Developing Critical / Analytical Thinking Skills

**SRI RAMAKRISHNA MISSION VIDYALAYA COLLEGE OF EDUCATION
(AUTONOMOUS)
Coimbatore - 641 020**

Stimulation of Analytical Thinking through Mathematics among School Students

Introduction:

Analytical thinking is a crucial skill that enables individuals to approach complex problems and challenges by breaking them down into smaller parts, analyzing them, and then putting them back together to form a solution. It is an essential skill for students to develop, as it helps them think critically and creatively, and it is useful in various academic and professional pursuits. In recognition of the importance of analytical thinking skills, Sri Ramakrishna Mission Vidyalaya College of Education initiated classes to develop these skills among school students.

Objectives:

- To promote analytical thinking skills among students from the sixth standard to the ninth standard.
- To enhance the pedagogical abilities of B.Ed. Student teachers and faculty members in delivering Mathematics education that stimulates analytical thinking.
- To create a competency-based educational approach that seamlessly incorporates analytical thinking strategies into the teaching of Mathematics.
- To establish a nurturing and participative learning setting that encourages teamwork, creativity and the development of problem-solving abilities
- To appraise students' advancements and offer them feedback by employing evaluation and feedback methods.

Methodology:

a) Curriculum Integration:

A team of Mathematics educators, and experts and analytical thinking collaborates to integrate analytical thinking skills in existing curriculum that aligns with the national educational standards and promotes higher order thinking skills. The curriculum incorporates interactive teaching methods, problem-solving activities, and real-world applications of Mathematics.

b) Teacher Training:

Student teachers and faculty members received specialized training in instructional strategies that foster analytical thinking in Mathematics. The training included periodical workshops and orientations to equip teachers with the necessary skills to implement the programme effectively.

c) Implementation:

The programme implemented in campus schools, covering students from the first standard to the ninth standard. Teachers deliver the curriculum using a student-centered approach, encouraging active participation, critical thinking and analytical reasoning. The lessons designed to engage students in challenging problem-solving tasks and promote higher-order thinking skills.

d) Assessment and Feedback:

Ongoing assessment tools, such as formative and summative assessments, utilized to monitor students' progress and provide feedback.

The primary goal of Analytical Thinking classes is to develop analytical thinking skill among school students through teaching Mathematical concepts. Mathematical abilities are essential because they provide structure for rationally solving problems. It helps in the conceptualization of several areas that include verbal components such as numerical knowledge, counting and reasoning as well as non-verbal components such as Mathematical notation, reasoning in time and space, calculation, and so on.

Mathematical exercises such as puzzles, riddles, and open-ended inquiries, finding patterns, brainstorming ideas, analysing data, and making situational decisions among students were planned and executed. Application of analytical thinking components paves the way for enhancing the IQ levels. It supports the growth of pupils' critical and creative thinking. It teaches children how to think differently in a diverse range of situations. Utilization of advanced technology in analytical classes stimulates the interest, curiosity and helps pupils to familiarize Mathematical concepts easily.

Phase I : Trainer Training Programme:

Regular Trainer's Training Programme on Stimulating Analytical Thinking through Mathematics is conducted for student teachers and question paper setters. The Programme coordinated by Sri. V. Eswaran, Assistant Professor in Mathematics and organized by the Internal Quality Assurance Cell, Sri Ramakrishna Mission Vidyalaya College of Education.

The programme has been designed to introduce teaching strategies and syllabus related to stimulating analytical thinking through Mathematics. It will cover various topics including the introduction to Moodle (LMS), hands-on training in Google Sheet, Google quiz and question bank preparation using various resources. The aim of the programme is to equip Student – teachers and Research scholars with the necessary skills and knowledge to promote analytical thinking and problem-solving abilities among school students through Mathematics.

Phase - II : Implementation of Programme

Sri Ramakrishna Mission Vidyalaya College of Education initiated organising the Classes on "Stimulation of Analytical Thinking through Mathematics among School Students" for sixth grade students to ninth grade students of Sri Ramakrishna Mission Vidyalaya Swami Shivananda Higher Secondary School. Student-Teachers from Sri Ramakrishna Mission Vidyalaya College of Education and Ph.D Scholars from Department of Mathematics, Sri Ramakrishna Mission Vidyalaya College of Arts and Science has been handling the Analytical Thinking Classes weekly once for a period of 45 minutes duration. Analytical Thinking Tests were conducted through online mode twice in a month to assess pupils' progress. The programme coordinated by Sri. V. Eswaran, Assistant Professor in Mathematics.

Beneficiaries:

Following is the number of students benefited from stimulation of Analytical Thinking through Mathematics.

Class	Boys	Girls	Total
VI	122	56	178
VII	113	38	151
VIII	132	38	170
IX	162	72	234
Total	529	204	733

Impact:

The analytical thinking classes organized by Sri Ramakrishna Mission Vidyalaya College of Education helped students develop analytical thinking skills. The online analytical thinking tests conducted twice a month helped assess the progress of students. The students have shown improvement in their analytical thinking skills, which is evident from the progress shown in the analytical thinking tests conducted online.

Principal i/c

Moreover, the classes also helped students in enhancing their IQ levels, which will be helpful in their future academic and professional pursuits. Analytical thinking skills help students to think critically and creatively, which is essential in various areas of their life. By developing analytical thinking skills, students will be able to tackle challenges with more ease, which will help them achieve their goals. The use of advanced technology in analytical classes has made the classes more interesting and engaging for students. The students were introduced to new tools, such as educational apps, that allowed them to learn and practice analytical thinking skills in a funny and interactive way. By incorporating technology, the classes were able to stimulate the interest and curiosity of students, which helped them familiarize themselves with Mathematical concepts more easily.

Roles and Responsibilities:

Sri. V. Eswaran, as the coordinator of the programme, played a crucial role in planning, organizing, and overseeing its execution. The B.Ed. student teachers (Mathematics and Physical Science) from Sri Ramakrishna Mission Vidyalaya College of Education actively participated in the programme by conducting analytical thinking classes for the students. Mathematics student teachers were responsible for preparing the analytical thinking question papers and conducting online tests. Their efforts were closely guided and supervised by Sri. V. Eswaran, Assistant Professor in Mathematics.

Outcomes of the Programme:

- Improved analytical thinking skills among school students and student teachers leading to enhanced problem-solving abilities and critical thinking.
- Increased engagement and motivation among students due to the interactive and challenging nature of the curriculum.
- Strengthened Mathematical foundations, as students learn to apply analytical thinking strategies to solve complex problems.
- Enhanced pedagogical skills of student teachers, resulting in more effective delivery of Mathematics education that stimulates analytical thinking.

Report on

ACTIVE LEARNING SCALE-UP PROGRAMME

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous), Coimbatore has initiated "Active Learning Scale-up Programme" from January 2022 in Collaboration with Ek Kadam Aur Foundation, a non-profit charitable organization registered in the US since 2015 and India since 2017.

Objectives of the Programme

- To prepare student centered Active Learning Lesson Plans for high school level.
- To train teachers and students understand and implement the Active Learning methods and strategies in curriculum transaction.
- To create a robust and comprehensive Active Learning model for high schools supported by good quality videos of Active Learning in practice.
- Reinspire students to appreciate learning, and develop true passion for education within themselves.

Meetings Held for Discussion

A preparatory meeting was held on January 26, 2022 for exchange of ideas and conceptual understanding of Active Learning and similar practices already implemented at the college. A recurring meeting on the first Saturday of each month was initiated on March 5, 2022. Each monthly meeting is preceded by a prior meeting wherein the members set agenda for the upcoming meeting. Regular virtual meetings are held to ensure sustained progress of the program.

To launch the Collaboration between Ek Kadam Aur Foundation (EKAF) and the Sri Ramakrishna Mission Vidyalaya College of Education, an in-person meeting was held on July 4, 2022, in the Central office of Ramakrishna Mission Vidyalaya in the presence of Swami Garishthananda Maharaj, the Secretary, Ramakrishna Mission Vidyalaya, Coimbatore in which Dr. Satish Tripathi, Founder-President, EKAF and

Mr. Mohan Rao, Programme Coordinator participated from EKAF, and Principal and Faculty members have participated from College of Education. Dr. Satish Tripathi, and Mr. Mohan Rao reiterated the importance of ALSP and discussed its core features and details of outcome from the Foundation's experience in Sitanagaram, Andhra Pradesh. The members from College of Education also explored the need for technological interventions and subject-specific laboratories for Mathematics, Sciences, Social Science and English respectively. Discussion were made on establishing Education Studio and upgradation subject specific laboratories for robust implementation of Active learning Programme at College of Education with the financial support of EKAF. It was decided that 10 schools would participate in the pilot for ALSP including 4 schools in Ramakrishna Mission Vidyalaya campus. On July 5, 2022, Mr. Mohan Rao visited the College and discussion were made on the programme with faculty members from College of Education.

The faculty members from College of Education actively engaged in regular recurring meetings and scale-up meetings with members of EKAF and Teachers in the Avenues World School, Sao Paulo, Brazil. The teachers from the Avenues world school namely Ms. Allison Uros and Ms. Clara Prado have engaged in the monthly recurring meetings and shared their experiences on various active learning strategies and methodologies followed in Avenues Schools. Based on the discussions made in the meetings, the Active Learning practices have been adopted in Mathematics and Science subjects in which high school students in Vidyalaya engaged in active learning classes handled by Faculty members of College of Education.

Signing of Memorandum of Understanding (MoU)

The Memorandum of Understanding (MoU) between Sri Ramakrishna Mission Vidyalaya College of Education and Ek Kadam Aur Foundation (EKAF) on the project "Active Learning Scale-up Programme" was signed on 17th March 2023 through online Zoom Meeting. Swami Garishthananda Maharaj, Secretary, Ramakrishna Mission Vidyalaya, Coimbatore, Dr. Satish Tripathi, Founder-President, EKAF, Dr.G.Subramonian, Principal, Sri Ramakrishna Mission Vidyalaya College of Education and Ms. Saumya Tripathi, Associate Director of EKAF were signed in the MoU.

Report of Basic Scout Masters Training Camp 2022 - 2023

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) conducted a seven days Basic Scout Masters Training Camp from 15.04.2023 to 21.04.2023 at our college campus in association with the Kongu Mandala District Scouts and Guides Association, Bharat Scouts and Guides, Coimbatore - 20. Every year we are conducting Basic Scout Master Training Camp for the benefit of our students. Scouts also experience personal growth by applying their skills and creativity through service.

At camp, Scouts gain a positive sense of self-worth and usefulness by applying their creativity and skills - helping teach others, working together, cleaning their campsite, and doing other service projects throughout the week. In total Thirty Eight students are participated in the camp. Kongu Mandala District Scouts and Guides Association office barriers Sri. B. Sivakumaran, Leader of the Camp, Sri. R. Lakshmanan, Scout Master and Sri A, Bhaskaran, Scout Master conducted the Scout camp.

The following topics were taught to students, History of Scouts and Guides, Motto, Salutations, Structure of the Scouts, Procedures to start the scout unit in the school, Marchpast, Action Songs, different type of games, etc. Apart from the scouting skills, they learned many social skills such as Leadership Quality, Co-ordination, Co-operation, Body Fitness, Helping other etc. The camp concluded with Investiture ceremony and Flag Lowering on 21.04.2023.

REPORT OF THE ANNUAL SPORTS DAY FOR THE YEAR 2022-23

Sri Ramakrishna Mission Vidyalaya College of Education organized the annual sports meet on 10.02.2023, at the Faculty of General and Adapted Physical Education and Yoga, Ramakrishna Mission Vivekananda Educational and Research Institute Athletic Track. The events were well recognised by the participation of students from both B.Ed first year and second year courses.

The sports meet featured a range of athletic track and field events, including 100 meters, 200 meters, 400 meters, and 1500 meters races, and field events such as long jump, shot put, discus throw and javelin throw. The students who participated displayed their skills and talents in front of their peers, teachers and other officials.

The atmosphere at the sports ground was electric, with students cheering for their respective teams and participants. The sports meet lasted for the whole day, with a lunch break in between to provide students with some rest and rejuvenation. After the completion of all events, the students were assembled, and the National Anthem was played. The Master of Physical Education students of Sri Ramakrishna Mission Vidyalaya Maruthi College of Physical Education acted as officials in the athletic meet, ensuring the smooth running of the event.

Overall, the sports meet was a great success, providing a platform for students to showcase their talents and skills. The event helped promoting physical fitness and healthy competition among the students. The sports meet was a great opportunity for students to engage in healthy competition, the spirit of sportsmanship and teamwork were evident throughout the event. A total of 38 students participated in the athletic events. In conclusion, Sri Ramakrishna Mission Vidyalaya College of Education's annual sports meet was a resounding success, providing an opportunity for students to showcase their athletic abilities and promoting a culture of physical fitness and healthy competition among the student community.

Report of Swachh Bharat Activities

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) conducted a Scout Camp from 16.04.2023 to 21.04.2023. Among these days we planned one Trekking cum Swachh Bharat Activity at Aranganathar Temple, Palamalai, Coimbatore on 19.04.2023. We obtained prior permission from both the Forest Office and Temple In-charge, who generously agreed to provide lunch for our group.

On 19th April 2023 morning 8:15 am, we started from the college using buses and bikes. We reached at Palamalai Hill approximately 9.15 am and parked vehicles before gathering together. In total 42 members (38) students, Sri. B. Sivakumaran, Scout Leader, Sri. R. Lakshmanan, Scout Master, Sri A. Bhaskaran, Scout Master and Dr. S. Sivasankar Camp Coordinator reached the Palamalai. Two Forest Department Staff, Mr. Marimuthu (Forest Guard, Forest Range Office, Periyanaickenpalayam) and Mr. Sakthivel (Forest Guard, Forest Range Office, Periyanaickenpalayam), provided a brief orientation about forest and nature of Wild animals.

After that students were divided into many groups and separate area allotted to each group for clean. Scout Masters also joined along with the students and involved in the Swachh activities for about 2 hours. In total, we cleaned 4.5 km of the hill's road and the temple premises, collecting 15 large bags of plastic and Glass bottles, and other waste materials.

Campus Cleaning (Swachh Vidyalaya)

Clean Campus promotes Hygiene; it improves hygiene level in campus and also helps reduce the spread of sickness, maintaining a clean college environment sets a good example to students. Cleanliness encourages learners to take pride in their college, which makes them less likely to drop litter and as such they will potentially make a bigger effort to maintain their environment. Cleanliness gives rise to a good character by keeping body, mind, and soul clean and peaceful. Maintaining cleanliness is the essential part of healthy living because it is the cleanliness only which helps improving our personality by keeping clean externally and internally.

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) conducted Campus Cleaning (Swachh Vidyalaya) activities twice in a month. The students teachers cleaned the play grounds, garden area and areas around the college.
