### 1. Morning Assembly

Morning Assembly brings entire college together as a family. It is the beginning of each day which establishes a positive tone for teacher educators and student-teachers, and encourages positive involvement of all student-teachers in running of the assembly. It paves the way for our student-teachers to rejuvenate their spirits, remain rooted to the moral values and unleash their vitality. Each day, three student-teachers conduct the morning assembly with full vigour and vitality, under the supervision of teacher educators. The daily features of the assembly are Chanting of Mantras, Prayer, Meditation, Thirukkural, Thought for the day, News headlines, and Morning announcement given by the Principal of the College.

The morning assembly plays an incredible role to:

- Develop a feeling of affiliation and unity among students.
- Aid the student-teachers to develop a sense of identity and loyalty to the college.
- Inculcate discipline and good social behavior desired in a cultured society, and facilitate moral and religious development of student-teachers.
- Motivate student-teachers by positive reinforcement in the form of praise or reward awarded in public.
- Facilitate National Integration and unity through prayer meetings.
- Nurture the sense of patriotism and take pride in our rich culture and heritage.

The assembly gives a sense of pride to student-teachers as they get the best opportunity to display their hidden talents.

#### Objectives of the Programme

- To familiarise student teachers with the academic environment, curriculum and campus resources.
- To ensure a smooth transition from undergraduate or postgraduate backgrounds to the professional requirements of a B.Ed. programme.
- To introduce foundational teaching skills and standards required in the profession.
- To foster solidarity among peers, and to establish initial connections with faculty members.
- To inculcate the ethical, professional, and academic responsibilities of a teacher.
- To introduce student teachers to available resources, including libraries, laboratories and other support services.
- To acquaint with various cocurricular activities and extracurricular opportunities.

Principal /c

Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

The purpose of conducting Student Induction Programme is to help new student teachers adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with senior student teachers and faculty members, and expose them to a sense of larger purpose and self-exploration. The programme engaged with them as soon as they came into the institution, before the commencement of regular classes. At the start of the induction, the incumbents learned about the institutional policies, processes, practices, culture and values, and their mentor groups were formed. It helped them acclimatize with the new surroundings, develop bonds with fellow student teachers and faculty members, sensitivity towards various issues of social relevance and imbibe human values in them so as to become teachers, the responsible citizens of the nation.

Based on the guidelines of the University Grants Commission the Student Induction Programme was executed in the College of Education. It covered the following activities.

1. Physical Activity
2. Mentoring
3. Familiarization to the institution
4. Creative Arts and Culture
5. Literary Activity
6. Lectures by Eminent People
7. Visits to Local Area
8. Extra-Curricular Activities in College and other opportunities.

#### 4. Unified Play Day Programme

Our college of Education Student Teachers participated unified play festival on 24.02.2023 organized by GAPAEY to get awareness about adapted physical education and yoga of differently abled person. The main objective of the Unified Play Day (UPD) is to provide a multi-factorial approach towards children with disabilities by providing them equal opportunities that are enjoyed by the normal children. Moreover, the Unified Play Day being a social gathering of large number of parents of children with disabilities, is a platform for interaction among them.

In conclusion, participating in events like the unified play festival can help student teachers learn more about adapted physical education and yoga for differently-abled individuals, and can also raise awareness about the importance of inclusivity and accessibility in education. It's important for future teachers to have a broad understanding of the needs of all their students, and events like this can help them gain that understanding.

## 6. Remedial Coaching

- The College of Education provides support for improvement of academically relatively below average students through remedial coaching. The students with low performance are identified from their level of understanding concepts and performance in the continuous internal assessments conducted by the college. After the first internal examinations, the Subject Teachers concerned in association with Principal sort out those students who are in need of additional support for the improvement in academics.
- Two student-teachers namely Sri S. Aurobindo and Sri A. Murali (2022 - 2024 Batch) have been identified and given remedial teaching in the concerned subjects without affecting the regular class hours. Pedagogical faculty members concerned clarify the doubts of the below average students and handled special classes and provide immediate feedback.
- The intervention practices like breaking the concept into small parts, using mind maps, flow charts, mnemonics, concept maps, individualised instruction to teach the concept, engage students in learning process, providing feedback on performance, re-teaching the difficult concepts are applied to enhance the academic performance. Also, the college provides conducive environment, infrastructure and access to technology for enriching students' learning.
- The College of Education created a Blog in which the faculty members uploaded teaching learning materials for the student-teachers to equip their knowledge and it paves the way to provide remedial coaching to the needy student-teachers.

## 1. Teacher Preparatory Coaching Classes (TNTET/ TRB/ CTET etc.)

### Competitive Exam Coaching (TN-TET/ TRB/CTET) 2023

#### Programme

The event began with a warm welcome address by Logeswaran B, a second-year student-teacher. He extended a hearty welcome to all the esteemed guests, including Rev. Secretary Maharaj, Principal Anna, faculty members, non-teaching staff, and fellow student-teachers. His introductory remarks set the tone for the informative session ahead.

Dr. G. Subramonian, Principal of Sri Ramakrishna Mission Vidyalaya College of Education, Coimbatore, delivered the presidential address. In his speech, he emphasized the significance of competitive exams in the field of education and encouraged aspiring teachers to clear these exams with dedication and perseverance. His insightful words motivated the audience and underscored the importance of the day's program.

#### General Overview of Competitive Exams:

A comprehensive overview of key competitive exams was provided to the attendees:

##### a. Tamil Nadu Teachers Recruitment Board (TRB):

This section explained the role of TRB in recruiting teachers for different levels, from Primary Teachers (Class I to V) to Upper Primary Teachers (Class VI to VIII) in various subjects. The session highlighted the nuances of eligibility criteria, exam patterns, syllabi, and the application process, all of which can vary based on specific recruitment notifications.

##### b. Central Teacher Eligibility Test (CTET):

The presentation provided insights into CTET, a national-level eligibility test conducted by CBSE. It caters to teachers in Central Government Schools (Kendriya Vidyalayas) and schools under Union Territories. The exam structure for Paper-I (Classes I to V) and Paper-II (Classes VI to VIII) was detailed, along with the subjects tested.

#### Preparation Guidelines:

This section provided valuable advice to B.Ed. students preparing for these competitive exams:

**Understand the Exam Pattern and Syllabus:** A detailed understanding of the exam structure and syllabus is essential to plan preparation effectively.

**Collect Study Materials:** Gathering relevant study materials, textbooks, and previous years' question papers was emphasized. Additionally, the use of preparation guides and online resources was recommended.

**Create a Study Plan:** Attendees were encouraged to devise a study schedule that allocates time wisely for each subject and topic.

**Practice Mock Tests:** Regular mock tests and solving previous years' question papers were suggested as a means to gauge the exam's difficulty level and improve time management.

**Stay Updated:** It was highlighted that staying informed about official notifications and any changes to the exam pattern and eligibility criteria is crucial for successful preparation.

#### **Mock Test:**

N Rajesh Kumar, Assistant Professor in Biological Science, conducted a detailed presentation on the Teacher Eligibility Tests (TET), TRB, and CTET exams. He provided a comprehensive understanding of the syllabus, exam patterns, and marking schemes for the Tamil Nadu Teacher Eligibility Test (TNTET), emphasizing that B.Ed. students are eligible for TET Paper-I. Following the presentation, a mock test was administered using the Quizizz online platform, where students used their mobile devices to participate.

#### **Mock Test - Quizizz:**

The mock test, facilitated by N Rajesh Kumar, was conducted using the Quizizz online platform. The test consisted of 20 questions related to educational topics, and all students actively participated using their mobile apps.

The awareness program was a significant success, as it not only provided valuable insights into competitive exams but also allowed students to practice their knowledge through the mock test. The event was informative and motivating, helping aspiring teachers to better prepare for their future careers.

## 2. Orientation on Educational Management Programme

### Orientation on CCE and EMIS

#### Objectives :

- To help participants comprehend the guiding ideas and philosophy underpinning continuous and comprehensive evaluation.
- To guarantee that participants are familiar with the operation of the Education Management Information System and its purpose in data management.
- To promote the use of CCE as a way to continuously evaluate and improve the delivery of education.
- To give participants the abilities and information necessary to properly use EMIS data for wise educational decision-making.
- To emphasise the need of including parents, teachers, and students in the CCE process in order to foster a supportive and cooperative learning environment.

#### Resource Persons :

- Dr. M . Jagadesh Assistant Professor in education
- V Eswaran Assistant Professor in Mathematics
- N Rajesh Kumar Assistant Professor in Biological Science, Sri Ramakrishna Mission Vidyalaya College of Education

#### Programme:

The first session gave a brief note about the CCE in school education and how the continuous and comprehensive evaluation motivates the students on a positive note it also plays a vital role in teachers.

Parents can easily monitor their student's progress with the help of continuous and comprehensive evaluation. This is done by the subject teachers under class teachers from the class I to VIII standard. Key Notes about CCE: The Continuous and Comprehensive Evaluation (CCE) Programme is an educational evaluation system in India that aims to assess students learning and progress throughout the academic year. It is a comprehensive system that involves both formative and summative assessment, and it is designed to provide students with continuous feedback on their academic performance.

The CCE Programme report typically includes detailed information on the student's academic performance, including their grades, attendance, and behaviour in the classroom. The report also includes information on the students strengths and weaknesses, as well as recommendations for improvement.

The CCE Programme report is an important tool for parents, teachers, and students themselves to track progress and identify areas for improvement. It is designed to be

  
Principal  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

user-friendly and easily understandable, with clear explanations of each assessment category and the criteria used to evaluate students.

#### **Keynote about EMIS:**

EMIS stands for Education Management Information System. It is a computer-based system designed to manage and analyze education-related data. The following are key points about EMIS:

EMIS is a tool that helps education systems collect, manage, and analyze data related to education. This data can include information about student enrollment, attendance, academic performance, teacher qualifications, and school infrastructure. EMIS can help education authorities make informed decisions about resource allocation, policy development, and program planning. By analyzing data on student performance and school infrastructure, for example, authorities can identify areas where resources are needed and make informed decisions about funding allocation. EMIS can help schools and education authorities identify at-risk students and develop targeted interventions to support their academic success. By tracking attendance and academic performance, for example, schools can identify students who may need additional support and provide them with targeted interventions such as tutoring or counseling.

EMIS can help education systems monitor progress toward national education goals and targets. By collecting data on key education indicators such as student enrolment and completion rates, authorities can track progress toward national education targets and identify areas where additional efforts are needed.

EMIS can improve transparency and accountability in education systems. By making data on education outcomes and resource allocation publicly available, authorities can be held accountable for their decisions and actions, and stakeholders can advocate for improvements in education policy and practice.

Overall, EMIS is an important tool for managing and analyzing education-related data, and can help education systems make informed decisions about resource allocation, program planning, and policy development.

#### **Outcomes :**

- The fundamentals of CCE are clearly understood by the participants.
- Participants gain expertise in EMIS-based data gathering and analysis.
- The importance of comprehensive student assessment is rising.

### 3. National Conference on National Education Policy (NEP-2020) Opportunities and Challenges in Teacher Education

On 2<sup>nd</sup> February 2023, second year B.Ed., Students attended the National Conference on National Education Policy (NEP-2020) Opportunities and Challenges in Teacher Education organized by Dr. NGP College of Education. The conference aimed to provide a platform for educators, policymakers, and industry experts to discuss the opportunities and challenges in teacher education under the new NEP 2020.

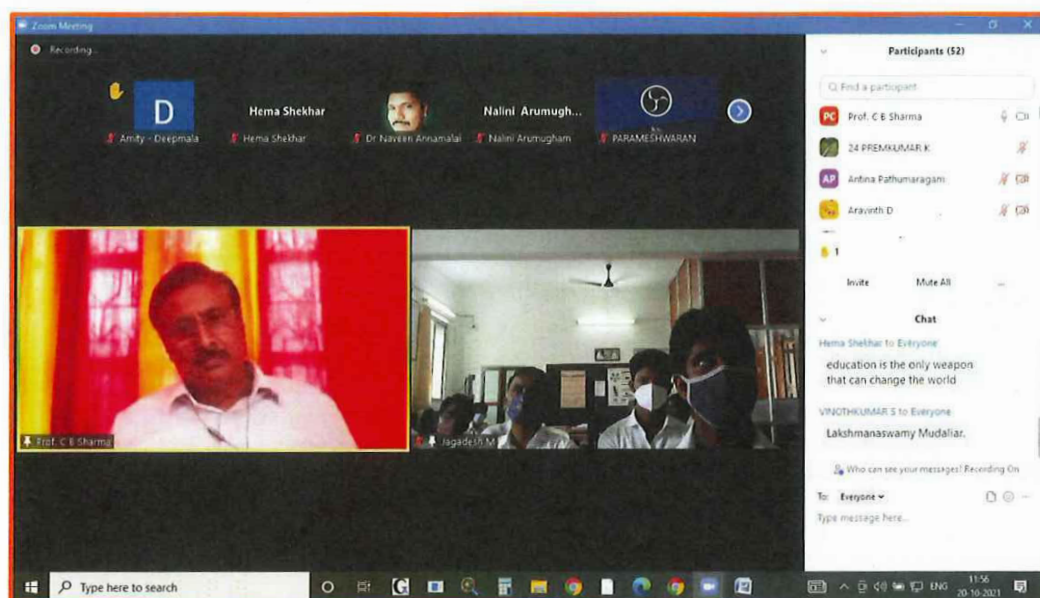

It provided a platform for me to learn from experts, understand the various challenges and opportunities in teacher education under the new NEP 2020, and network with educators, policymakers, and industry experts. The conference also provided me with an opportunity to present my research paper on the impact of NEP 2020 on teacher education. Overall, the conference was a great success and I look forward to attending more such events in the future.

### 5. Interview Guidance Programme

Sri Ramakrishna Mission Vidyalaya College of Education organized an Interview Guidance Programme through Placement Cell On February 14th, 2023, for B.Ed II Year student-teachers. Dr. Swaminathan, the placement officer of Sri Ramakrishna Mission Vidyalaya College of Education, welcomed the resource person, Sri. Yogesh Khannan, and expressed his gratitude towards him for conducting the programme. Dr. Swaminathan also took the opportunity to brief the students about the various activities of the placement cell, which include organizing campus interviews, providing job-related training, and facilitating job opportunities for students.

The aim of this programme was to provide students with the necessary skills and knowledge required to perform well in interviews. The programme was conducted by Sri. S. Yogesh Kannan, an alumnus of the institution who currently works as a Graduate Teacher in English at a Government High School in Tirupur. Sri Yogesh Kannan focused on the dos and don'ts of interviews, including interview etiquette, answering common interview questions, and making a positive first impression. He also provided valuable tips on how to handle stress and anxiety during interviews.

  
Principal i/c  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

The program was a great success and received positive feedback from the students. The Placement Cell of the college also provided further guidance and support to students who needed additional assistance with their interview preparation.

Sri. Yogesh Khannan shared his personal experiences and provided practical guidance on various aspects of the interview process. The topics covered included resume writing, body language, communication skills, and how to handle difficult interview questions. He emphasized the importance of presenting oneself effectively and professionally during the interview process, highlighting the need to be confident and articulate. The resource person also stressed the significance of researching the organization and its values before attending the interview. This would help the candidates to tailor their responses and demonstrate their suitability for the position. The Interview Guidance Programme organized by the Placement Cell was a valuable initiative for the II Year B.Ed., student teachers. It provided them with an opportunity to learn from an experienced professional and gain practical insights into the interview process. The programme is expected to enhance their employability skills and enable them to secure desirable positions in the education sector.

## 6. Orientation on mobilizing relevant and varied learning resources

On July 27th, 2022, Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) conducted an Orientation on mobilizing relevant and varied learning resources. The event aimed to equip the participants with knowledge and skills on how to mobilize resources that are relevant and varied to provide quality education to students. The event was attended by faculty members and students of the college, who were eager to learn and improve their understanding of mobilizing learning resources. The event was divided into several sessions, each handled by different resource persons.

The first session was conducted by Sri. N. Rajesh Kumar, Assistant Professor in Biological Science, who emphasized the importance of mobilizing relevant and varied learning resources in education. He explained the different types of resources that could be mobilized, such as textbooks, audio-visual aids, online resources, and hands-on materials. He also emphasized the importance of identifying the learning needs of the students before mobilizing the resources.

The second session was conducted by Sri. V. Eswaran, Assistant Professor in Mathematics, who demonstrated how to use online resources in teaching. He showed different types of online resources, such as websites, blogs, and social media, and how they could be used to provide students with relevant and varied information.

The event was a success, and participants left with a better understanding of how to mobilize relevant and varied learning resources. The practical sessions and demonstrations helped the participants appreciate the importance of using different resources to provide quality education to students. The event was a great example of how institutions can collaborate and use technology to mobilize learning resources and provide quality education to students.
