Deeksharambh - Student Induction Programme

Sri. S. Veerakumar, an alumnus of our College of Education who completed his Bachelor of Education programme and currently works as a Head master at Ramakrishna vidyalaya High School , Coimbatore, served as a resource person for the event. He delivered a motivation speech on freshly enrolled student. He addressed on 7th November 2023, Sri Ramakrishna Mission Vidyalaya College of Education organized a motivational speech for the newly enrolled student-teachers in the college auditorium. The objective of the speech was to inspire and motivate the students to perform their best and make the most of their time in the college.

He began by congratulating the students on their admission to the college and emphasized the importance of becoming a teacher in today's society. He also highlighted the various challenges and opportunities that come with the teaching profession and how it can be a fulfilling career path. He shared several inspiring stories of successful teachers who have made a significant impact on their students and society. He also stressed the importance of continuous learning and professional development to keep up with the changing times and evolving education landscape.

The speech was well received by the students, who were inspired and motivated to work hard and become successful teachers. They were also encouraged to take advantage of the various opportunities provided by the college, such as participating in co-curricular activities, attending seminars and workshops, and engaging in community service.

Stimulation of Analytical Thinking through Mathematics among students

Sri Ramakrishna Mission Vidyalaya College of Education has taken the initiative to conduct classes on "Stimulation of Analytical Thinking through Mathematics among students " in grades one to nine at Sri Ramakrishna Mission Vidyalaya Swami Shivananda Higher Secondary School. These classes are taught by student-teachers from Sri Ramakrishna Mission Vidyalaya College of Education and Ph.D. scholars from the Department of Mathematics at Sri Ramakrishna Mission Vidyalaya College of Arts and Science. The classes are held once a week for 45 minutes from August 2, 2022. Online analytical thinking tests are conducted twice a month to assess students' progress.

As part of the "Trainer Training Program on Stimulation of Analytical Thinking through Mathematics among School Students," held on May 19th and 20th, 2022, Sri K. Sekar, a lecturer in Mathematics at Sri Ramakrishna Mission Vidyalaya Polytechnic College, Coimbatore - 20, and an alumnus of Sri Ramakrishna Mission Vidyalaya College of Education's B.Ed. program (2010-11 batch), served as a resource person

Stimulation of Analytical Thinking through Mathematics among School Students

Sri Ramakrishna Mission Vidyalaya College of Education has initiated organising the Classes on "Stimulation of Analytical Thinking through Mathematics among School Students" for first grade students to ninth grade students of Sri Ramakrishna Mission Vidyalaya Swami Shivananda Higher Secondary School. Student-Teachers from Sri Ramakrishna Mission Vidyalaya College of Education and Ph.D Scholars from Department of Mathematics, Sri Ramakrishna Mission Vidyalaya College of Arts and Science has been handling the Analytical Thinking Classes weekly once for a period of 45 minutes duration from 02.08.2022. Analytical Thinking Tests were conducted through online mode twice in a month to assess pupils' progress.

Analytical thinking is a mode of thinking that enable pupils to successfully gather knowledge and apply it to find the best potential answers to various situations. It is the ability to deal with complex challenges by analysing and organising information. The primary goal of Analytical Thinking classes is to develop analytical thinking skill among school students through teaching Mathematical concepts. Mathematical abilities are essential because they provide structure for rationally solving problems. It helps in the conceptualisation of several areas that include verbal components such as numerical knowledge, counting, and reasoning as well as non-verbal components such as mathematical notation, reasoning in time and space, calculation, and so on.

Mathematical exercises such as puzzles, riddles, and open-ended inquiries, finding patterns, brainstorming ideas, analysing data, and making situational decisions among students were planned and executed. Application of analytical thinking components paves the way for enhancing the IQ levels. It supports the growth of pupils' critical and creative thinking. It teaches children how to think differently in a diverse range of situations. Utilisation of advanced technology in analytical classes stimulate the interest, curiosity and help pupils to familiarise Mathematical concepts easily.

An alumnus- as a member of the board of study

Sri. S. Veerakumar, an alumnus of our College of Education who completed his Bachelor of Education programme and currently works as a Head master at Ramakrishna vidyalaya High School , Coimbatore, served as a board of study committee member.

As an alumnus, one can serve as a member of the board of study in their alma mater. The board of study is responsible for developing and reviewing the academic programs and curricula offered by the institution. As a member, an alumnus can provide valuable insights and feedback based on their experiences and expertise in their respective fields. They can also contribute to the development of new programs and courses that are relevant to the current industry trends and demands. Additionally, they can help in maintaining the academic standards and quality of the institution by reviewing and revising the existing curricula and ensuring that they are up-to-date and relevant. Overall, an alumnus's role as a member of the board of study is crucial in shaping the academic programs and ensuring the institution's academic excellence.

Curriculum feedback received from Alumni:

Alumni can help develop and revise the curriculum of the institution. They can offer feedback on current programs and suggest improvements or updates to align with current educational standards and practices.

CURRICULUM FEEDBACK FROM ALUMNI (2021-2022)

The curriculum feedback from Alumni were collected using a structured questionnaire and the responses were rated on the five-point scale and analysed.

Sl. No.	Statements	Inferences
1.	The curriculum of our college provided the basic knowledge required for a teacher.	47.6 percent of alumni have strongly agreed and 52.4 percent of them have agreed the statement
2.	The learning experiences gained in our college is useful to my career.	71.4 percent of alumni have strongly agreed and 28.6 percent of them have agreed the statement
3.	The intensive English training had laid the foundation for my language efficiency.	57.1 percent of alumni have strongly agreed and 42.9 percent of them have agreed the statement
4.	The micro teaching practice helped me to gain mastery in teaching skills.	61.9 percent of alumni have strongly agreed and 38.1 percent of them have agreed the statement
5.	The course on 'Learner and Learning' helped me to understand my students properly.	61.9 percent of alumni have strongly agreed and 38.1 percent of them have agreed the statement
6.	The pedagogical courses helped me in planning for my classroom teaching.	66.7 percent of alumni have strongly agreed and 33.3 percent of them have agreed the statement
7.	Elective courses offered widened my knowledge as a teacher.	71.4 percent of alumni have strongly agreed and 28.6 percent of them have agreed the statement
8.	Value add-on courses and self-study courses are helpful to meet the challenges.	57.1 percent of alumni have strongly agreed and 42.9 percent of them have agreed the statement
9.	The TET/ TRB preparatory courses are helpful to meet the contemporary professional requirements.	57.1 percent of alumni have strongly agreed and 42.9 percent of them have agreed the statement
10.	Yoga and Physical activities leads me to care of my physical health.	47.6 percent of alumni have strongly agreed, 42.9 percent of them have agreed, and 9.5 percent of them have stated undecided to the statement

ALUMNI FEEDBACK

Name and address of the Alumni:

- 1 The Management discuss about the development of the college - Yes/No
- 2 The old students are treated with full respect by the Teachers - Yes/No
- 3 This college has enough infrastructure facilities - Yes/No
- 4 we are satisfied with the rules and regulations with the college and the steps taken by the college to maintain it - Yes/No
- 5 we are aware of the rules and regulations of the college - Yes/No
- 6 we are happy about the alumni meeting conducted every year in this college - Yes/No
- 7 The college has taken steps to make us aware of the different activities of the college - Yes/No
- 8 This college discusses the various activities that can be done to help the college - Yes/No
- 9 This college has offered life oriented education in addition to the traditional inputs to the students - Yes/No
- 10 The training inputs which is gained by us in this college is helping us in our daily life - Yes/No
- 11 The value added courses conducted by the college of education have helped us to increase our employment opportunities - Yes/No
- 12 We the Alumni of this college like this college because of the following reasons
 - This college shows interest on the overall development of the students ()
 - This college gives the spiritual Education ()
 - This college gives importance to the merit ()
 - This college gives importance to education ()
 - This college give importance to education ()
 - This college has enough infrastructure facilities to impart education ()
 - This college has lower rate of fees ()
 - The college has taken steps to increase the employment opportunities ()
 - This college conducts additional courses for the students ()
 - This college teaches Simplicity Dignity of labour ()
 - The Parents participation in the college celebrations ()

Placement advice and support

On February 14th, 2023, Sri Ramakrishna Mission Vidyalaya College of Education organized an Interview Guidance Programme through its Placement Cell for its II Year B.Ed student teachers. The aim of this programme was to provide students with the necessary skills and knowledge required to perform well in interviews. The programme was conducted by Sri. Yogesh Khannan, an alumnus of the institution who currently works as a Graduate Teacher of English at a Government High School in Tirupur.

During the programme **Sri. Yogesh Khannan** shared his personal experiences and provided practical guidance on various aspects of the interview process. The topics covered included resume writing, body language, communication skills, and how to handle difficult interview questions. He emphasized the importance of presenting oneself effectively and professionally during the interview process, highlighting the need to be confident and articulate.

The resource person also stressed the significance of researching the organization and its values before attending the interview. This would help the candidates to tailor their responses and demonstrate their suitability for the position.

Overall, the Interview Guidance Programme organized by the Placement Cell was a valuable initiative for the II Year B.Ed student teachers. It provided them with an opportunity to learn from an experienced professional and gain practical insights into the interview process. The programme is expected to enhance their employability skills and enable them to secure desirable positions in the education sector.

Principal i/c
Sri Ramakrishna Mission Vidyalaya
College of Education (Autonomous)
Coimbatore-641 020.

On February 15th, 2023, an on-campus placement drive was conducted at the College of Education for the II Year B.Ed student teachers. RKR Educational Institutions, Udumalpet participated in the placement drive. The drive aimed to provide students with an opportunity to secure employment and enhance their employability skills.

The placement drive began with a brief introduction about RKR Educational Institutions, Udumalpet, and the job profiles on offer. The participating students were then given a brief overview of the company and the job requirements. The job profiles offered were for teaching positions in various subjects, including Mathematics, Science, and Social Science.

After the initial introduction, the interested candidates were shortlisted based on their academic records, communication skills, and overall performance in the selection process. The selection process included a written test and a personal interview. Eight student teachers were provisionally selected for the available job positions. Their details are as follows:

S.No	Name	Subject
1	Vijay Karthik K	English
2	Manoj Prabhakar M	Mathematics
3	Raghul AR	Mathematics
4	Arun Kumar S	Biological Science
5	Hariharan G	Biological Science
6	Logeshwaran B	Physics
7	Pranesh M	Physics
8	Gokul Rajaprakasham S	Physics

The placement drive provided a valuable opportunity for the II Year B.Ed student teachers to secure employment and gain practical experience in the education sector. It is expected to boost their confidence and enhance their employability skills. The college is committed to organizing such placement drives in the future to facilitate better career prospects for its students.
