Sri. M. Pranesh delivered the welcome address, in which he stressed the importance of Science and Technology in the modern world and the need for promoting scientific research and Education.

Dr. G. Subramonian, the principal of the College of Education, delivered the presidential address, in which he emphasized the importance of National Science Day and the role of Science in shaping the world we live in. He also spoke about the various initiatives taken by the college to promote Science Education and research among students.

The chief guest, Dr. Gopi, Assistant Professor in Physics, then delivered a keynote address, in which he spoke about the latest developments in the field of Physics and their applications in various domains.

The event also included various activities, such as Science quiz, Evaluation tools and lectures, organized by the coordinators and the organizing team. The students actively participated in these activities.

The event concluded with a vote of thanks by Sri. S. Arunkumar, who thanked the Secretary, Principal, Chief guests, staff, and students for their active participation and contribution to the success of the event. The programme ended with the National Anthem.

Outcomes of the Programme

- The celebration of National Science Day created a strong connection between student- teachers and teacher educators.
- As a result of National Science Day, a greater level of thinking skills were developed among the student - teachers.

2. Special Lectures

One-day Workshop on Low-cost Teaching Aids Making

Sri Ramakrishna Mission Vidyalaya College of Education in association with Agastya Foundation, Bengaluru organised a workshop on low cost teaching aids for II Year B.Ed Student Teachers on 22nd July 2022 at College of Education Campus. The main idea was to discuss the facts that low-cost teaching aids are an effective tool as it helps to understand various complex scientific principles in an easy way.

Resource Persons from Agastya Foundation emphasised the need to inculcate passion amongst students for science by making classroom teaching more interactive and enjoyable through use of low-cost teaching kits. Tools were designed to engage students through hands on activities for faster learning, discourage cramming and make the subject interesting for them. Further, studies have suggested that students remember 90 percent of what they do and are demonstrated through the medium of science communication.

The participants during the workshops were trained to make easy to use low-cost teaching kits in classroom, which could help in improving conceptual understanding and promoting creativity among students. The student teachers showed keen interest in the workshop and prepared their own low-cost teaching kits demonstrating various scientific principles.

Orientation on Agastya International Foundation activities for school and college students were given. Significance of Agastya's Outreach Programs were also emphasized.

The volunteers from Agastya also oriented about different programmes and initiatives offered by Agastya International which include

13. Raspberry Pi
14. Agastya's Digital Initiative

Students also visited the mobile science lab which was stationed at the campus and the volunteers demonstrated different teaching aids for the student teachers.

Outcomes:

Student teachers gained an idea about designing low-cost teaching aids for their classrooms. These teaching aids can be used in their respective internship schools. They were oriented that the concepts taught using interactive materials and teaching aids will enhance the conceptual understanding of students in schools.

SRI RAMAKRISHNA MISSION VIDYALAYA COLLEGE OF EDUCATION

Center for Green initiative for the Academic Year 2022-2023

Date : July 25, 2022

Time : 2:00 p.m. to 4:00 p.m.

The inauguration of the Green Initiative Cell at Sri Ramakrishna Mission Vidyalaya College of Education aimed to promote environmental awareness and sustainable practices within the college community.

Objective:

The objectives of this event were:

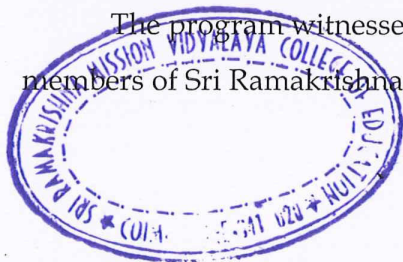

- **Promote Environmental Education:** To create a platform where students and faculty members can learn about the importance of green coverage, environmental conservation, and the practice of terrace gardening.
- **Foster a Culture of Sustainability:** To instill a sense of responsibility among the student-teachers and encourage them to actively participate in green initiatives and sustainable practices, both within the college premises and in their daily lives.

Resource Person Details:

Name : Mr. S. Ramkumar
Designation : Lecturer in Horticulture
Institution : Institute of Agriculture and Rural Development,
Sri Ramakrishna Mission Vidyalaya

Participants / Beneficiary Details:

The program witnessed active participation from all student-teachers and faculty members of Sri Ramakrishna Mission Vidyalaya College of Education..

Principal
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

Description of the Program:

The inauguration of the Green Initiative Cell commenced at 2:00 pm with a prayer, setting the tone for the event. Sri. S. Arun Kumar, a student-teacher, welcomed the gathering, and the program proceeded with a Presidential Address delivered by Dr. G. Subramonian, the Principal of the College.

Mr. S. Ramkumar, the resource person, delivered a special lecture on the "Importance of Green Coverage and the Practice of Terrace Gardening." His insightful lecture highlighted the significance of greenery and offered practical insights into creating and maintaining terrace gardens.

Following the lecture, Dr. G. Subramonian, the College Principal, honored Mr. S. Ramkumar with a memento in appreciation of his valuable contribution. All student-teachers actively participated in the event, and a formal vote of thanks was proposed by Pranesh M, a second-year student-teacher.

The main attraction of the event was the tree planting, which symbolised the formation of the Green Initiative Cell. Dr. G. Subramonian, College Principal, and Mr. S. Ramkumar, Horticulture Lecturer, took part in this symbolic act of tree planting. In addition, trees were planted on the college grounds to demonstrate the college's dedication to green projects and environmental sustainability. At 4:00 p.m., the programme finished on a patriotic tone with the National Anthem. Dr. G. Subramonian, Principal of the College, and the coordination efforts of the College's Faculty Members and Student-Teachers were important in making this event a huge success.

Outcomes:

- The event succeeded in raising awareness about the importance of green coverage and the practice of terrace gardening among the college community.
- The initiative encouraged student-teachers to take up the responsibility of fostering a greener and more sustainable environment, not only within the college but also in their daily lives.
- The program fostered a sense of community and collaboration, as faculty members and student-teachers actively participated in the event, promoting a collective effort towards environmental conservation and sustainability.

Awareness Programme on Communicating with Persons of Different Disabilities

The objective of the programme is to create an awareness among studentteachers on communicating with persons of different disabilities. The programme was organised on 24.02.2023. The special address was delivered by Dr. K. Rajamanickam, Assistant Professor in IEVH. It can provide training in communicating with individuals who use Braille, Sign language, or speech as their primary means of communication. The following are some key components that could be included in an awareness programme on communicating with persons of different disabilities:

- **Understanding different types of disabilities:** The programme gave an overview of the different types of disabilities that people may have, including physical, sensory, cognitive, and intellectual disabilities. This helps individuals better understand the challenges that people with disabilities face and how to interact with them in an appropriate and respectful way.
- **Braille training:** For individuals who interact with individuals who are visually impaired, the programme gave an introduction to braille and how it works. This includes basic training on how to read and write braille, as well as tips on how to communicate effectively with someone who uses braille.
- **Sign language training:** For individuals who interact with individuals who are deaf or hard of hearing, the programme provided an introduction to sign language and how it works. This includes basic training on how to sign common words and phrases, as well as tips on how to communicate effectively with someone who uses sign language.

Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

- **Speech training:** For individuals who interact with individuals who have speech impairments, the program provided an introduction to different types of speech impairments and how they affect communication. This programme creates the awareness on how to communicate effectively with someone who has speech impairment, such as using alternative communication methods like text or sign language.

The awareness programme helps individuals become more confident and effective communicators, besides promoting greater understanding and inclusion of people with disabilities in all aspects of life.

Workshop on Information and Communication Technology for Inclusive Education

A one-day workshop on Information and Communication Technology for Inclusive Education (Universal Design for Learning) was organised by Sri Ramakrishna Mission Vidyalaya College of Education on 28th April 2023 (Friday). The main objective of the workshop was to explore the transformative factors in classroom practices that support inclusion with Information and Communication Technology. The programme started with invocation by Sri. R. Amarnath Venkatraman, Music Teacher (Performing Arts) of the College. Sri M. Poornachandran, B.Ed. I Year Student-teacher welcomed the gathering. Dr. G. Subramonian, Principal of the College delivered the Presidential Address. Sri S.Shankar Subbiah, Consultant in Agate Infotek, Specialist in Assistive Technology and Accessibility, Chennai acted as a Resource Person. His session focused on workshop practices that enhance the skills of teachers in schools and educational institutions. He discussed the topics on Multi-tiered System of Support (MTSS), Rights of Persons with Disability Act (2016), National Skill Development Corporation (NSDC), Sector Skill Council for Persons with Disability (SCPWD), NCERT's PRASHAST Application, and Unique Disability Identity Card (UDID). He also highlighted the importance of ensuring accessibility in school infrastructure for students with disabilities.

In the second session he discussed different types of disabilities among school students and the corresponding teaching remedies. The session explored various applications and schemes designed for persons with disabilities. The disabilities covered included visual impairments, hearing impairments, gross motor skill difficulties, and fine motor skill difficulties. The resource person shared insights into screening processes, software applications, assistive devices, and tools to support students with that included Tactile Graphics, Talkback, Braille Machines, EPUB3 Reader, Smart Cane, JAWS, and NVDA.

Report on Educational Exhibition

The Ramakrishna Mission Vidyalaya organises 'Gurupuja' (a community-linked socio-cultural function) Celebrations on the first Sunday of every year. During the occasion, all the staff and students of Vidyalaya institutions dedicatedly involve in conducting various activities and Educational Exhibition is one among them. In the year 2023, the celebration is made on 01st January 2023, the New Year Day. As part of the celebration educational exhibition is conducted in which the student-teachers of the College of Education exhibited "*Active Learning Methodology*", an innovative teaching learning methodology. The active learning strategies in the 21st century were portrayed in the form of posters and student-teachers of our college designed and displayed the models. They have explained and demonstrated active learning strategies to the spectators from 8.00 am to 7.00 pm. The techniques such as think-pair-share, question and answer technique, flipped classroom, concept mapping, in-class demonstrations, short cases/scenarios, simulation-based learning, discussions, one minute paper, exit tickets, think-break method, virtual reality, augmented reality, English orthography and punctuated lectures were demonstrated by our student-teachers. Nearly 4,000 people including school students, teachers, public and educationists were benefited from the exhibition. The programme assisted student-teachers to develop their academic caliber and social skills as well.

**REPORT of
A Three Day Scout Master Beginners Camp**

Scouting encourages young people to recognize the needs of others and take action accordingly. The scout besides a community work also encourages the physical, intellectual, social, emotional and spiritual development of young people so that they become a responsible citizen and the noble human. "Service to people is the service to God".

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) conducted a Three Day Scout Master Beginners Camp from 26.04.2022 to 28.04.2022 at the College of Education campus. Usually the college conducts seven Days Scout Master Basic Course but this year due to Covid, we conducted Three Days Scout Beginners course only. At camp, Scouts gain a positive sense of self-worth and usefulness by applying their creativity and skills - helping teach others, working together, cleaning their campsite, and doing other social services throughout the camp. Kongu Mandala District Scouts and Guides Association office barriers Sri. R. Lakshmanan, Scout Master and Sri A, Bhaskaran, Scout Master conducted the Scout camp. In total 38 students participated in this camp. All the students actively participated in the camp. Kongu Mandala District Scouts and Guides Association gave the camp certificate to all participants.

Report **Swachh Bharat**

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) conducted a Scout Camp from 16.04.2023 to 21.04.2023. Among these days, we planned together one Hill Claiming cum Swachh Bharat Activity at Aranganathar Temple, Palamalai, Coimbatore on 19.04.2023. We obtained prior permission from both the Forest Office and Temple In-charge, who generously agreed to provide lunch for our group.

On 19th April 2023 morning 8:15 am, we departure from our college using buses and bikes. We arrived at Palamalai Hill approximately 9.15am and parked our vehicles before gathering together. In total 42 members (38) students, including Sri. B. Sivakumaran, Scout Leader, Sri. R. Lakshmanan, Scout Master, Sri A. Bhaskaran, Scout Master and Dr. S. Sivasankar Camp Coordinator reached the Palamalai. Two Forest Department Staff, Mr. Marimuthu (Forest Guard, Forest Range office, Periyanaickenpalayam) and Mr. Sakthivel (Forest Guard, Forest Range office, Periyanaickenpalayam), provided a brief orientation about forest and the nature of wild animals.

After that, students were divided into many groups and separate areas were allotted to each group for cleaning. Scout Masters also joined along with the students and were involved in the Swachh activities for about 2 hours. In total, we cleaned 4.5 km of the hill's road and the temple premises, collecting 15 large bags of plastic and glass bottles, as well as other waste materials.

Report **Swachh Vidyalaya**

Sri Ramakrishna Mission Vidyalaya College of Education has been conducting Swachh Vidyalaya activities periodically. It lays emphasis on keep our environment clean and promoting safe and appropriate hygiene practices in educational institutions and behaviour among students. The Mission of the programme is very important considering the condition of sanitation, cleanliness and hygiene. The programme created awareness among student communities towards sanitation and cleanliness, and motivating them for adopting a proper sanitation model for better health and life. Our College of Education organised series of cleanliness programme under Swachh Vidyalaya activities.

All the student-teachers engaged in cleaning the college premises, playground and other areas in the campus. It created awareness among the student-teachers and inculcated the social values.

6. Report on Community Linked Socio-Cultural Function

Every year, Gurupuja celebration, a community-linked socio-cultural function, is organised in which all the student-teachers involve in extending voluntary social service to the public with the guidance of teacher educators. During this celebration, spiritual, educational and cultural programmes are conducted exclusively for the benefit of local public. Around one lakh public participates in all these programmes. The entire celebration is organized by the student-teachers and faculty members of all the institutions of Ramakrishna Mission Vidyalaya. The student-teachers and faculty members voluntarily involve in organising various events during the celebration. The responsibilities entrusted with the student-teachers and the execution enable them to improve their academic, leadership, collaborative and organisational skills through the following activities/events:

- Educational expo
- Science exhibition
- Literary competition
- Cultural programmes
- Spiritual discourses
- Managerial skill development programmes
- Hospitality management
