- The head of the institution conducts meetings with the faculty and directs them to ensure effective execution of evaluation process.
- Evaluation process is communicated to student-teachers through college website and syllabus.
- Evaluation process is also explained to student-teachers during the Student Induction Programme (SIP).

TIMELY FEEDBACK ON INDIVIDUAL / GROUP PERFORMANCE

Timely feedback on individual performance is done orally and also by marking the limitations on the answer scripts. With regard to group performance, oral feedback is given besides highlighting extra-ordinary responses/points. When common errors are discussed the identity of the student-teachers is not revealed. Individual guidance is offered besides necessary remedial measures. The student-teachers also sign on the corrected answer scripts, while receiving the valued answer scripts. In addition to these efforts of improving them, the mentor-mentee meeting is also arranged individually to sensitise the limitations of the student-teachers. Assignments, seminars and other submissions are corrected and returned to student-teachers with comments. All these feedback mechanisms help identifying and rectifying the errors of student-teachers.
