### Report of placement cell

Sri Ramakrishna Mission Vidyalaya College of Education organized an Interview Guidance Programme through its Placement Cell for its II Year B.Ed student teachers on February 14th, 2023. The aim of this programme was to provide students with the necessary skills and knowledge required to perform well in interviews. The programme was conducted by Sri. Yogesh Khannan, an alumnus of the institution who currently works as a Graduate Teacher of English at a Government High School in Tirupur.

During the programme, Sri. Yogesh Khannan shared his personal experiences and provided practical guidance on various aspects of the interview process. The topics covered included resume writing, body language, communication skills, and how to handle difficult interview questions. He emphasized the importance of presenting oneself effectively and professionally during the interview process, highlighting the need to be confident and articulate.

The resource person also stressed the significance of researching the organization and its values before attending the interview. This would help the candidates to tailor their responses and demonstrate their suitability for the position.

Overall, the Interview Guidance Programme organized by the Placement Cell was a valuable initiative for the II Year B.Ed student teachers. It provided them with an opportunity to learn from an experienced professional and gain practical insights into the interview process. The programme is expected to enhance their employability skills and enable them to secure desirable positions in the education sector.

  
Principal  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

On February 15th, 2023, an on-campus placement drive was conducted at the College of Education for the II Year B.Ed student teachers. RKR Educational Institutions, Udumalpet participated in the placement drive. The drive aimed to provide students with an opportunity to secure employment and enhance their employability skills.

The placement drive began with a brief introduction about RKR Educational Institutions, Udumalpet, and the job profiles on offer. The participating students were then given a brief overview of the company and the job requirements. The job profiles offered were for teaching positions in various subjects, including Mathematics, Science, and Social Science.

After the initial introduction, the interested candidates were shortlisted based on their academic records, communication skills, and overall performance in the selection process. The selection process included a written test and a personal interview. Eight student teachers were provisionally selected for the available job positions. Their details are as follows:

S.No	Name	Subject
1	Vijay Karthik K	English
2	Manoj Prabhakar M	Mathematics
3	Raghul AR	Mathematics
4	Arun Kumar S	Biological Science
5	Hariharan G	Biological Science
6	Logeshwaran B	Physics
7	Pranesh M	Physics
8	Gokul Rajaprakasham S	Physics

The placement drive provided a valuable opportunity for the II Year B.Ed student teachers to secure employment and gain practical experience in the education sector. It is expected to boost their confidence and enhance their employability skills. The college is committed to organizing such placement drives in the future to facilitate better career prospects for its students.

Feedback Proforma for Recruiting Institutions

We convey our earnest thanks for your visit to our Sri Ramakrishna Mission Vidyalaya College of Education to recruit teachers to your Institution. We are very much interested in your feedback relating to your experience with our students and the service you received from our staff. Please help us completing the following feedback form.

- Your response in the feedback form will only be used to improve our various placement activities and programmes of the college.
- We will certainly keep comments and feedback anonymous if you prefer.
- If you wish to provide verbal feedback instead, or, if you have specific issue you wish to discuss with us, please feel free to let us know.

Thank you for your assistance. We immensely value your opinion , and we look forward to seeing you again.

Yours Sincerely

Dr.G.Subramonian, Principal

-

## **Placement Cell – WhatsApp group communication**

Sri Ramakrishna Mission Vidyalaya College of Education is a renowned institution that offers quality teacher training programs. The placement cell of the college is responsible for helping students secure employment opportunities in various schools and educational institutions. In this digital age, the placement cell has taken a step forward by creating a WhatsApp group to disseminate placement notifications to on-going students and alumni members. This report aims to discuss the benefits of the WhatsApp group and how it can be effectively utilized by the placement cell.

### **Benefits of the WhatsApp Group for Placement Notifications:**

#### **Quick and Easy Dissemination of Information:**

With the majority of students and alumni members using WhatsApp, a WhatsApp group for placement notifications provides an effective and efficient way to share information about job opportunities. The placement cell can instantly notify students and alumni members about new job openings, interview schedules, and other important updates.

#### **Enhanced Communication:**

The WhatsApp group facilitates better communication between the placement cell and students/alumni members. Students can clarify any doubts regarding job opportunities or placement procedures, and the placement cell can provide guidance and support as required.

#### **Increased Reach:**

By creating a WhatsApp group for placement notifications, the placement cell can increase its reach to a larger audience. Not only can they inform the current batch of students, but they can also inform alumni members who may be interested in new job opportunities.

#### **Personalized Attention:**

The WhatsApp group enables the placement cell to provide personalized attention to each student. They can interact with students individually and offer guidance and support as required.

  
**Principal**  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

## Effective Utilization of the WhatsApp Group:

**Regular Updates:** The placement cell must ensure that the WhatsApp group is regularly updated with the latest job openings, interview schedules, and other important updates.

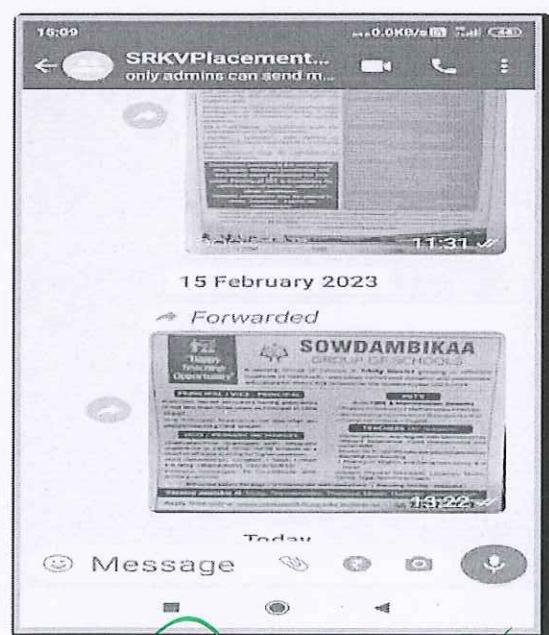

**Professional Conduct:**

The WhatsApp group should be used for professional purposes only. The placement cell should ensure that all members of the group maintain decorum and professionalism while using the group.

## Privacy:

The placement cell must ensure that the privacy of the students and alumni members is maintained. They should refrain from sharing any personal information on the group and take necessary measures to secure the group.

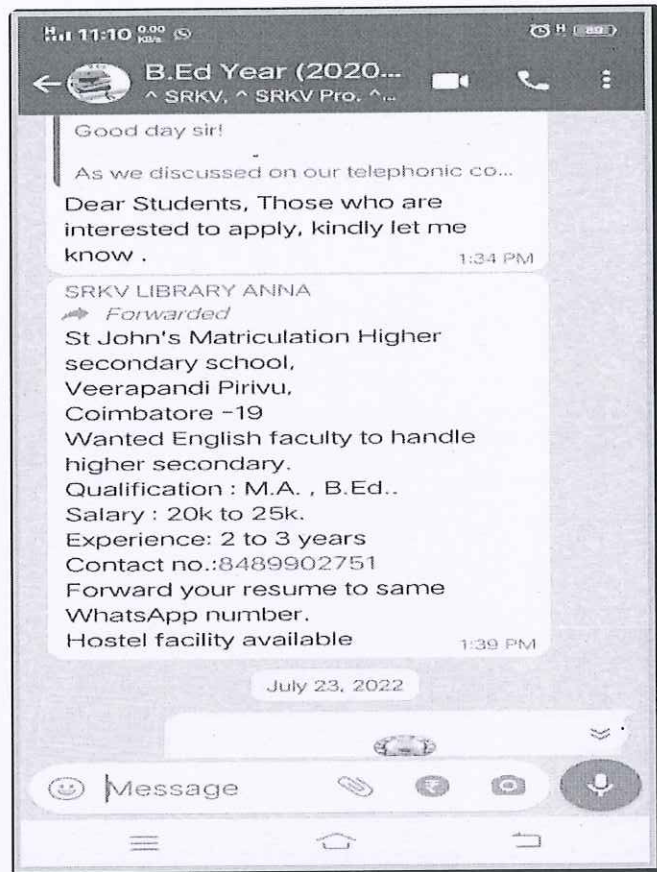

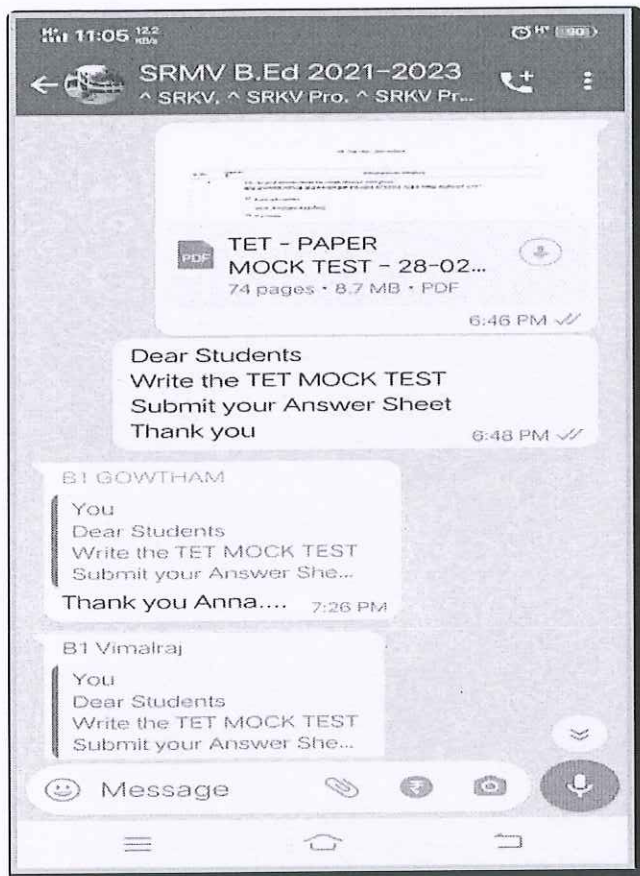

The creation of a WhatsApp group for placement notifications is a commendable initiative by the Sri Ramakrishna Mission Vidyalaya College of Education's placement cell. The WhatsApp group can help in quick and easy dissemination of information, enhance communication, increase reach, and provide personalized attention to each student. The placement cell must utilize the group effectively to ensure that the students and alumni members receive the necessary guidance and support to secure their dream jobs.

**Principal**  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

The placement cell of Sri Ramakrishna Mission Vidyalaya College of Education has created a WhatsApp group for students and alumni members who are preparing for competitive/ eligibility exams. The group aims to provide a platform for students to interact with each other, share study materials, ask doubts, and receive updates on exam notifications, schedules, and results. The placement cell hopes that this initiative will help students and alumni members to prepare better and increase their chances of success in competitive exams. The group is expected to enhance communication and offer personalized attention to students, making the exam preparation process more efficient and effective. The placement cell will monitor the group to ensure that it is used for professional purposes only and that the privacy of the members is maintained.
