## **Consolidated Report on Teachers' Conventions**

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) has initiated organising a series of two-day Teachers' Convention for teachers from grass root level to Higher Education on 26.08.2022 aiming at developing the overall personality of teachers by providing value-based educational training. Since teachers are the strongest pillars of society, they should be encouraged and empowered with the right knowledge, skills, competence, attitude and values that would enable them to meet the demanding and challenging needs of the ever-changing society. Considering the significance, the College of Education organised a series of Five Teachers' Conventions to facilitate teachers to strengthen their mind, expand their intellect and inculcate value-based character, that could be transferred to nurture their students as well.

The two-day programme includes value-based lecture sessions, interactive sessions, and observational learning sessions. The following are the major topics discussed under the three heads.

### **I. Value-Based Lecture Sessions**

- Ethics from the Ramayana and the Mahabharata
- Swami Vivekananda on the Role of a Teacher

### **II. Interactive Sessions**

- Educational Amelioration in India
- Active Learning Methods in Teaching
- தமிழ் மொழி பற்றிய அடையாளங்கள்
- Technology in Teaching (Introduction of Augmented Reality in Teaching)
- Cyber Security: Challenges and Solutions

### **III. Observational Learning Sessions**

- Visit to Indian Cultural Heritage Exhibition
- Visit to Special Education and Adapted Sports institutions.

Principal

Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

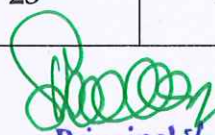

## Objectives

- To illuminate the profound ethical principles, values, and moral lessons embedded in the Indian epics the Ramayana and the Mahabharata and to apply those values in the teaching and learning process and in modern life.
- To explore Swami Vivekananda's perspective on the significance, responsibilities, and impact of teachers in society.
- To engage teachers in a discussion about the advancements in the Indian educational system, and to introduce various active learning techniques in curriculum transaction.
- To provide hands-on experience in the application of digital tools like Virtual Reality, Augmented Reality and other mobile-based applications in the teaching and learning process.
- To create awareness of cybersecurity among the teachers.
- To explore the richness and significance of Tamil Language.
- To recognise the significance of India's cultural heritage and Indian freedom struggle.
- To expose the infrastructural and instructional facilities, available and employed in Special Education and adapted sports settings.

## Details of the Programmes Organised

Series	Nature of the Programme	Dates	Number of Schools Participated	Number of Teachers Benefitted
I	Non- residential	26.08.2022 & 27.08.2022	9	36
II	Non- residential	28.10.2022 & 29.10.2022	11	31
III	Residential	26.12.2022 & 27.12.2022	1	67.
IV	Residential	28.12.2022 & 29.12.2022	1	37
V	Residential	15.05.2023 & 16.05.2023	1	54
Total			23	225

## Outcomes

The teachers (participants)

- developed a deeper understanding of ancient Indian ethical values and principles and followed those principles in their profession and life as well.
- recognised the role of teachers and their responsibility in shaping the minds of students and society.
- gained a comprehensive understanding of educational advancement and equipped with the application of innovative active teaching-learning strategies in their classrooms to improve students' outcomes.
- gained hands-on experience with digital tools and trained to incorporate them in teaching-learning contexts.
- equipped with a deeper understanding of cybersecurity threats and strategies to ensure the safe use of digital platforms.
- realised the richness and significance of Tamil as a classical language.
- comprehended the richness of India's cultural heritage and Indian freedom struggles, and encouraged to integrate their insights into educational practices.
- developed a deeper understanding of the importance of Inclusive Education and adapted sports, also inspiring them to create more inclusive environments in their schools.

**ALUMNI MEETING - 2023**

The report summarizes the proceedings of the Alumni Meeting held on 14th May 2023 at Sri Ramakrishna Mission Vidyalaya College of Education. The meeting aimed at bringing together former students to reconnect, share experiences, and discuss the college's developmental and social initiatives. The event featured esteemed speakers, including Dr. G. Subramonian and Dr. S. Alagesan, who addressed the attendees, emphasizing the importance of maintaining the college's traditions and fulfilling their social responsibilities as educators. Dr. G. Subramonian, Principal of Sri Ramakrishna Mission Vidyalaya College of Education delivered the welcome address. He expressed his gratitude to all the alumni for their presence and highlighted the significance of their contribution to the growth of the institution.

Dr. S. Alagesan, Director of Swami Vivekananda Cultural and Heritage Centre, delivered a special address during the meeting. He shared insights into the developmental and social initiatives undertaken by Sri Ramakrishna Mission Vidyalaya College of Education. Dr. Alagesan emphasized the importance of alumni participation in these initiatives and urged them to contribute their skills and expertise for the betterment of society. He stressed that teachers have a social responsibility and encouraged alumni to uphold the values they learned during their time at the college.

Several alumni members took the opportunity to share their experiences during the meeting. They highlighted the positive impact the college had on their personal and professional lives. The Alumni spoke about how the college's teachings and values helped shape their careers as educators. Their testimonials served as an inspiration to current students and reaffirmed the college's commitment to producing socially responsible teachers.

## Competitive Exam Coaching (TN-TET/ TRB/CTET) 2023

### Programme

The event began with a warm welcome address by Logeswaran B, a second-year student-teacher. He extended a hearty welcome to all the esteemed guests, including Rev. Secretary Maharaj, Principal Anna, faculty members, non-teaching staff, and fellow student-teachers. His introductory remarks set the tone for the informative session ahead.

Dr. G. Subramonian, Principal of Sri Ramakrishna Mission Vidyalaya College of Education, Coimbatore, delivered the presidential address. In his speech, he emphasized the significance of competitive exams in the field of education and encouraged aspiring teachers to clear these exams with dedication and perseverance. His insightful words motivated the audience and underscored the importance of the day's program.

### General Overview of Competitive Exams:

A comprehensive overview of key competitive exams was provided to the attendees:

#### a. Tamil Nadu Teachers Recruitment Board (TRB):

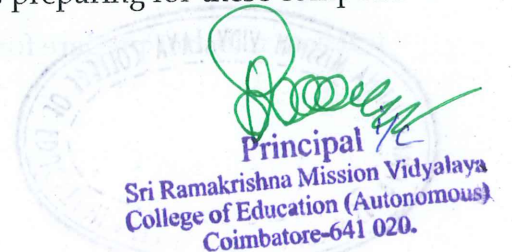

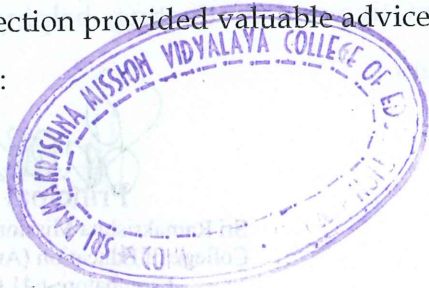

This section explained the role of TRB in recruiting teachers for different levels, from Primary Teachers (Class I to V) to Upper Primary Teachers (Class VI to VIII) in various subjects. The session highlighted the nuances of eligibility criteria, exam patterns, syllabi, and the application process, all of which can vary based on specific recruitment notifications.

#### b. Central Teacher Eligibility Test (CTET):

The presentation provided insights into CTET, a national-level eligibility test conducted by CBSE. It caters to teachers in Central Government Schools (Kendriya Vidyalayas) and schools under Union Territories. The exam structure for Paper-I (Classes I to V) and Paper-II (Classes VI to VIII) was detailed, along with the subjects tested.

### Preparation Guidelines:

This section provided valuable advice to B.Ed. students preparing for these competitive exams:

**Understand the Exam Pattern and Syllabus:** A detailed understanding of the exam structure and syllabus is essential to plan preparation effectively.

**Collect Study Materials:** Gathering relevant study materials, textbooks, and previous years' question papers was emphasized. Additionally, the use of preparation guides and online resources was recommended.

**Create a Study Plan:** Attendees were encouraged to devise a study schedule that allocates time wisely for each subject and topic.

**Practice Mock Tests:** Regular mock tests and solving previous years' question papers were suggested as a means to gauge the exam's difficulty level and improve time management.

**Stay Updated:** It was highlighted that staying informed about official notifications and any changes to the exam pattern and eligibility criteria is crucial for successful preparation.

#### **Mock Test:**

N Rajesh Kumar, Assistant Professor in Biological Science, conducted a detailed presentation on the Teacher Eligibility Tests (TET), TRB, and CTET exams. He provided a comprehensive understanding of the syllabus, exam patterns, and marking schemes for the Tamil Nadu Teacher Eligibility Test (TNTET), emphasizing that B.Ed. students are eligible for TET Paper-I. Following the presentation, a mock test was administered using the Quizizz online platform, where students used their mobile devices to participate.

#### **Mock Test - Quizizz:**

The mock test, facilitated by N Rajesh Kumar, was conducted using the Quizizz online platform. The test consisted of 20 questions related to educational topics, and all students actively participated using their mobile apps.

The awareness program was a significant success, as it not only provided valuable insights into competitive exams but also allowed students to practice their knowledge through the mock test. The event was informative and motivating, helping aspiring teachers to better prepare for their future careers.

### **Report of Basic Scout Masters Training Camp 2022 - 2023**

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) conducted a seven days Basic Scout Masters Training Camp from 15.04.2023 to 21.04.2023 at our college campus in association with the Kongu Mandala District Scouts and Guides Association, Bharat Scouts and Guides, Coimbatore - 20. Every year we are conducting Basic Scout Master Training Camp for the benefit of our students. Scouts also experience personal growth by applying their skills and creativity through service.

At camp, Scouts gain a positive sense of self-worth and usefulness by applying their creativity and skills - helping teach others, working together, cleaning their campsite, and doing other service projects throughout the week. In total Thirty Eight students are participated in the camp. Kongu Mandala District Scouts and Guides Association office barriers Sri. B. Sivakumaran, Leader of the Camp, Sri. R. Lakshmanan, Scout Master and Sri A, Bhaskaran, Scout Master conducted the Scout camp.

The following topics were taught to students, History of Scouts and Guides, Motto, Salutations, Structure of the Scouts, Procedures to start the scout unit in the school, Marchpast, Action Songs, different type of games, etc. Apart from the scouting skills, they learned many social skills such as Leadership Quality, Co-ordination, Co-operation, Body Fitness, Helping other etc. The camp concluded with Investiture ceremony and Flag Lowering on 21.04.2023.

### Report

#### Workshop on Information and Communication Technology for Inclusive Education

A one-day workshop on Information and Communication Technology for Inclusive Education (Universal Design for Learning) was organised by Sri Ramakrishna Mission Vidyalaya College of Education on 28<sup>th</sup> April 2023 (Friday). The main objective of the workshop was to explore the transformative factors in classroom practices that support inclusion with Information and Communication Technology. The programme started with invocation by Sri. R. Amarnath Venkatraman, Music Teacher (Performing Arts) of the College. Sri M. Poornachandran, B.Ed. I Year Student-teacher welcomed the gathering. Dr. G. Subramonian, Principal of the College delivered the Presidential Address. Sri S.Shankar Subbiah, Consultant in Agate Infotek, Specialist in Assistive Technology and Accessibility, Chennai acted as a Resource Person. His session focused on workshop practices that enhance the skills of teachers in schools and educational institutions. He discussed the topics on Multi-tiered System of Support (MTSS), Rights of Persons with Disability Act (2016), National Skill Development Corporation (NSDC), Sector Skill Council for Persons with Disability (SCPWD), NCERT's PRASHAST Application, and Unique Disability Identity Card (UDID). He also highlighted the importance of ensuring accessibility in school infrastructure for students with disabilities.

In the second session he discussed different types of disabilities among school students and the corresponding teaching remedies. The session explored various applications and schemes designed for persons with disabilities. The disabilities covered included visual impairments, hearing impairments, gross motor skill difficulties, and fine motor skill difficulties. The resource person shared insights into screening processes, software applications, assistive devices, and tools to support students with that included Tactile Graphics, Talkback, Braille Machines, EPUB3 Reader, Smart Cane, JAWS, and NVDA.

  
Principal i/c

Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

In the afternoon session practical demonstrations of Braille instruments and applications for visually impaired students were discussed by which the participants learned about handling Braille gadgets and explored ways to teach visually impaired students effectively. Additionally, the session delved into assessments of gross motor skills and fine motor skills. Various assistive devices such as exoskeletons, Sym biotic Leg, and capturing apps were introduced to aid individuals with mobility difficulties. Finally, Sri. R. Prabathasuriyan, B.Ed. I Year Student-teacher proposed vote of thanks. The programme ended with National Anthem at 4.00 p.m. From this workshop all the student-teachers get to know about the information of disability students along with the scheme and technology available for them to make involve them self in education as well as physical work.

**Report of Orientation Programme on First aid**

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) conducted a workshop on "First Aid" on 06.04.2023 at Sports Medicine Lab, Faculty of General and Adapted Physical Education and Yoga, Ramakrishna Mission Vivekananda Educational and Research Institute.

Sri. J. Vishnu, B.Ed I Year student-teacher delivered the welcome address and introduced the resource person, Dr. A. Sathyamoorthy, Sports Physiotherapist to the forum. Then the resource person handled the sessions effectively. He explained and demonstrated about first aid techniques. The programme is typically designed to teach participants the basic principles of administering first aid in emergency situations. The session included both theoretical and practical sessions to ensure that participants have a comprehensive understanding of the concepts.

The topics discussed in the theoretical session:

- Understanding the role and importance of first aid in emergency situations
- The different types of injuries that can occur and their associated risks
- The basic principles of assessing and managing emergencies
- The appropriate use of first aid equipment and supplies
- Communication skills and techniques required during emergencies.

Practical sessions included the following:

- Hands-on training in performing basic life support techniques such as CPR
- Demonstrations of how to administer first aid for common injuries such as cuts, burns and fractures
- Role-playing exercises to simulate emergency situations and practice effective communication and team work.

  
Principal i/c  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

- Participants learnt about specialized first aid techniques, such as administering first aid to children or elderly individuals, and how to respond to emergencies in specific environments, such as in the workplace or in outdoor settings.

Overall, the programme equipped participants with the knowledge and skills required to respond to emergency situations effectively. They were encouraged and motivated to respond to emergency situations and potentially save lives.

At the end of the programme Sri. S. Logeshwaran, B.Ed II Year student teacher proposed vote of thanks and the programme ended with National Anthem.

(Organised by General & Adapted Physical Education and Yoga (GAPEY)  
Ramakrishna Mission Vivekananda Educational and Research Institute)

Sri Ramakrishna Mission vidyalaya college of Education Student Teachers participated in the unified play festival on 24.02.2023 organized by GAPEY to get awareness about Adapted Physical Education and Yoga of differently abled persons.

### Unified Play Day

The awareness about the problems and uniqueness of the differently abled has been included in all the areas of Education including research. Children and young people with disabilities continue to be one of the most disadvantaged groups in all our societies. Accepting them as they are and knowing what to-do for them is quite different thing of course. Keeping this context in mind, a set of training practice was designed exclusively for the Persons with Disabilities (PWD) who will partner with the normal students of their age. The peer group centred programme, a quality practice, "Unified Sports" an offshoot of Special Olympics which has proven efficacy in improving social interaction, confidences and self-esteem of special children.

For more than fifteen years, our faculty (GAPEY) has been dedicated to provide unified mode of sports training and conduct adapted sports competition for persons with disabilities. It is a massive inclusive extension programme organized for more than 500 students every year. Functional skills of differently abled children are developed through physical activities. The teacher trainees who are trained in conducting adapted games and sports for the disabled are empowered to offer such training during their internship. The differently abled children studying in inclusive and special schools of the age group 12 - 17 years are included in the training programme. In inclusive schools, this training is provided to both differently abled and non-disabled children spread over to 20 days. After training, they are brought to the institution for exhibiting their skills before the audience.

## Unified Play Day (UPD)

The main objective of the Unified Play Day (UPD) is to provide a multifactorial approach towards children with disabilities by providing them equal opportunities that are enjoyed by the normal children. Moreover, the Unified Play Day being a social gathering of large number of parents of children with disabilities, is a platform for interaction among them. They also get an opportunity to observe various proven therapies helpful to children with disabilities and interact with specialized experts of these therapeutic tools and exchange notes with other parents using these therapies. For experts, it is a great opportunity to observe children with disabilities of various categories at one place and to learn home or traditional remedies being practiced by many parents. For children, the UPD is a unique outdoor excursion and learning experience through play, yogic asanas, hand kerchief, mirror exercises, etc., conducive to their physical and mental well-being.

The Unified Play Day programme includes the following activities:

1. Group demonstration of Yoga, Flag drill, Hoops drill, Pyramid and Kerchief drill
2. Play therapy, Physiotherapy, Water therapy and Music therapy
3. Sports Competition in Bocce & 5-a side football (ID), Adapted Volleyball (VI) and Throw ball (HI).

In conclusion, participating in events like the unified play day can help student teachers learn more about Adapted Physical Education and Yoga for differently-abled individuals, and can also raise awareness about the importance of inclusivity and accessibility in Education. It is important for future teachers to have a broad understanding of the needs of all their students, and events like this can help them gain that understanding.

## Towards Digital Proficiency

Digital competence is among the basic key competencies for digital learning and employability. For this reason, its acquisition and development should be on the agenda of higher education institutions (HEIs) who wish to prepare their students to thrive in an ever faster evolving digital labour market. Digital competence is critical for higher education students to benefit from digital learning, strive in a digital society and increase employability prospects.

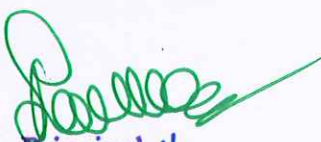

Keeping this core aspect in mind, Sri Ramakrishna Mission Vidyalaya College of Education attempts to design, develop, and deliver the core digital competencies among students, teachers and all its stakeholders in both school and higher education institutions. The key feature of this initiative is to create a knowledge hub, where students, teachers and administrators can be a part of learning experiences which happens inside and outside Vidyalaya Campus.

A core team comprising the Secretary of Vidyalaya Institutions and Faculty from College of Education, College of Arts and Science, College of Physical Education, RKMVERI - DCS, Technical and Website maintenance team is formed. Learning materials, access to Learning Management System of Vidyalaya institutions, access to NPTEL & SWAYAM, e-content prepared by teachers and curated content are shared among the students and teachers of Vidyalaya institutions through a dedicated website. A single access point shall be created for ease of use. The main functions of the core team will be to design, develop, and deliver Literacy, Fluency and Mastery.

### Objectives of Towards Digital Proficiency Committee are to

- Develop digital competency among teachers Creating a learning hub where students, teachers and parents can be a part of the hub.
- Create access to students learning materials for both school and higher education institutions.
- Disseminate information regarding articles and recent happenings in the field of Education.
- Progress from Literacy to Fluency and achieve Mastery in digital competency.

Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

### Impact of the initiative

School and Higher education institutions could benefit from such an initiative as a diagnosis to design specific teaching and learning strategies and target students' proficiency and particular needs. The learning resources can be a vital source of academic materials in digital format. The initiative can be adopted by different stakeholders to assess students/future job seekers' digital competence.

### Report

#### Unnat Bharat Abhiyan (UBA)

Unnat Bharat Abhiyan (UBA) is a Unique National level initiative by the Ministry of Education, Government of India with the vision to involve professionals and higher educational institutions in the development process of rural areas of the country to achieve sustainable development and better quality of Life. Indian Institute of Technology, New Delhi, has been designated as the National Coordinating Institute by the Ministry.

Sri Ramakrishna Mission Vidyalaya College of Education applied for UBA project and the National Coordinating Institute has approved our college as one of the Participating Institutes in May 2022 and sanctioned Rs. 50,000 for the project.

Sri Ramakrishna Mission Vidyalaya College of Education identified the following five villages from Coimbatore District and the same was approved by the District Collector, Coimbatore. The assigned task involves in studying, assessing various needs of the selected villages and to extend services based on their needs.

1. Keeranatham
2. Marudur
3. Belladhi
4. Agraharasamakulam and
5. Tholampalayam

#### II. List of Activities

##### II. i. Sensitisation of UBA to Panchayat President

A programme was organized on 8<sup>th</sup> October 2022 to sensitise the village panchayat presidents on Unnat Bharat Abhiyan and various social welfare schemes offered by the Central Government and State Government. The Member of Legislative Assembly from Kavundampalayam, President from Gudalur Municipality and presidents from 21 panchayats participated.

## II.ii. House Hold Survey

As per the guidelines of the UBA, Our College has successfully conducted house hold survey to find out various needs of the public in the following villages.

S.No	Name of the Village	No of Days	Date of the Survey
1	Keeranatham	2	09.03.2023 & 10.03.2023
2	Marudur	1	12.02.2023
3	Belladhi	1	12.02.2023
4	Agraharasamakulam	4	09.02.2023, 23.02.2023, 09.03.2023 & 10.03.2023
5	Tholampalayam	1	12.02.2023

## 2.3 Special Drive Camp for Aadhar, PAN and Saving Bank Accounts

Based on the outcome of house hold survey, as a participating institute of the Unnat Bharat Abhiyan, faculty members and students supported by Postal Department conducted Special Drive Camp in the respective villages for Aadhar Card (both for new card and corrections in the Aadhar). On the same day, the College made an arrangement for applying PAN card and opening Savings Bank Accounts with Zero balance for those who are in need.

S.No	Name of the Village	Date(s)
1	Marudur	23.03.2023
2	Belladhi	21.03.2023
3	Agraharasamakulam	26.04.2023 and 27.04.2023

## Celebration of the National Science Day on 28-02-2023

The Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) celebrated National Science Day on 28<sup>th</sup> February 2023 with enthusiasm. The organizing team, consisting of B. Soundara Rajan, K. Pradeep, G. Hariharan, and S. Priyadharsan, put together a wonderful programme of events and activities for the day, with the support of the Co-coordinators, Dr. R. Ayyappan and Sri N.Rajesh Kumar, both Assistant Professors at the College of Education.

### Objectives

- To prepare and evaluate Science invention-related questions among the student - teachers.
- To promote a scientific temper and a spirit of inquiry among student - teachers.
- To encourage student - teachers to teach through innovative methods and simulations in Science subject.

The event was graced by the presence of esteemed guests, Dr. G. Subramonian, the Principal of the college, and Dr. Gopi, Assistant Professor in Physics at SRMV College of Arts and Science (Autonomous). Sri. M. Pranesh delivered the welcome address, in which he stressed the importance of Science and Technology in the modern world and the need for promoting scientific research and Education.

Dr. G. Subramonian, the principal of the College of Education, delivered the presidential address, in which he emphasized the importance of National Science Day and the role of Science in shaping the world we live in. He also spoke about the various initiatives taken by the college to promote Science Education and research among students.

The chief guest, Dr. Gopi, Assistant Professor in Physics, then delivered a keynote address, in which he spoke about the latest developments in the field of Physics and their applications in various domains.

The event also included various activities, such as Science quiz, Evaluation tools and lectures, organized by the coordinators and the organizing team. The students actively participated in these activities.

The event concluded with a vote of thanks by Sri. S. Arunkumar, who thanked the Secretary, Principal, Chief guests, staff, and students for their active participation and contribution to the success of the event. The programme ended with the National Anthem.

## Outcomes of the Programme

- The celebration of National Science Day created as strong connection between student- teachers and teacher educators.
- As a result of National Science Day, a greater level of thinking skills were developed among the student - teachers.

**REPORT OF THE ANNUAL SPORTS DAY FOR THE YEAR 2022-23**

Sri Ramakrishna Mission Vidyalaya College of Education organized the annual sports meet on 10.02.2023, at the Faculty of General and Adapted Physical Education and Yoga, Ramakrishna Mission Vivekananda Educational and Research Institute Athletic Track. The events were well recognised by the participation of students from both B.Ed first year and second year courses.

The sports meet featured a range of athletic track and field events, including 100 meters, 200 meters, 400 meters, and 1500 meters races, and field events such as long jump, shot put, discus throw and javelin throw. The students who participated displayed their skills and talents in front of their peers, teachers and other officials.

The atmosphere at the sports ground was electric, with students cheering for their respective teams and participants. The sports meet lasted for the whole day, with a lunch break in between to provide students with some rest and rejuvenation. After the completion of all events, the students were assembled, and the National Anthem was played. The Master of Physical Education students of Sri Ramakrishna Mission Vidyalaya Maruthi College of Physical Education acted as officials in the athletic meet, ensuring the smooth running of the event.

Overall, the sports meet was a great success, providing a platform for students to showcase their talents and skills. The event helped promoting physical fitness and healthy competition among the students. The sports meet was a great opportunity for students to engage in healthy competition, the spirit of sportsmanship and teamwork were evident throughout the event. A total of 38 students participated in the athletic events. In conclusion, Sri Ramakrishna Mission Vidyalaya College of Education's annual sports meet was a resounding success, providing an opportunity for students to showcase their athletic abilities and promoting a culture of physical fitness and healthy competition among the student community.

## Report on Progressive Teachers Development Programme

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) organised a Progressive Teachers Development Programme for the teachers in Vidyalaya Educational Institutions on 29.01.2023 at GKD Auditorium.

### Objectives

- To introduce educators to the latest trends and practices in 21st-century pedagogy.
- To emphasize the significance of active learning strategies in engaging students.
- To highlight the benefits of student-centered learning.
- To provide practical guidance on integrating technology into teaching, with a specific focus on PhET simulations.
- To show educators how to use PhET simulations to enhance the understanding of complex scientific concepts and integrate into blended learning environments.

The programme began at 10.00 a.m with prayer. Swami Nirmaleshanandaji Maharaj, Secretary, Sri Ramakrishna Mission Vidyalaya College Arts and Science has delivered a lecture on Guided Meditation with practical demonstration to equip the teachers with stress reduction and mindfulness tools to enhance their well-being and effectiveness in the classroom.

Followed by the lecture session, Dr. C. R. Sakthivel, Head, Department of BCA, Sri Ramakrishna Mission Vidyalaya College Arts and Science explained latest trends and practices in 21st-century pedagogy, and demonstrated effective use of 'Zig Saw' and 'Just a Minute' methods in curriculum transaction. Dr. M. Chandran, Associate Professor has explained various innovative active learning techniques to be incorporated in teaching.

Sri. N. Rajesh Kumar, Assistant Professor in Biological Science, Sri Ramakrishna Mission Vidyalaya College of Education demonstrated the application of PhET (Simulations) which is very much useful for teaching learning process. He also explained how to use PhET simulations to enhance the understanding of complex scientific concepts and integrate into blended learning environments.

### Beneficiaries

### Report

#### Birth Anniversary of Veerapandiya Kattabomman and Rani Velu Nachiyar

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) has celebrated the Birth Anniversary of Veerapandiya Kattabomman and Rani Velu Nachiyar on 03.01.2023 in the college premises. The prime objective of the celebration was to develop patriotism and remember the sacrifices made by the freedom fighters in the Indian freedom movement.

The programme began at 11.00 am with prayer. Dr. P. Vel Murugan, Assistant Professor in History welcomed the gathering and introduced the Resource Person Dr. D.Rajakumar, Assistant Professor in Tamil, Sri Ramakrishna Mission Vidyalaya College of Arts and Science (Autonomous), Coimbatore. Dr. G. Subramonian, Principal of the College delivered the Presidential Address. The Resource Person, Dr. D. Rajakumar delivered a special address on the unsung heroes of Freedom Fighters in Tamil Nadu and the importance of the celebration of Birth Anniversary of Veerapandiya Kattabomman and Rani Velu Nachiyar.

The Student-teachers of our college have actively participated in the programme and involved in various activities. Sri K. Baskar has delivered a speech on 'Early Life of Veerapandiya Kattabomman', Sri S. Arunkumar read out a poem on 'Brave Rani of Sivagangai'. The first year student-teachers namely, Sri R.Tharsan, Sri M. Poornachandran, Sri M. Prakash, Sri R. Suganthan, Sri R. Pasupathi, Sri R. Naveenkumar and Sri J. Vishnu have performed a skit on 'Altercation of Veerapandiya Kattabomman with Jackson'. Sri M. Pranesh, presented the video presentation of 'Life History of Rani Velu Nachiyar'. The entire programme was compered by Sri S. Arunkumar. All the Faculty Members and Student-Teachers actively participated in the programme. A formal vote of thanks was proposed by Sri S. Gokulakrishnan. The programme ends with National Anthem at 12.30 pm. Dr. G. Subramonian, Principal of the College,

**NATIONAL MATHEMATICS DAY – 2022**

**135<sup>th</sup> BIRTH ANNIVERSARY OF SRINIVASA RAMANUJAN**

**(E - Content Preparation Competition: Mathematics for Everyone)**

The National Mathematics Day celebration at Sri Ramakrishna Mission Vidyalaya College of Education was a remarkable event that aimed at paying contribution to the mathematical genius Srinivasa Ramanujan and promote digital based mathematical knowledge and creativity.

**Objectives:**

- ✗ To commemorate the 135<sup>th</sup> birth anniversary of Srinivasa Ramanujan and honour his extraordinary contributions to the field of Mathematics.
- ✗ To promote the significance of Mathematics as a fundamental discipline in Education and its practical applications in everyday life.
- ✗ To encourage student teachers to engage with Mathematics in innovative ways through the creation of E-Content, fostering a deeper understanding of mathematical concepts.
- ✗ To provide a platform for student-teachers to showcase their mathematical talents, creativity, and enthusiasm for the subject.
- ✗ To raise awareness about the role of Mathematics in various academic disciplines

## Participants:

B.Ed I Year, II year - Student teachers and Faculty members of Sri Ramakrishna Mission Vidyalaya College of Education

## Description of the Programme:

National Mathematics Day was celebrated in Sri Ramakrishna Mission Vidyalaya College of Education on 22.12.2022 at 2.00 p.m. The programme began with Prayer song by Bhagavathar. The welcome address was extended by P. Santhosh Sreshtha, student-teacher. The Presidential address was delivered by Dr. G. Subramonian, Principal. Sri. V. Eswaran, an Assistant Professor in Mathematics introduced the Resource person. An informative address by the resource person, Dr. S. Muthu Kumar, Assistant Professor in Mathematics presented the significance of Mathematics and Ramanujan's contributions to the Mathematics. Student teachers by A.R. Raghul and C. Vimalraj, shared their insights on Mathematics in education. Various students' activities, including a demonstration of Ramanujan's Magic Square, a short film screening titled 'Engalum Nanum,' showcasing the life of Srinivasa Ramanujan and Vedic Math tricks.

## E-Content Competition:

The E-Content preparation competition was a central part of the celebration, focusing on the theme "**Mathematics for Everyone.**" Participants were encouraged to create short E-Content videos lasting 3 to 5 minutes. The content categories included: Teaching mathematical concepts using virtual tools, simulations and augmented reality presenting interesting facts in mathematics with animations, Crafting Math puzzles and riddles and Highlighting the role of Mathematics in various academic disciplines. The vote of thanks was extended by N. Saran, a student-teacher.

## Outcomes:

- ✎ Increased awareness of Srinivasa Ramanujan's contributions to Mathematics.
- ✎ Enhanced appreciation for Vedic Mathematics among student teachers
- ✎ Development of creative E-Content resources for teaching and learning Mathematics.
- ✎ Encouragement of innovative approaches to teaching and learning Mathematics through virtual tools, animations and puzzles.

**Report of**  
**Guru Puja - Child Art Competitions (2023)**

Drawing Skill improves Brain's Activity, Creativity, Stress Relief, Fine Motor Skills, Becoming More Observant, Positive Emotions etc. To develop the drawing skill among the children Sri Ramakrishna Mission Vidyalaya College of Education, Coimbatore conducts drawing competition for all the students of Coimbatore Educational District every year.

Sri Ramakrishna Mission Vidyalaya College of Education has organized Guru Puja Child Art Competitions for school students on 24.11.2022 and 25.11.2022 at GKD Auditorium. The competition was conducted for school students in Ramakrishna Mission Vidyalaya Campus distinctively and students from outside Vidyalaya campus. Students were divided into Five different categories based on their Class of study and given separate topic to each category. On the First day (24.11.22), competitions were conducted among students studying in class I - Std. to class VIII Std. and on the Second day (25.11.22), from class IX - Std. to XII - Std. Arrangements were done exclusively at GAPEY, Ramakrishna Mission Vivekananda Educational and Research Institute and all the students (class XI & XII) were provided with separate drawing tables. A total of 542 contestants from 31 institutions actively participated in the competition.

The registration started at 9.15 a.m. and drawing sheets (as Prescribed) were distributed to all the registered participants. The competition was started with prayer song at 10.00 a.m. Dr. S. Sivasankar, Coordinator of the competition welcomed the gathering and explained the rules and regulations of the competition. Dr. G. Subramonian, Principal, Sri Ramakrishna Mission Vidyalaya College of Education has delivered felicitation address. The duration of the competition was three hours and concluded between 10.00 am to 01.00 pm.

  
Principal  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

After completion of the competition, all the participants, judges and teachers were provided with traditional lunch at Sri Ramakrishna Mission Vidyalaya College of Education hostel.

In the post lunch session, expert committee (6 Members) selected the best three drawings in each category and announced the results. The award letter was issued to all the winners. Since the first prize winner (10 Nos) in all the categories will be honoured in the Guru Puja - 2023 celebration (01.01.2023), the remaining prize winners (32 Nos) will get the prizes by post after the Guru Puja celebration. The participation certificate was provided to all the participants. Dr. S. Sivasankar, Coordinator of the competition delivered vote of thanks. The programme ended with the National Anthem.

**The Detailed List of Judges for the Competition is as below:**

S.No	Name and Designation of the Judge	Name of the Institution
1	D. Thiagarajan Drawing Teacher	Sri Ramakrishna Mission Vidyalaya High School, Periyanaickenpalayam

### Report Library Week Celebration

Sri Ramakrishna Mission Vidyalaya College of Education's Department of Library and Learning Resources organized a series of events to celebrate Library Week, which included an online webinar on the preservation and conservation of books. The webinar was conducted on November 14, 2022, at 6.00 pm. The session was conducted by Dr. P. Perumal, a former Curator and Librarian of Saraswathi Mahal Library, who served as a resource person and provided valuable insights on the subject of preservation of books. The webinar was attended by students and faculty members from Sri Ramakrishna Mission Vidyalaya College of Education, as well as teachers and librarians from other institutions.

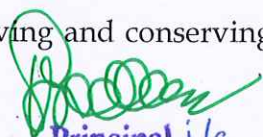

During the webinar, Dr. P. Perumal discussed the importance of preserving books and the various methods and techniques used in book conservation. He also highlighted the challenges faced by librarians and book conservationists in preserving rare and valuable books.

Dr. G. Subramonian, the Principal of Sri Ramakrishna Mission Vidyalaya College of Education, delivered a presidential address, in which he emphasized the importance of books and libraries in education and research.

Following the presentation, there was a question and answer session, which provided an opportunity for participants to ask specific questions about book preservation and conservation. The event also featured speeches by Sri V. Prakash and R. Suganthan, first-year B.Ed. students, who highlighted the significance of libraries and the rewards of reading books respectively.

The webinar concluded with Sri J. Vishnu proposing a vote of thanks to Dr. Perumal, the participants, and the organizing team for making the event a success. Overall, the webinar on preservation and conservation of books was an informative and insightful session, which provided valuable insights to students, faculty members, and librarians on the importance of preserving and conserving books.

On November 15, 2022, a debate on the topic "Promoting Reading Habits: Role of Teachers Vs Role of Parents" was organized by the Sri Ramakrishna Mission Vidyalaya College of Education. The debate aimed at encouraging critical thinking and generate a discussion on the importance of promoting reading habits among children.

A group of eight students from the College of Education took part in the debate. The participants were divided into two teams, with one team advocating for the role of teachers in promoting reading habits, and the other team supporting the role of parents.

The debate was moderated by Dr. R. Ayyappan, Assistant Professor of Physical Science, who served as an adjudicator. The students presented their arguments with clarity and confidence, highlighting the importance of reading in the development of language skills, cognitive abilities and creativity. The team advocating for the role of teachers argued that teachers played a crucial role in promoting reading habits among students. They emphasized the importance of classroom libraries, reading assignments and discussions on books, which can foster a love for reading among students.

On the other hand, the team supporting the role of parents argued that parents are the first teachers of their children and have a greater influence on their reading habits. They highlighted the importance of setting an example by reading themselves, providing access to books, and encouraging children to read for pleasure.

The debate was lively and engaging discussion, with both teams presenting well-researched arguments and counterarguments. Dr. R. Ayyappan, the moderator, provided insightful feedback and encouraged the participants to think critically about the topic.

In conclusion, the debate on "Promoting Reading Habits: Role of Teachers Vs Role of Parents" was a successful event, which generated fruitful ideas, and highlighted the importance of reading for the development of children. The parents showed their passion for the topic and their commitment to promoting reading habits among children.

### Report

#### **Birth Anniversary of Maulana Abul Kalam Azad**

**(National Education Day)**

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) has celebrated the Birth Anniversary of Maulana Abul Kalam Azad (*Rashtriya Shiksha Diwas - National Education Day*) on 11<sup>th</sup> November 2022 in the college premises. The prime objective of the celebration was to inspire the student-teachers to strive for excellence in education and nation-building, emphasize values of tolerance and secularism, and promote the rich cultural heritage of India.

The programme began at 2.00 pm with prayer. Sri S. Arun Kumar, Student-teacher welcomed the gathering. Dr. G. Subramonian, Principal of the College delivered the Presidential Address. Dr. V. Srinivasan, Associate Professor of English gave Special Lecture on "Development of Education System in India". The student-teachers of our college have actively participated in the programme and involved in various activities. Sri R. Suganthan has delivered speech on 'Education System during Ancient Period'. Sri N. Saran presented a video presentation on 'Life History of Abdul Kalam Azad'. Sri M. Kishore read out a poem on 'Kalviyin Perumai' (*Tamil*). Sri N. Poornachandran presented a slide deck presentation on 'Education Ministers of Independent India'. Sri J. Vishnu presented a slogan on 'Education: A Key to Success'. Sri R. Naveenkumar presented a poster presentation titled 'Education of Gen Alpha'. A Quiz programme was conducted on the theme of 'Education: A Gateway of Cognizance'. All the student-teachers actively participated in the quiz. Sri M. Poornchandran, I Year B.Ed. student-teacher secured First Place in the competition. The student-teachers also performed a skit on 'Amelioration of Values among Students'. A formal vote of thanks was proposed by Sri N. Saran. The programme ends with National Anthem at 4.00 pm. Dr. G. Subramonian, Principal of the College, Dr. P. Vel Murugan and

resources through open access platforms. He also mentioned about the NLIST facilities at College of Education and avenues using it for research purposes.

The second session on "Metrics in Publication" was handled by Dr. J. Arumugam, Librarian, Dr. GRD Memorial Library, P.S.G College of Technology, Coimbatore.

The following points were discussed during the session.

- Measurement of Quality of Publications
- Citations/ References
- Research Indicators
- Sources of Citation Metrics data
- Journal Selection Criteria

The third session on "Referencing Styles" was handled by Dr. M. Jagadesh, Assistant Professor, SRMVCOE. He emphasized about the American Psychological Association and its latest referencing styles.

**Outcomes:**

- The basics of identifying a good journal for publication and nuances in publication were learnt by the participants.
- The participants were able to know about the improved research publication quality and frequency.

## Report on DEEKSHARAMBH - 2022

### STUDENT INDUCTION PROGRAMME (SIP)

for the Student Teachers admitted in B.Ed., Programme during the Academic Year 2022- 2023

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) conducted DEEKSHARAMBH - Student Induction Programme for the student teachers admitted in Bachelor of Education (B.Ed.) Programme during the Academic Year 2022- 2023. As per the guidelines of the University Grants Commission, the programme has been conducted for ten days period from 27<sup>th</sup> October 2022 to 08<sup>th</sup> November 2022.

### Objectives of the Programme

- To familiarise student teachers with the academic environment, curriculum and campus resources.
- To ensure a smooth transition from undergraduate or postgraduate backgrounds to the professional requirements of a B.Ed. programme.
- To introduce foundational teaching skills and standards required in the profession.
- To foster solidarity among peers, and to establish initial connections with faculty members.
- To inculcate the ethical, professional, and academic responsibilities of a teacher.
- To introduce student teachers to available resources, including libraries, laboratories and other support services.
- To acquaint with various cocurricular activities and extracurricular opportunities.

Principal i/c

Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

The purpose of conducting Student Induction Programme is to help new student teachers adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with senior student teachers and faculty members, and expose them to a sense of larger purpose and self-exploration. The programme engaged with them as soon as they came into the institution, before the commencement of regular classes. At the start of the induction, the incumbents learned about the institutional policies, processes, practices, culture and values, and their mentor groups were formed. It helped them acclimatize with the new surroundings, develop bonds with fellow student teachers and faculty members, sensitivity towards various issues of social relevance and imbibe human values in them so as to become teachers, the responsible citizens of the nation.

Based on the guidelines of the University Grants Commission the Student Induction Programme was executed in the College of Education. It covered the following activities.

1. Physical Activity
2. Mentoring
3. Familiarization to the institution
4. Creative Arts and Culture
5. Literary Activity
6. Lectures by Eminent People
7. Visits to Local Area
8. Extra-Curricular Activities in College and other opportunities.

### Report

#### Birth Anniversary of Bhagat Singh

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) has celebrated the Birth Anniversary of Bhagat Singh through online mode on 27.09.2022. The prime objective of the celebration was to develop patriotism and remember the sacrifices made by the freedom fighters in the Indian freedom movement.

The programme began at 06.00 pm with prayer. Sri. P. Santhosh Shreshtha, Student-Teacher, Sri Ramakrishna Mission Vidyalaya College of Education welcomed the gathering. Dr. G. Subramonian, Principal of the College delivered the Presidential Address. Dr. P. Vel Murugan, Assistant Professor in History, Sri Ramakrishna Mission Vidyalaya College of Education introduced the Resource Person Dr. M. Senthur Pandian, Faculty, Department of History and Tourism, Bharathiar University, Coimbatore, Tamil Nadu. The Resource Person delivered a lecture on "Contribution of Bhagat Singh in Freedom Struggle". He explained the early life of Bhagat Singh and his courage against the British Rule in India.

Sri K. Baskaran, Student-Teacher, Sri Ramakrishna Mission Vidyalaya College of Education delivered a speech on 'Bhagat Singh and his Revolutionary Actions', and Sri E. Mahesh Kumar read out poem on 'Bhagat Singh and Patriotism'. Finally, Sri B. Logeswaran, Student-Teacher of our college proposed the formal vote of thanks. The programme came to an end at 07.00 pm. The entire programme was compered by a student-teacher, Sri K. Vijaykarthik. Totally sixty two participants attended in this programme including the Faculty Members, Student-Teachers, and Participants from various institutions. Dr. G. Subramonian, Principal of the College and Dr. P. Vel Murugan, Assistant Professor in History and Coordinator of the programme, all the Faculty Members and Student-Teachers of the college have made the function a grand success.

**World Brotherhood Day - 11<sup>th</sup> September**

**In commemoration of**

**129<sup>th</sup> Year of Swami Vivekananda's Chicago Address**

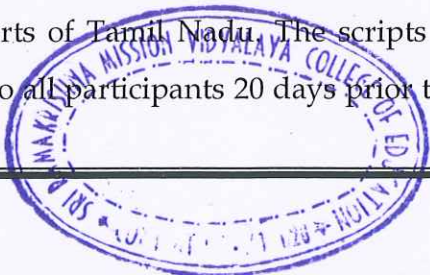

**Report of**

**State Level Recitation Competition - 2022**

### **Introduction**

Swami Vivekananda attended the World Parliament of Religions Conference held in Chicago on September 11, 1893 and delivered a special address on behalf of India. His speech garnered worldwide attention. In his opening remarks, he addressed the audience as "Sisters and Brothers of America," which created a tremendous wave of enthusiasm. The audience responded by rising up and applauding continuously for two minutes. Throughout his speech, Swami Vivekananda advocated for religious tolerance and harmony. The American Press praised him as a "Cyclonic Monk from India" and highlighted his lofty ideals, which not only brought fame to Swami Vivekananda but also elevated the reputation of India and Hindu Dharma globally. His speech at the Chicago Parliament of Religions played a crucial role in reformulating the spirit of India and Sanatana Dharma to the Western world, dispelling misconceptions perpetuated by Westerners. Furthermore, it shattered the false image of India as a Nation of slaves and poverty, presenting it as a spiritually rich country with deep-rooted traditions and culture. This historic discourse held great significance in Indian history, and it is essential to commemorate this special day and spread the teachings of Swami Vivekananda throughout the country.

In honour of Swami Vivekananda's speech at the Chicago Parliament on September 11, 1893, Sri Ramakrishna Mission Vidyalaya College of Education celebrated the Universal Brotherhood Day in the college. Marking the 129th anniversary, a state-level Recitation competition was conducted exclusively for the students of higher secondary school through online mode (Google Meet). A total of 278 students registered in the competition from various parts of Tamil Nadu. The scripts of Swami Vivekananda's Chicago Address were provided to all participants 20 days prior to the competition. The participants were required

College of Education (Autonomous)  
Coimbatore-641 020.

to deliver the script in its original form. The judges attentively observed the performances and evaluated the delivery of the scripts. 46 participants were selected from screening test of the competition. The second round of the competition took place in two venues from where five participants were selected as the best performers. The ten finalists then proceeded to the final round, from which the top three participants were chosen from based on the assessment by the expert committee. Cash prizes and merit certificates were sent to the respective winners via registered post, and their receipt was confirmed through acknowledgment.

**REPORT OF THE NATIONAL SPORTS DAY CELEBRATION AT**  
**GOVERNMENT OBSERVATION HOME, COIMBATORE**  
**(2022 - 2023)**

India celebrates National Sports Day on 29th August to commemorate the birth anniversary of hockey legend, Major Dhyan Chand. The day is also dedicated to the nations' sports heroes and champions, honoring their contribution and dedication towards bringing laurels to the country. In the year 2022 the 'Ministry of Youth Affairs & Sports' (MYAS) and 'Fit India Mission' aims to taking FIT India movement to Schools/Colleges/Ministries/ Government and Private Organisations by encouraging them to participate in a grand manner on the occasion of National Sports Day on 29th August. Through this programme it is possible to raise awareness about the values of sports: discipline, perseverance, sportsman spirit, teamwork, and to encourage public in large to take up sports and make it an integral part of their lives while emphasizing on the importance of being fit and healthy. It was informed by the MYAS that on this day, Schools/Colleges/Ministries/Government and Private Organisations should encourage their students/employees/staff to take part in sports/fitness activities for at least one hour.

In order to commemorate the National Sports Day, Sri Ramakrishna Mission Vidyalaya College of Education organised Sports events among children in Government Observation Home, Coimbatore. Dr. S. Sivasankar, Director of Physical Education, Sri. P. Santhosh Shreshtha and K. Pradeep, Second Year B.Ed Student-Teachers have conducted indoor sports events in the presence of Mrs. T. Vimala Devi, Superintendent of the Observation Home and Sri. C. Ashok Kumar, Probation Officer, Government Observation Home, Coimbatore.

Central University of Kerala  
Kerala

*Title: "Sources of Funding for Social Science Research"*

**Participants**

PG Students, Research Scholars and Faculty Members from the institution and outside institution participated in the sessions. No. of participants - 34

**Description about the Program**

The program was intended to throw light upon different funding agencies for research project in India and Abroad. Art of writing a successful research proposal for funding agencies was also discussed.

**Session 1 "How to Write Successful Proposals for Indian Funding Agencies?"**

Identifying suitable agencies for applying projects is the foremost thing. The resource person gave a clear glimpse on several funding agencies for which research proposals can be sent.

  
**Principal**  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

The list of funding agencies include

- Research & Institutional Development Schemes
- Research Promotion Schemes (RPS)
- Industry-Institute Interaction Schemes
- Entrepreneurship Development Cells (EDC)
- National Facilities in Engineering & Technology with Industrial Collaboration (NAFETIC)
- Nationally Coordinated Project (NCP)

### *Session II "Sources of Funding for Social Science Research"*

The second session dealt with the source of funding agencies exclusively for Social Science research. The resource person gave a list of funding agencies for Social Science research.

- Indian Council for Social Science Research (ICSSR)
- Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT)
- Teaching Learning Centres (TLC)
- Central Institute of Educational Technology (CIET)

Steps in writing a research Proposal was also discussed

- Introduction of the proposal.
- Background and importance of the study.
- Reviewing prior literature and studies.
- Research questions and objectives.
- Research Design and Methods.
- Knowledge Contribution and Relevance.
- Ethical Principles.
- Proposed budget.

### **Outcomes of the Programme**

The participants were able to identify a number of funding agencies for research. They were also enlightened with the art of writing a good research proposal for funding agencies. Many participants discussed their sample research proposals written and got it corrected.

- To help participants comprehend the guiding ideas and philosophy underpinning continuous and comprehensive evaluation.
- To guarantee that participants are familiar with the operation of the Education Management Information System and its purpose in data management.
- To promote the use of CCE as a way to continuously evaluate and improve the delivery of education.
- To give participants the abilities and information necessary to properly use EMIS data for wise educational decision-making.
- To emphasise the need of including parents, teachers, and students in the CCE process in order to foster a supportive and cooperative learning environment.

### Resource Persons :

- Dr. M . Jagadesh Assistant Professor in education
- V Eswaran Assistant Professor in Mathematics
- N Rajesh Kumar Assistant Professor in Biological Science, Sri Ramakrishna Mission Vidyalaya College of Education

### Programme:

The first session gave a brief note about the CCE in school education and how the continuous and comprehensive evaluation motivates the students on a positive note it also plays a vital role in teachers.

Parents can easily monitor their student's progress with the help of continuous and comprehensive evaluation. This is done by the subject teachers under class teachers from the class I to VIII standard. Key Notes about CCE: The Continuous and Comprehensive Evaluation (CCE) Programme is an educational evaluation system in India that aims to assess students learning and progress throughout the academic year. It is a comprehensive system that involves both formative and summative assessment, and it is designed to provide students with continuous feedback on their academic performance.

The CCE Programme report typically includes detailed information on the student's academic performance, including their grades, attendance, and behaviour in the classroom. The report also includes information on the students strengths and weaknesses, as well as recommendations for improvement.

The CCE Programme report is an important tool for parents, teachers, and students themselves to track progress and identify areas for improvement. It is designed to be

  
Principal  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

user-friendly and easily understandable, with clear explanations of each assessment category and the criteria used to evaluate students.

### **Keynote about EMIS:**

EMIS stands for Education Management Information System. It is a computer-based system designed to manage and analyze education-related data. The following are key points about EMIS:

EMIS is a tool that helps education systems collect, manage, and analyze data related to education. This data can include information about student enrollment, attendance, academic performance, teacher qualifications, and school infrastructure. EMIS can help education authorities make informed decisions about resource allocation, policy development, and program planning. By analyzing data on student performance and school infrastructure, for example, authorities can identify areas where resources are needed and make informed decisions about funding allocation. EMIS can help schools and education authorities identify at-risk students and develop targeted interventions to support their academic success. By tracking attendance and academic performance, for example, schools can identify students who may need additional support and provide them with targeted interventions such as tutoring or counseling.

EMIS can help education systems monitor progress toward national education goals and targets. By collecting data on key education indicators such as student enrolment and completion rates, authorities can track progress toward national education targets and identify areas where additional efforts are needed.

EMIS can improve transparency and accountability in education systems. By making data on education outcomes and resource allocation publicly available, authorities can be held accountable for their decisions and actions, and stakeholders can advocate for improvements in education policy and practice.

Overall, EMIS is an important tool for managing and analyzing education-related data, and can help education systems make informed decisions about resource allocation, program planning, and policy development.

### **Outcomes :**

- The fundamentals of CCE are clearly understood by the participants.
- Participants gain expertise in EMIS-based data gathering and analysis.
- The importance of comprehensive student assessment is rising.

### **"GUEST LECTURE** **on** **GENDER SENSITIZATION & CYBER SAFETY"**

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) organized Guest Lecture on "Gender Sensitization & Cyber Safety" on 28.07.2022 at 12.00 PM. Totally 42 Staff and student teachers participated in the programme. The programme started with prayer song, sung by Sri. Amarnath Venkatraman, Music Teacher of the college. Mr. K. Baskaran, B.Ed II Year student of Sri Ramakrishna Mission Vidyalaya College of Education, Coimbatore, delivered the welcome address. Dr. G. Subramonian, Principal, Sri Ramakrishna Mission Vidyalaya College of Education, Coimbatore has delivered the presidential address.

Dr. M. Jaikumar, Head, Department of BCA, Company Commander, Home Guard, Mettupalayam, Coimbatore delivered Chief Guest Address. He explained the rules of the POCSO, How to behave with female members, what the punishments are for POCSO Act, and also he explained the Cybercrime and how to avoid the online theft with illustrations. Dr. G. Subramonian, Principal, Sri Ramakrishna Mission Vidyalaya College of Education, Coimbatore has presented a memento to the Guest speaker.

Dr. S. Sivasankar, Director of Physical Education cum coordinator of the programme, Sri Ramakrishna Mission Vidyalaya College of Education, Coimbatore delivered the Vote of thanks. The Programme concluded with National Anthem.

### Report

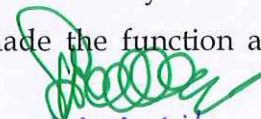

### Kargil Vijay Diwas

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) has celebrated the Kargil Vijay Diwas on 27.07.2022 in the college premises. The prime objective of the celebration was to develop patriotism and remember the sacrifices made by the Indian soldiers for protecting our Nation.

The programme began at 2.00 pm with prayer. Dr. P. Vel Murugan, Assistant Professor in History, Sri Ramakrishna Mission Vidyalaya College of Education welcomed the gathering. Dr. G. Subramonian, Principal of the College delivered the Presidential Address and honoured the Resource Person Sri M. Karthikeyan, Post Graduate Assistant in Tamil and NCC Officer (Army Wing), Sri Ramakrishna Mission Vidyalaya Swami Shivananda Higher Secondary School, Coimbatore. Followed by the presidential address the Resource Person delivered a Special Address on the Historical Perspectives of the Kargil Vijay Diwas.

The student-teachers of the College of Education have actively participated in the programme and involved in various activities. Sri K. Baskaran has delivered a speech on 'History of Kargil', and Sri A. R. Raghul spoke about 'Operation Vijay'. Sri S. Priyadharshan read out poem on 'Thoughts of Army Man'. Sri S. Arunkumar presented the visual image of the incidents of Kargil in the form of drawing and explained the untold information about them. The student-teachers namely Sri M. Pranesh and Sri B. Logeswaran displayed the events of Kargil War in the form of video presentation. It was quite realistic and attractive indeed. Sri K. Vijaykarthik is engaged as master of ceremony. All the faculty members and student-teachers have actively participated in the programme. A formal vote of thanks was proposed by Sri B. Soundar Rajan. The programme ended with National Anthem at 3.15 pm. Dr. G. Subramonian, Principal of the College and Dr. P. Vel Murugan, Coordinator of the Programme, all the Faculty members and Student-Teachers of our College of Education have made the function a grand success.

  
Principal i/c

Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

Outcome of the Programme: 81% of the student-teachers were highly satisfied with the programme. A number of students expressed their views that they have learned the history of the Kargil war and the spirit of patriotism of the Nation. The programme helped the student-teachers promote values, unity, disseminate historical knowledge, and respect the Indian soldiers who sacrificed their lives to protect our nation.

SRI RAMAKRISHNA MISSION VIDYALAYA COLLEGE OF EDUCATION  
(AUTONOMOUS)  
Coimbatore - 641 020

*A one-day Workshop on*  
**Outcome-based Education (OBE)**  
*Organized by*  
**Internal Quality Assurance Cell**  
**26.07.2022**

**Objectives**

- To make aware of Outcome Based Education among faculty members
- To orient the faculty members in framing the curriculum according to OBE Pattern

**Resource Person**

Dr. V. Vijayakumar  
Controller of Examinations  
Sri Ramakrishna College of Arts and Science  
Coimbatore

**Participants**

Faculty members of SRMV College of Education. No. of participants - 12

**Report**

A brief introduction of OBE was given. The need for OBE curriculum and the transforming power of OBE was also discussed. A step-by-step procedure in constructing an OBE pattern of curriculum was given.

- Institution's Vision & Mission
- Establishing The Program Educational Objectives & Program Outcomes
- Establishing The Program Outcomes (POs)
- Establishing the Course Outcomes
- CO-PO Mapping Process

Action verbs for formulating Course Outcomes and setting question papers was also discussed. A sample syllabus was discussed in framing the OBE curriculum and steps involved in CO-PO mapping.

  
Principal i/c

Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

## Action Verbs for Course Outcomes

Sample Action verbs:

Lower Order of Thinking (LOT)			Higher Order of Thinking (HOT)		
Remember	Understand	Apply	Analyse	Evaluate	Create
Define	Explain	Solve	Analyse	Reframe	Design
Describe	Describe	Apply	Compare	Criticize	Create
List	Interpret	Illustrate	Classify	Judge	Plan
State	Summarise	Calculate	Distinguish	Recommend	Formulate
Match	Compare	Sketch	Explain	Grade	Invent
Tabulate	Discuss	Prepare	Differentiate	Measure	Develop
Record	Estimate	Chart	Appraise	Test	Organize
Label	Express	Choose	Conclude	Evaluate	Produce

Illustration (use of action verb w.r.t knowledge dimension and order of thinking):

Use of action verbs	Factual	Conceptual	Procedural	Metacognitive
Remember	List properties of soil	Recognize characteristic of material	Explain working of pump	Identify strategies for report writing
Understand	Summarize features of a new product.	Classify adhesives by toxicity.	Explain assembly instructions.	Predict the behavior of member
Apply	Respond to frequently asked questions.	Provide advice to team members	Carry out pH tests of water samples.	Use modern techniques to get solution
Analyse	Explain the selection of tool/ activity.	Differentiate LOT and HOT	Integrate compliance with regulations.	Assess the project work
Evaluate	Select the appropriate tool	Determine relevance of results.	Judge efficiency of sampling techniques.	Reflect on one's progress.
Create	Generate a log of daily activities.	Assemble a team of experts.	Design efficient project workflow.	Create a learning portfolio.

### Outcomes

An overview of OBE pattern and the steps involved in constructing the curriculum was given. Faculty members had number of interactions with the resource person which symbolizes the understanding of the new pattern. Faculty will work on the curriculum for suitable modification in implementing the pattern in the forthcoming Academic Year.

## Center for Green initiative for the Academic Year 2022-2023

**Date** : July 25, 2022

**Time** : 2:00 p.m. to 4:00 p.m.

The inauguration of the Green Initiative Cell at Sri Ramakrishna Mission Vidyalaya College of Education aimed to promote environmental awareness and sustainable practices within the college community.

### **Objective:**

The objectives of this event were:

- **Promote Environmental Education:** To create a platform where students and faculty members can learn about the importance of green coverage, environmental conservation, and the practice of terrace gardening.
- **Foster a Culture of Sustainability:** To instill a sense of responsibility among the student-teachers and encourage them to actively participate in green initiatives and sustainable practices, both within the college premises and in their daily lives.

### **Resource Person Details:**

**Name** : Mr. S. Ramkumar  
**Designation** : Lecturer in Horticulture  
**Institution** : Institute of Agriculture and Rural Development,  
Sri Ramakrishna Mission Vidyalaya

### **Participants / Beneficiary Details:**

The program witnessed active participation from all student-teachers and faculty members of Sri Ramakrishna Mission Vidyalaya College of Education..

  
**Principal**  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Combatores-641 020.

### Description of the Program:

The inauguration of the Green Initiative Cell commenced at 2:00 pm with a prayer, setting the tone for the event. Sri. S. Arun Kumar, a student-teacher, welcomed the gathering, and the program proceeded with a Presidential Address delivered by Dr. G. Subramonian, the Principal of the College.

Mr. S. Ramkumar, the resource person, delivered a special lecture on the "Importance of Green Coverage and the Practice of Terrace Gardening." His insightful lecture highlighted the significance of greenery and offered practical insights into creating and maintaining terrace gardens.

Following the lecture, Dr. G. Subramonian, the College Principal, honored Mr. S. Ramkumar with a memento in appreciation of his valuable contribution. All student-teachers actively participated in the event, and a formal vote of thanks was proposed by Pranesh M, a second-year student-teacher.

The main attraction of the event was the tree planting, which symbolised the formation of the Green Initiative Cell. Dr. G. Subramonian, College Principal, and Mr. S. Ramkumar, Horticulture Lecturer, took part in this symbolic act of tree planting. In addition, trees were planted on the college grounds to demonstrate the college's dedication to green projects and environmental sustainability. At 4:00 p.m., the programme finished on a patriotic tone with the National Anthem. Dr. G. Subramonian, Principal of the College, and the coordination efforts of the College's Faculty Members and Student-Teachers were important in making this event a huge success.

### Outcomes:

- The event succeeded in raising awareness about the importance of green coverage and the practice of terrace gardening among the college community.
- The initiative encouraged student-teachers to take up the responsibility of fostering a greener and more sustainable environment, not only within the college but also in their daily lives.
- The program fostered a sense of community and collaboration, as faculty members and student-teachers actively participated in the event, promoting a collective effort towards environmental conservation and sustainability.

## **One-day Workshop on Low-cost Teaching Aids Making**

Sri Ramakrishna Mission Vidyalaya College of Education in association with Agastya Foundation, Bengaluru organised a workshop on low cost teaching aids for II Year B.Ed Student Teachers on 22<sup>nd</sup> July 2022 at College of Education Campus. The main idea was to discuss the facts that low-cost teaching aids are an effective tool as it helps to understand various complex scientific principles in an easy way.

Resource Persons from Agastya Foundation emphasised the need to inculcate passion amongst students for science by making classroom teaching more interactive and enjoyable through use of low-cost teaching kits. Tools were designed to engage students through hands on activities for faster learning, discourage cramming and make the subject interesting for them. Further, studies have suggested that students remember 90 percent of what they do and are demonstrated through the medium of science communication.

The participants during the workshops were trained to make easy to use low-cost teaching kits in classroom, which could help in improving conceptual understanding and promoting creativity among students. The student teachers showed keen interest in the workshop and prepared their own low-cost teaching kits demonstrating various scientific principles.

Orientation on Agastya International Foundation activities for school and college students were given. Significance of Agastya's Outreach Programs were also emphasized.

The volunteers from Agastya also oriented about different programmes and initiatives offered by Agastya International which include

Outreach Programs

1. Mobile Science Lab

Activities included in Mobile Lab:

- Science Fairs
- Teacher Training Workshops
- Community Visits

2. Science Center

3. Lab in a Box

4. Lab on a Bike

  
Principal *y/c*  
Sri Ramakrishna Mission Vidyalaya

5. iMobile Lab
6. Young Instructor Leader
7. Operation Vasantha
8. Mobile Innovation Lab
9. Innovation Hub
10. Teacher Training
11. ActiLearn
12. LOB Electronics
13. Raspberry Pi
14. Agastya's Digital Initiative

Students also visited the mobile science lab which was stationed at the campus and the volunteers demonstrated different teaching aids for the student teachers.

Outcomes:

Student teachers gained an idea about designing low-cost teaching aids for their classrooms. These teaching aids can be used in their respective internship schools. They were oriented that the concepts taught using interactive materials and teaching aids will enhance the conceptual understanding of students in schools.

**E-CONTENT DEVELOPMENT WORKSHOP**

Sri Ramakrishna Mission Vidyalaya College of Education organized a workshop for B.Ed. II year student teachers on 20th of July 2022. This workshop focused on teaching them how to create useful digital educational content. It is an important step in helping these future educators become better at using technology in their teaching.

**Objectives:**

- Help B.Ed. II-year student teachers enhance their ability to teach using digital content.
- Teach students how to use digital tools and technology for creating educational content.
- Encourage student teachers to be creative and make engaging digital materials for their future students.
- Ensure that the digital content created is of high quality and meets educational standards.

**Topics and Resource Persons:**

- ❖ Preparation of E-content and Blog Creation:

Sri. V. Eswaran, Assistant Professor in Mathematics

- ❖ Video Content Creation:

Sri. N. Rajesh kumar, Assistant Professor in Biological Science

- ❖ Identifying appropriate E-resources:

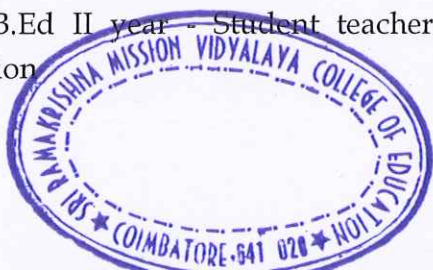

Dr. M. Jagadesh, Assistant Professor in Education

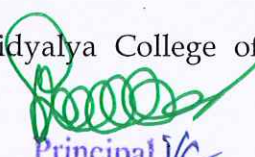

**Student Organizing Committee:**

S. Arunkumar, B. Logeswaran, M. Pranesh – B.Ed II year Student teachers

**Participants:**

B.Ed II year - Student teachers of Sri Ramakrishna Mission Vidyalaya College of Education

  
**Principal VC**  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

## Programme Description

The workshop commenced with a prayer followed by the welcome address by Dr. G. Subramonian, Principal of College of Education. He emphasized the importance of E-Content Development in the present era of digitalization. He also mentioned the need to create quality content and the role of teachers in providing quality education through digital platforms.

Sri. V. Eswaran, Assistant Professor in Mathematics, conducted the first session on Preparation of E-Content and Blog Creation. He explained the process of creating and designing E-Content and Blog, including the use of appropriate tools and techniques. He also gave a demonstration of creating a blog and emphasized the importance of creativity and innovation in creating E-Content. The second session was conducted by Sri. N. Rajesh Kumar, Assistant Professor in Biological Science, on Video Content Creation. He discussed the importance of video content and demonstrated the process of creating video content using various tools and software. He also highlighted the significance of audio-visual elements in creating impactful videos.

The third session was conducted by Dr. M. Jagadesh, Assistant Professor in Education, on Identifying appropriate E-resources. He discussed the various sources of E-Resources and the criteria for selecting appropriate resources for teaching and learning. He also demonstrated the process of selecting and evaluating E-Resources. The workshop concluded with a Vote of Thanks by Dr. S. Sivasankar, Director of Physical Education. He thanked the participants and the faculty members for their active participation and contributions. He also appreciated the efforts of the Student Organizing Committee comprising S. Arun Kumar, B. Logewaran, and M. Pranesh for organizing the workshop successfully.

## Outcomes:

- ✕ Student teachers created digital educational content and blogs using the right tools and methods.
- ✕ Student teachers created engaging educational videos using different software and tools.
- ✕ Student teachers can choose the right digital resources for teaching and learning.
- ✕ The workshop encouraged creativity and innovative thinking in creating educational materials.
- ✕ Student teachers improved their teaching abilities, especially in the digital education landscape.

**Stimulation of Analytical Thinking through Mathematics among School Students**

**Introduction:**

Analytical thinking is a crucial skill that enables individuals to approach complex problems and challenges by breaking them down into smaller parts, analyzing them, and then putting them back together to form a solution. It is an essential skill for students to develop, as it helps them think critically and creatively, and it is useful in various academic and professional pursuits. In recognition of the importance of analytical thinking skills, Sri Ramakrishna Mission Vidyalaya College of Education initiated classes to develop these skills among school students.

**Objectives:**

- To promote analytical thinking skills among students from the sixth standard to the ninth standard.
- To enhance the pedagogical abilities of B.Ed. Student teachers and faculty members in delivering Mathematics education that stimulates analytical thinking.
- To create a competency-based educational approach that seamlessly incorporates analytical thinking strategies into the teaching of Mathematics.
- To establish a nurturing and participative learning setting that encourages teamwork, creativity and the development of problem-solving abilities
- To appraise students' advancements and offer them feedback by employing evaluation and feedback methods.

  
**Principal Vc**

Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

## **Methodology:**

### **a) Curriculum Integration:**

A team of Mathematics educators, and experts and analytical thinking collaborates to integrate analytical thinking skills in existing curriculum that aligns with the national educational standards and promotes higher order thinking skills. The curriculum incorporates interactive teaching methods, problem-solving activities, and real-world applications of Mathematics.

### **b) Teacher Training:**

Student teachers and faculty members received specialized training in instructional strategies that foster analytical thinking in Mathematics. The training included periodical workshops and orientations to equip teachers with the necessary skills to implement the programme effectively.

### **c) Implementation:**

The programme implemented in campus schools, covering students from the first standard to the ninth standard. Teachers deliver the curriculum using a student-centered approach, encouraging active participation, critical thinking and analytical reasoning. The lessons designed to engage students in challenging problem-solving tasks and promote higher-order thinking skills.

### **d) Assessment and Feedback:**

Ongoing assessment tools, such as formative and summative assessments, utilized to monitor students' progress and provide feedback.

  
**Principal i/c**  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

The primary goal of Analytical Thinking classes is to develop analytical thinking skill among school students through teaching Mathematical concepts. Mathematical abilities are essential because they provide structure for rationally solving problems. It helps in the conceptualization of several areas that include verbal components such as numerical knowledge, counting and reasoning as well as non-verbal components such as Mathematical notation, reasoning in time and space, calculation, and so on.

Mathematical exercises such as puzzles, riddles, and open-ended inquiries, finding patterns, brainstorming ideas, analysing data, and making situational decisions among students were planned and executed. Application of analytical thinking components paves the way for enhancing the IQ levels. It supports the growth of pupils' critical and creative thinking. It teaches children how to think differently in a diverse range of situations. Utilization of advanced technology in analytical classes stimulates the interest, curiosity and helps pupils to familiarize Mathematical concepts easily.

### **Phase I : Trainer Training Programme:**

Regular Trainer's Training Programme on Stimulating Analytical Thinking through Mathematics is conducted for student teachers and question paper setters. The Programme coordinated by Sri. V. Eswaran, Assistant Professor in Mathematics and organized by the Internal Quality Assurance Cell, Sri Ramakrishna Mission Vidyalaya College of Education.

The programme has been designed to introduce teaching strategies and syllabus related to stimulating analytical thinking through Mathematics. It will cover various topics including the introduction to Moodle (LMS), hands-on training in Google Sheet, Google quiz and question bank preparation using various resources. The aim of the programme is to equip Student – teachers and Research scholars with the necessary skills and knowledge to promote analytical thinking and problem-solving abilities among school students through Mathematics.

  
Principal VC  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

## Phase - II : Implementation of Programme

Sri Ramakrishna Mission Vidyalaya College of Education initiated organising the Classes on "Stimulation of Analytical Thinking through Mathematics among School Students" for sixth grade students to ninth grade students of Sri Ramakrishna Mission Vidyalaya Swami Shivananda Higher Secondary School. Student-Teachers from Sri Ramakrishna Mission Vidyalaya College of Education and Ph.D Scholars from Department of Mathematics, Sri Ramakrishna Mission Vidyalaya College of Arts and Science has been handling the Analytical Thinking Classes weekly once for a period of 45 minutes duration. Analytical Thinking Tests were conducted through online mode twice in a month to assess pupils' progress. The programme coordinated by Sri. V. Eswaran, Assistant Professor in Mathematics.

### Beneficiaries:

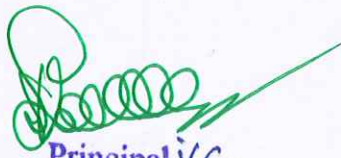

Following is the number of students benefited from stimulation of Analytical Thinking through Mathematics.

Class	Boys	Girls	Total
VI	122	56	178
VII	113	38	151
VIII	132	38	170
IX	162	72	234
Total	529	204	733

### Impact:

The analytical thinking classes organized by Sri Ramakrishna Mission Vidyalaya College of Education helped students develop analytical thinking skills. The online analytical thinking tests conducted twice a month helped assess the progress of students. The students have shown improvement in their analytical thinking skills, which is evident from the progress shown in the analytical thinking tests conducted online.

  
Principal i/c  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

Moreover, the classes also helped students in enhancing their IQ levels, which will be helpful in their future academic and professional pursuits. Analytical thinking skills help students to think critically and creatively, which is essential in various areas of their life. By developing analytical thinking skills, students will be able to tackle challenges with more ease, which will help them achieve their goals. The use of advanced technology in analytical classes has made the classes more interesting and engaging for students. The students were introduced to new tools, such as educational apps, that allowed them to learn and practice analytical thinking skills in a funny and interactive way. By incorporating technology, the classes were able to stimulate the interest and curiosity of students, which helped them familiarize themselves with Mathematical concepts more easily.

### **Roles and Responsibilities:**

Sri. V. Eswaran, as the coordinator of the programme, played a crucial role in planning, organizing, and overseeing its execution. The B.Ed. student teachers (Mathematics and Physical Science) from Sri Ramakrishna Mission Vidyalaya College of Education actively participated in the programme by conducting analytical thinking classes for the students. Mathematics student teachers were responsible for preparing the analytical thinking question papers and conducting online tests. Their efforts were closely guided and supervised by Sri. V. Eswaran, Assistant Professor in Mathematics.

### **Outcomes of the Programme:**

- Improved analytical thinking skills among school students and student teachers leading to enhanced problem-solving abilities and critical thinking.
- Increased engagement and motivation among students due to the interactive and challenging nature of the curriculum.
- Strengthened Mathematical foundations, as students learn to apply analytical thinking strategies to solve complex problems.
- Enhanced pedagogical skills of student teachers, resulting in more effective delivery of Mathematics education that stimulates analytical thinking.

### Report on Adhyapana - Coaching Classes for Economically Weaker Students

The Department of Extension Services, Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) has initiated Coaching Classes for economically weaker students in Naickenpalayam village at Jeeva Karunya Seva Ashramam and Vivekanandapuram village at Periyanaickenpalayam in commemoration of 125<sup>th</sup> Anniversary of Ramakrishna Mission and 75<sup>th</sup> Anniversary of Indian Independence on May 01, 2022 .

The programme is scheduled twice in a week between 5.30 p.m and 6.30 p.m for high school students. The B.Ed. student-teachers of Sri Ramakrishna Mission Vidyalaya College of Education actively engaged the students and take coaching classes for all school subjects in the scheduled time. These coaching classes were conducted from 21.06.2022 to 11.04.2023 during the academic year 2022-2023 with the guidance of the Secretary Maharaj of Ramakrishna Mission Vidyalaya and the people of the Naickenpalayam and Vivekanandapuram villages.

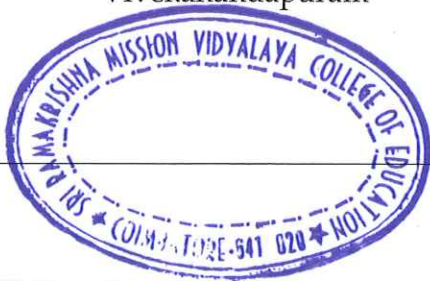

#### Objectives

- To improve the academic standard of the students in the selected villages
- To ensure education for the children of the selected villages
- To provide supplementary education to the children from less-privileged rural background

#### Beneficiaries

Total number of beneficiaries

- Naickenpalayam - 10 Students
- Vivekanandapuram - 05 Students

## ACTIVE LEARNING PROGRAMME

### Objectives :

After completion of the classes, the students are able to:

- Demonstrate a deep understanding of fundamental scientific and mathematical concepts, applying them to real-world problems and scenarios.
- Engage in critical thinking and problem-solving, approaching challenges with analytical and logical reasoning.
- Work collaboratively, contributing to group discussions, team projects, and peer teaching with confidence and cooperation.

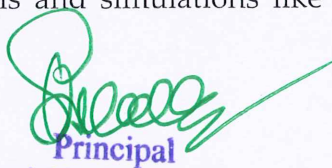

### Programme Details :

Sri Ramakrishna Mission Vidyalaya College of Education has initiated **Active Learning Programme** for the students studying in Sri Ramakrishna Mission Vidyalaya Swami Shivananda Higher Secondary School (Girls Wing) on 13.07.2022. The students studying in classes 6<sup>th</sup> to 8<sup>th</sup> are engaged in Active learning classes by applying active learning strategies in the teaching learning process of Mathematics and Science subjects and extended to 9<sup>th</sup> students as well.

The students were engaged in Active learning classes once in a week for the time period of 90 minutes in each subject. So far students were engaged in 49 active learning classes in Mathematics and 48 classes in Science from the date of initiation.

Science subject is handled by Sri N. Rajesh Kumar, Assistant Professor in Biological Science and Mathematics is handling by Sri V. Eswaran, Assistant Professor in Mathematics. Faculty members use simulations, augmented reality, mixed reality problem based activities and experiential learning in teaching subject specific concepts that stimulates the interests of the students and made them active participation in the classes that enrich the higher order thinking skills and students in the Active Learning Classes. In Active Learning methodology, students learn the concepts and core of the subjects practically by doing activities with lab articles, models and simulations like PhET, GeoGebra and OLABS etc.,

### Report on Yoga and Games for the Children at Government Observation Home, Coimbatore

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) organised Yoga and Games for Children for the Children (CCL - Children in Conflict with Law) at Government Observation Home, Coimbatore through the Department of Extension Services of the College from 02.06.2022 to 27.10.2022. Dr.N.N.Prapakaran, Coordinator, Department of Extension Services, Sri Ramakrishna Mission Vidyalaya College of Education, organised the Programme.

Dr. S. Sivasankar, Director of Physical Education, Sri Ramakrishna Mission Vidyalaya College of Education was the resource person for the yoga training sessions for the children at government observation home, Coimbatore. The session included various Yogasanas (postures) and pranayama (breathing exercises) suitable for children. The instructors explained the importance of each asana and guided them in performing the asanas correctly. The yoga session aimed at improving flexibility, balance, and overall physical and mental well-being. After the yoga session, the children actively participated in various indoor games. The games were designed to enhance physical fitness, develop teamwork skills and encourage healthy competition among the children.

#### Objectives of the Programme

- ❖ Introduce the children to the practice of yoga and its benefits.
- ❖ Promote physical fitness and healthy lifestyle habits.
- ❖ Foster a sense of discipline, focus and concentration among the children.
- ❖ Encourage teamwork, cooperation and social interaction through games and activities.
- ❖ Provide a fun and enjoyable experience for the children.

## Beneficiaries

Total number of beneficiaries - 19

## Outcomes of the Programme

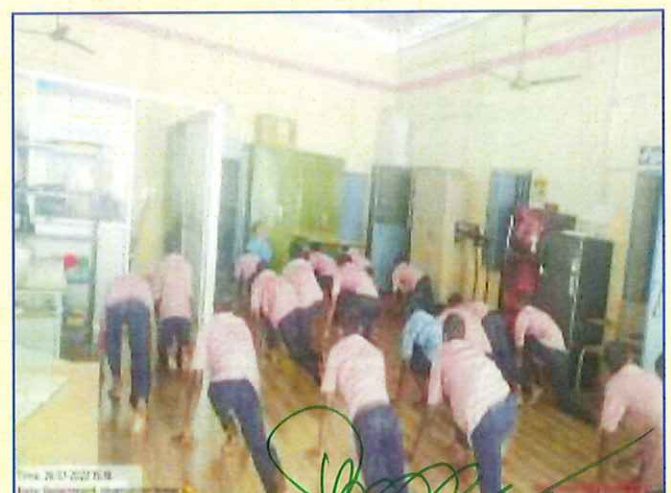

- Participants experienced holistic development, combining physical fitness from yoga with enhanced character and personality traits, fostering balanced individuals.
- The programme helped children develop emotional resilience, self-awareness, and interpersonal skills, empowering them to better navigate life's challenges.
- Through yoga and personality development, participants gained tools to manage stress and anxiety, leading to improved mental well-being.
- The initiative equipped children with skills and confidence, enhancing their readiness for reintegration into society as responsible and self-assured individuals.

**REPORT OF THE ANNUAL ATHLETICS TRACK AND FIELD MEET  
FOR THE YEAR 2021 - 22**

Sri Ramakrishna Mission Vidyalaya College of Education organized the annual sports meet on May 14, 2022, at the Sri Ramakrishna Mission Vidyalaya Maruthi College of Physical Education athletic track. The event saw the participation of students from both B.Ed first-year and second-year courses. A total of 42 students participated in the athletic events.

The sports meet featured a range of athletic track and field events, including 100 meters, 200 meters, 400 meters, and 800 meters races, and field events such as long jump, shot put, and javelin throw. The students who participated displayed their skills and talents in front of their peers, teachers and other officials.

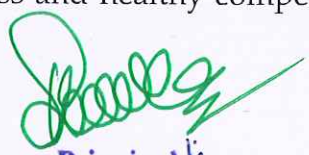

The atmosphere at the sports ground was electric, with students cheering for their respective teams and participants. The sports meet lasted for the whole day, with a lunch break in between to provide students with some rest and rejuvenation.

After the completion of all events, the students were assembled, and the national anthem was played. The Bachelor of Physical Education students of Sri Ramakrishna Mission Vidyalaya College of Arts and Science acted as officials in the athletic meet, ensuring the smooth running of the event.

Overall, the sports meet was a great success, providing a platform for students to showcase their talents and skills. The event helped to promote physical fitness and healthy competition among the students. The sports meet was a great opportunity for students to engage in healthy competition, and the spirit of sportsmanship and teamwork was evident throughout the event.

In conclusion, Sri Ramakrishna Mission Vidyalaya College of Education's annual sports meet was a resounding success, providing an opportunity for students to showcase their athletic abilities and promoting a culture of physical fitness and healthy competition among the student community.

**REPORT of  
A Three Day Scout Master Beginners Camp**

Scouting encourages young people to recognize the needs of others and take action accordingly. The scout besides a community work also encourages the physical, intellectual, social, emotional and spiritual development of young people so that they become a responsible citizen and the noble human. "Service to people is the service to God".

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) conducted a Three Day Scout Master Beginners Camp from 26.04.2022 to 28.04.2022 at the College of Education campus. Usually the college conducts seven Days Scout Master Basic Course but this year due to Covid, we conducted Three Days Scout Beginners course only. At camp, Scouts gain a positive sense of self-worth and usefulness by applying their creativity and skills - helping teach others, working together, cleaning their campsite, and doing other social services throughout the camp. Kongu Mandala District Scouts and Guides Association office barriers Sri. R. Lakshmanan, Scout Master and Sri A, Bhaskaran, Scout Master conducted the Scout camp. In total 38 students participated in this camp. All the students actively participated in the camp. Kongu Mandala District Scouts and Guides Association gave the camp certificate to all participants.

## Celebration of the National Science Day on 28-02-2023

The Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) celebrated National Science Day on 28<sup>th</sup> February 2023 with enthusiasm. The organizing team, consisting of B. Soundara Rajan, K. Pradeep, G. Hariharan, and S. Priyadharsan, put together a wonderful programme of events and activities for the day, with the support of the Co-coordinators, Dr. R. Ayyappan and Sri N.Rajesh Kumar, both Assistant Professors at the College of Education.

### Objectives

- To prepare and evaluate Science invention-related questions among the student - teachers.
- To promote a scientific temper and a spirit of inquiry among student - teachers.
- To encourage student - teachers to teach through innovative methods and simulations in Science subject.

### Resource person

The event was graced by the presence of esteemed guests, Dr. G. Subramonian, the Principal of the college, and Dr. Gopi, Assistant Professor in Physics at SRMV College of Arts and Science (Autonomous). Sri. M. Pranesh delivered the welcome address, in which he stressed the importance of Science and Technology in the modern world and the need for promoting scientific research and Education.

Dr. G. Subramonian, the principal of the College of Education, delivered the presidential address, in which he emphasized the importance of National Science Day and the role of Science in shaping the world we live in. He also spoke about the various initiatives taken by the college to promote Science Education and research among students.

The chief guest, Dr. Gopi, Assistant Professor in Physics, then delivered a keynote address, in which he spoke about the latest developments in the field of Physics and their applications in various domains.

The event also included various activities, such as Science quiz, Evaluation tools and lectures, organized by the coordinators and the organizing team. The students actively participated in these activities.

The event concluded with a vote of thanks by Sri. S. Arunkumar, who thanked the Secretary, Principal, Chief guests, staff, and students for their active participation and contribution to the success of the event. The programme ended with the National Anthem.

## Outcomes of the Programme

- The celebration of National Science Day created as strong connection between student- teachers and teacher educators.
- As a result of National Science Day, a greater level of thinking skills were developed among the student - teachers.

### Report

#### Birth Anniversary of Veerapandiya Kattabomman and Rani Velu Nachiyar

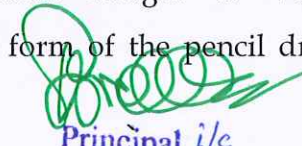

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) celebrated the Birth Anniversary of Veerapandiya Kattabomman and Rani Velu Nachiyar on 03.01.2022 in the college premises. The prime objective of the celebration was to develop patriotism and remember the sacrifices made by the freedom fighters in the Indian freedom movement.

The programme began at 2.30 pm with prayer. Dr. G. Subramonian, Principal of the College welcomed the gathering and briefed few details about the patriotic role and glory of Veerapandiya Kattabomman and Rani Velu Nachiyar. He introduced the Resource Person Sri S. Veerakumar, Headmaster, Sri Ramakrishna Mission Vidyalaya High School, Coimbatore, and honoured him by presenting a memento. The Resource Person, Sri S. Veerakumar delivered a special address on the core values of teaching profession and the importance of the celebrations of Birth Anniversary of Veerapandiya Kattabomman and Rani Velu Nachiyar.

The student-teachers of the college actively participated in the programme and involved in various activities. Sri C. Vimalraj listed out the significance of 'Early Life of Veerapandiya Kattabomman', Sri S. Sajeeb threw light on 'The Legacy of Veerapandiya Kattabomman', Sri M Manoj Prabhakar delivered a speech on 'Early Life of Velu Nachiyar' and Sri S Gokulrajaprakasam dwelt upon 'The Contributions of Velu Nachiyar in Freedom Struggle'. Sri K. Baskaran and Sri S Aurobindo read out poems on 'Penmaiya Peranmai Velu Nachiyar' and 'Veerapandiya Kattabomman' respectively.

Sri S. Arunkumar presented the visual images of Veerapandiya Kattabomman and Rani Velu Nachiyar in the form of the pencil drawing and

  
Principal i/c

College of Education (Autonomous)  
Coimbatore-641 020

explained the untold information about them. The student-teachers namely Sri V. Arikrishnan, Sri B Soundar Rajan, Sri M Pranesh, Sri B. Logeswaran, Sri S. Priyadharsan and Sri K. Pradeep performed a skit on 'Altercation of Veerapandiya Kattabomman with Jackson'. It was quite realistic and attractive indeed. Sr. A.R. Raghul and K. Vijaykarthick engaged as masters of ceremony. All the faculty members and student-teachers actively participated in the programme. Dr. G. Subramonian, Principal of the College appreciated all the participants. A formal vote of thanks was proposed by Dr. P. Vel Murugan, Assistant Professor in History. The programme ended with National Anthem at 4.00 pm. Dr. G. Subramonian, Principal of the College, Dr. P. Vel Murugan and Dr. K. Karthigeyan, Coordinators of the programme, all the faculty members and student-teachers of the college have made the function a grand success.

Outcome of the Programme: 81% of the student-teachers were highly satisfied with the programme. A number of students expressed their views that they learnt about the courage of Veerapandiya Kattabomman and Velu Nachiyar and their contributions to the freedom struggle in India. The programme created patriotic spirit and develop leadership skill among the student-teachers.

**NATIONAL MATHEMATICS DAY - 2021**

National Mathematics day was celebrated in Sri Ramakrishna Mission Vidyalaya College of Education on 22.12.2021 at 2.30 p.m.

**Objectives:**

- To celebrate and honour the famous Mathematician, Srinivasa Ramanujan, and his important Math work.
- To teach students about Math in a fun way, including puzzles, tricks, and shortcuts, to make math interesting.
- To show how Math is useful in our everyday lives, like in exams and teaching careers.
- To encourage students to practice Math and aim for success in their studies and future jobs.

The programme began with Prayer song by Bhagavathar. Sri V. Eswaran, Assistant Professor in Mathematics, SRKV College of Education, delivered welcome address and introduced Resource Person Sri N.Tamilselvan, (Alumnus) Post Graduate Teacher in Mathematics, Govt.Hr.Sec.School, Kalapatty, Coimbatore.

The resource person Sri N. Tamilselvan (Alumnus), delivered a special address on National Mathematics Day: Remembering Mathematician Srinivasa Ramanujan and his contribution to the world, Math puzzles, Math tricks, Math shortcuts, Magic square, Importance of Mathematics in day to day life and role of Mathematics teacher. He motivated the student teachers to practise and apply mathematical concepts to excel in competitive exams, and teaching profession. Also he addressed about his teaching experience and social services.

Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

Sri P. Santhosh Shreshtha, B.Ed., first year student teacher has delivered a speech on biography of Srinivasa Ramanujan and his contribution in Mathematics.

The Department of Mathematics conducted a poster presentation competition to the first year B.Ed. student teachers. They actively participated in the event.

The Resource Person assessed the student teacher's presentation skill and announced the Prize winners.

First Prize	-	Sri M Gowtham
Second Prize	-	Sri G Balasubramani
Third Prize	-	Sri M Pranesh

All the faculty members and first year B.Ed. student teachers actively participated in this fest. Dr. Subramonian, Principal, Sri Ramakrishna Mission College of Education appreciated the prize winners and all participants, besides and also honouring the resource person. The Principal also vote of thanks at the end of the Session.

The feedback of student teachers were received through Google form and were issued the e-certificate for prize winners and all participants. Mastery of ceremony was done by Sri A R Rahul, I year B.Ed., student teacher. The programme ended with National Anthem.

#### **Outcome of the Programme:**

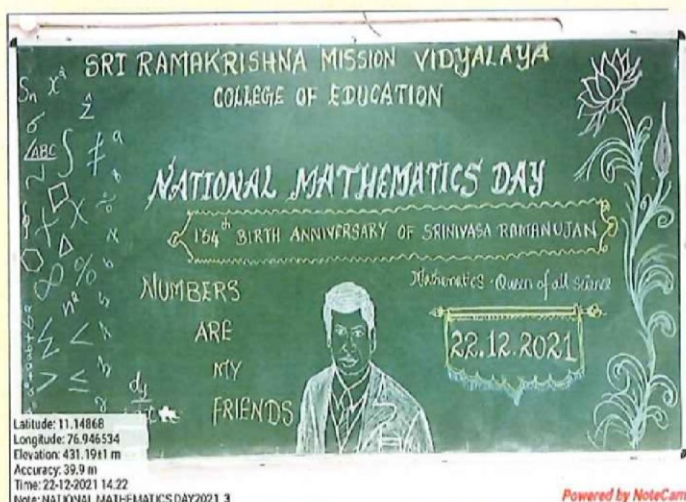

- Student teachers understood the life history of the famous Mathematician Ramanujan, and his Math achievements.
- Student teachers found Math fun with puzzles and tricks, which made them more interested in the subject.
- Student teachers realized how Math is used in everyday life, exams, and teaching jobs.
- The programme inspired them to practise Math and aim for success in their studies and careers.

**Periodic Lecture Programme (PL) - 2021**

Organized by

**Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous)**

and sponsored by

**Indian Council of Philosophical Research, New Delhi**

**09.12.2021**

**Objectives**

- To instill spiritual and moral values among participants of the Periodic Lecture Programme.
- To disseminate philosophical thoughts among students, teachers and academicians.

**Participants**

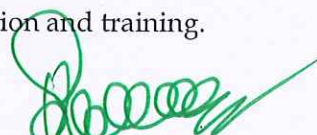

The Programme was primarily intended for the B.Ed., M.Ed. and Research Scholars of Sri Ramakrishna Mission Vidyalaya College of Education. Since the topic were pertinent and needed for all, we made the registrations open to all across India. As many as 374 participants registered for the Periodic Lecture Programme.

**Periodic Lecture Programme Report**

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) and Indian Council of Philosophical Research, New Delhi have organized a Periodic Lecture Programme (PL) - 2021 for disseminating Philosophical thoughts among students, teachers and academicians. Indian Council of Philosophical Research has an ongoing scheme of helping the Colleges in India where Philosophy is taught for organizing Periodic Lecture every year to enable students, scholars and teachers of Philosophy to be benefitted by learners of eminent scholars.

Philosophy and education have as a common goal - the development of total intellect of a person and the realization of the human potential. Concerned about the gradual erosion of moral and spiritual values in every sphere of life and activity, there is a pressing need to impart the age-old cherished ideals and values aimed at providing, what the great patriot-monk Swami Vivekananda had said, 'life-building, man-making, character-making and nation-building', education and training.

  
**Principal 1/c**  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

Meditation, which gives an insight to the depth and breadth of the mystical traditions of India, was developed by Ancient Hindu Sages. Swami Vivekananda propagated it to the world through his lectures and practical lessons. He stressed the need to concentrate on the mind, which is a lamp that gives insight to every part of our soul.

A programme of this kind for students, teachers and administrators with enlightened thoughts from Swamijiis will make an effort to instill faith in oneself and impart nobler values of life and life-giving strength, to raise individuals to higher levels of strength and felicity with spiritual, moral, ethical and eternal values of personality development and human excellence.

The Periodic Lecture Programme was planned as given below.

S. No	Title & Distinguished Speaker	Time
1	<b>Swami Atmashraddananda</b> Secretary, Ramakrishna Mission Ashrama, Kanpur.	10.00 AM to 11.30 AM
2	<b>Swami Bodhamayananda</b> Director, Vivekananda Institute of Human Excellence, Ramakrishna Math, Hyderabad	11.45 AM to 1.15 PM
3	<b>Swami Mahamedhananda</b> Editor, The Vedanta Kesari, Sri Ramakrishna Math, Chennai	02.00 PM to 03.30 PM

#### Outcomes

The participants were truly inspired by the sessions on various topics. Participants interacted with Swamijiis and got enlightened with their spiritual, moral and philosophical ideals of great leaders. This is evident from the positive feedback which we have received for all the three sessions. Participants requested to conduct many more sessions of this kind in the future.

### INSTITUTION PROFILE

#### RAMAKRISHNA MISSION VIDYALAYA

Ramakrishna Mission Vidyalaya, Coimbatore, is a renowned educational centre of the well-known Ramakrishna Mission, Belur Math and is situated in Coimbatore, Tamil Nadu. The institution is located in a serene environment which is spread over 300 acres. The institution was founded by Dr. T.S. Avinashilingam Ayya in 1930. Mahatma Gandhi, the Father of our Nation laid the foundation stone of the Vidyalaya in 1934 and wished that the students of Vidyalaya would be intensely patriotic followers of truth. The Vidyalaya was affiliated to the Ramakrishna Mission in the same year.

The Vidyalaya strives to infuse the educational and spiritual ideas of Bhagavan Sri Ramakrishna and Swami Vivekananda into the daily lives of its students. Emphasis is laid on their all-round growth and enrichment. Universal values such as self-reliance, self-control, patriotism, service and dedication of duty are taught in various practical ways. A band of monks and brahmacharis of the Ramakrishna Order manage the activities of the Vidyalaya assisted by a highly professional and dedicated team of teaching and non-teaching staff.

#### THE COLLEGE OF EDUCATION

Sri Ramakrishna Mission Vidyalaya College of Education was established in the year 1950 and autonomous status was conferred in the year 1981-1982. The College of Education is a unit of Ramakrishna Mission Vidyalaya and has completed 70 years of purposeful service to the student community and society. The courses offered by the college are recognized by the National Council for Teacher Education and Tamil Nadu Teachers Education University, Chennai. The college aims at man-making and character building education as advocated by Sri Ramakrishna, Swami Vivekananda and Mahatma Gandhi. The College offers B.Ed., M.Ed., M.Phil (Full time & Part time) and Ph.D (Full time & Part time) programmes.

The institution believes that the true service of teacher educational institutions lie in imparting quality teacher education including moral values and motivating young minds toward realistic achievements.

#### HIGHLIGHTS

- The first College of Education in India to be awarded the status of Autonomy.
- The only College of Education in the country to receive A++ (3.82) CGPA from NAAC in 2017.

#### TARGET GROUPS

The Faculty Members of the AICTE approved Institutions (Engineering Colleges and Polytechnics), Research Scholars, PG Scholars, participants from Government, Industry (Bureaucrats / Technicians / Participants from Industry, etc.), Industrialists and School Teachers

- Publishes a Peer reviewed Quarterly Journal of Educational Research and Extension with Impact factor.
- Approved research centre for conducting research in Education and allied fields.
- A recognized study center of IGNOU for B.Ed. and M. (Edu.) through distance education.
- The extension services department of the college conducts in-service courses for teachers every year to update their knowledge and methodology of teaching.

#### THEME OF THE FDP

- A good lifestyle management is an intervention designed to promote positive lifestyle and behaviour change and is widely used in the field of health promotion.
- Unfortunately in our Modern/digital world all are following the western styles. It leads to poor life style and poor health. Poor health leads to many psychological (Stress, Anxiety etc.) and health problems/diseases. The ideal aim of an individual is to be free from disease and lead a peaceful life.
- Many ways are there to improve the good health. But Yoga and Meditation are the most valued and an traditional method to improve the good life style and health. Meditation is a practice where an individual uses a technique - such as mindfulness, or focusing the mind on a particular object, thought, activity - to train attention and awareness, and achieve a mentally clear and emotionally calm and stable state.
- Meditation may significantly reduce stress, anxiety, depression, and pain, and enhance peace, perception, self-concept, and well-being.
- Transcendental meditation is the one of the most widely practiced meditation techniques. Transcendental meditation involves silently repeating a mantra for 15-20 minutes a day and is commonly done sitting with the eyes closed.
- It is to bring that pleasurable feeling of inner calm into your daily life and to bring your mental, physical and spiritual capacities to their fullest potential.
- It is also a tool to explore reality at its most basic level. This FDP may give clear ideas about Life style, Meditation, and how to refresh the mind.

from 27.10.2021 to 01.09.2021

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous), Coimbatore, conducted a 5-day Online FDP sponsored by AICTE Training and Learning (ATAL) Academy on Leadership and Excellence - Achieving Leadership Excellence for Teachers of Higher Educational Institutions from 27<sup>th</sup> September to 01<sup>st</sup> October 2021. The Faculty Members of the AICTE approved Institutions (Engineering Colleges and Polytechnics), Research Scholars, PG Scholars, participants from Government, Industry (Bureaucrats / Technicians / Participants from Industry, etc.), Industrialists and School Teachers were the intended participants of the FDP.

**THEME OF THE FDP**

Leadership has been defined in many ways and is possibly one of the most researched subjects in the world today. Though so much has been said and written, one finds it difficult to have a final word on the subject of leadership. Most people agree that developing and living an enabling and empowering vision is the very essence of effective leadership. Vision statements are the inspiring words chosen by successful leaders to clearly and concisely convey the direction of the organisation. By crafting a clear vision statement, one can powerfully communicate one's intentions and motivate the team or organisation to realise an attractive and inspiring common vision of the future. One can only think strategically and outline a vision after having a complete understanding of the existing reality. Leadership Excellence means being on the road towards what is better, more successful. This requires the leader to be committed to development and improvement and be aware of them. Viewing teachers as leaders requires a paradigm shift about the concept of leadership in an educational system. A faculty development programme like this disposes empowering teachers to utilize their leadership skills and contribute to the system as it fulfils its mission to offer education to its students that is effective, challenging, and engaging. This FDP will address the prominent areas of leadership such as Roadmap for Excellence - Contemporary Strategies, Multiple Intelligence, Life Skills, Mental Health etc.

**Participants**

Two hundred participants across India from different institutions registered for the FDP.

  
Principal  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020,

The schedule of the FDP is given as follows

Date & Day	Session I 09.30 am - 11.30 am	Session II 11.30 am - 1.30 pm	Session III 2.30 pm - 4.30 pm

**PARAMARSH**

**UGC Scheme for Mentoring NAAC Accreditation Aspirant Institutions to Promote Quality assurance in Higher Education**

**Objective:**

To mentor National Accreditation and Assessment Council (NAAC) accreditation aspirant institutions for promoting quality assurance in higher education.

**Implementation:**

The scheme will be operationalized through a "Hub & Spoke" model wherein the Mentor Institution, called the "Hub" is centralized and will have the responsibility of guiding the Mentee institution through the secondary branches the "Spoke" i.e. through the services provided to the mentee for self-improvement.

This will allow a centralized control over operational efficiency, resource utilization to attain overall development of the mentee institution.

**Target:**

The scheme will target 1000 Higher Education Institutions (HEIs) for mentoring with a specific focus on quality as enumerated in the UGC "Quality Mandate".

**Expected Benefits:**

- It will lead to enhancement of overall quality of the mentee institutions and enhance its profile because of improved quality of research, teaching and learning methodologies.
- It will help the mentee institution in getting NAAC accreditation.
- It will also facilitate the sharing of knowledge, information and opportunities for research collaboration and faculty development in Mentee Institutions.
- It will help in providing quality education to the 3.6 crore students who are enrolling to Indian Higher Education system at present.

**NAAC Best Practices on**  
**“Pivotal of Teacher Education: Impact of innovative Practices”**

14.08.2020

**Best Practice: 1- Providing inter-disciplinary curricular experience to cater to an inclusive society**

**1.1 Objectives**

Special Education teachers are linked with the institution to enable student-teachers understand the needs of an inclusive classroom. The heterogeneity of the students raises an environment to enable students to have an interdisciplinary curricular experience by collaborating with Special Education units. Such practice prepares the student-teachers to deal with the diverse needs of learners in the classroom.

**1.2 The Context**

Inclusion is a concept that has gained a lot of importance especially during the last decade and there is a need to prepare student-teachers to cater to an inclusive society. They should be able to attend to the diverse needs of learners in the classroom. This provides the teacher experience to work with Knowledge drawn from multi-disciplines which shape the learning experience. Such practice attempts to prepare the student-teachers to handle the heterogeneous class that includes students with special needs. Inter-disciplinary curricular experience is a model where students with special needs spend their time with normal students. The goal of inclusive education is to provide the students with most appropriate learning environment and opportunity to achieve the best of their potential.

**1.3 The Practice**

Realizing this need, theory papers in Special Education are conducted both at the B.Ed and the M.Ed levels. In B.Ed, Special Education is being offered that uncovers topics like types of disabilities, service delivery models, rehabilitation methods etc. Yet another paper namely Education of the Differently abled is offered for M.Ed where the same topics in greater depths along with reach in special education is also being taught. The services of faculty members who are members of RCI are utilized for the conduct of these courses. Opportunities are provided for M.Ed students to have a three week field internship programme at the Faculty of Disability Management and Special Education (FDMSE).

**1.4. Evidences of Success:**

Student-teachers get to know about the curriculum and each of the Special Education units functioning in detail and get a hands-on-experience on using some of the facilities in the institution. The students are also provided with the hands-on experience in handling the equipment and corrective methods for specific disability. The alumni of the college who are working as teachers in various schools also vouched that the exposure given on topics related to Inclusive Education helped them a lot in their teaching career.

Principal /c  
Sri Ramakrishna Mission Vidyalyaya  
College of Education (Autonomous)  
Coimbatore-641 020.

### 1.5 Problems Encountered and Resources Required:

Adjusting the time of the internship programme to the convenience of both the institutions is the major problem encountered. Dedicated and experienced college faculty who are capable of handling papers in Special Education and keep themselves updated on the new developments in the field.

## Best Practice:2- Organizing Personality Development and Educational Programmes for the Children of the Adopted Village

### 2.1 Objectives:

As a mark of commitment to serve the society, a village called Bharathi Nagar is adopted by the institution. All student-teachers involved in the service of the inmates of Bharathi Nagar. Focused camps were organized to ensure education and primary medical care for the children of the adopted village. The student-teachers also helped in the development of social skills among children of the adopted village. This instilled a sense of responsibility in serving the needy among the student-teachers.

### 2.2 The context

A village called Bharathi Nagar is adopted by the institution to provide basic literacy and improving social skills among the children. Faculty and student-teachers actively participated in organizing regular interactions, camps, awareness programmes. Focus was given to the educational, medical and basic needs of the village people.

### 2.3 The practice

Free education is offered to the children from their locality in the Vidyalaya Schools. There are four Vidyalaya schools in the vicinity where the students from Bharathi Nagar are admitted for schooling. Students from the College of Education engaged school students with free coaching classes after the school hours. Students will be picked up from their homes and they are brought to the Vidyalaya and are provided with meals at free of costs. All round care is taken of logistics, food, education, and well-being. Free medical camps and awareness programmes were also organized for the children to address the health care needs of the adopted village.

### 2.4 Evidences of Success:

The village people had positive feedback about the initiatives taken by the institution for the betterment and overall development of the children of Bharathi Nagar. Regularity of the children of the adopted village in the Vidyalaya schools improved much. Illiteracy problems were taken care of to a great extent by providing schooling to the younger generation. The general health condition of the people in the adopted village was improved.

  
Principal i/c  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

### 2.5 Problems Encountered and Resources Required:

Inadequate support of illiterate elderly people in the village is a serious threat. The elderly who are illiterate refused to utilize the benefits of literacy for the younger population and thus demotivate. The resources required additional learning materials to cater to the diverse needs of the children and the resource to be ensured for the continuity of the programme.

## Practice: 3- Periodical Publication of the Abstracts of the College Journal.

### 3.1 Objectives

Sri Ramakrishna Mission Vidyalaya College of Education approved research supervisors and this is the only research centre in the vicinity. Hence, the institution provided all resources for conducting research in the field of Education. The objectives of this practice are to disseminate research practices carried out in the various areas of Education, help researchers gain understanding of the work done in their areas of interest and identify topics which are worth exploring. This helped researchers to know about various research methodologies and analyze the importance of the findings of a particular study.

### 3.2 The Context

The institution already publishes the Journal of Education Research and Extraction, and being the 58<sup>th</sup> year of the publication of the journal, Research Abstracts on Education has been compiled to present widely scattered research in a compact form, and assist in making encapsulated information and recommendations of research available to planners, programme implementers and young researchers. The abstract is not a simple abstract that the author has sent. But these abstracts are very systematically prepared to give a holistic understating of the published research that are abstracted.

### 3.3 The practice

The college has a long legacy of nurturing research and has been publishing the 'Journal of Educational Research and Extension', a peer reviewed quarterly journal since 1964. Fifty-Seven volumes have been published till date and the abstracts combined from articles are a great source of knowledge to researchers. Only few reputed institutions publish research abstracts regularly and our institution is one among them.

### 3.4 Evidences of Success:

The college alumni and students have reported that the publication of abstracts has helped them a lot in pursuing research in the educational field. Positive feedback has also been obtained from the colleges subscribing the journal.

### 3.5 Problems Encountered and Resources Required

- Want of adequate prior training for those involved in preparing the abstracts
- No major difficulties encountered in publishing the abstracts

  
Principal i/c  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

## Best practice: 4 - Accessibility of Open Online Instructional Resources in Laboratories

### 4.1 Objectives

- To equip the student-teachers with ways of dealing with diverse learners in the classroom.
- To provide student-teachers with ways to explain concepts in clear and concrete ways.
- To equip student-teachers with skills to provide better opportunities to visualize concepts

### 4.2 Context

Good number of open online instructional resources is available these days on all school subjects. Most of the schools may not be able to afford certain lab equipment due to cost factor or their unavailability. Online open access instructional resources are the best option in such situations.

### 4.3 The practice

The college tried to train student-teachers in the use of such online resources so that in future, they will be able to provide better multisensory learning experiences to students. Some of the open access resources used are like TED, Periodic Videos, Biology corner, and other open educational resources. Videos by native speakers provide good understanding of the subject with understandable communication that helps the students prepare for competitive exams like IELTS etc. The subject laboratories in the college have been equipped with the required online instructional resources.

### 4.4 Outcomes of the practice

Student-teachers found the use of these online instructional resources as great means not only to teach students in schools, but also to better their own understanding of the concepts. The animations and simulations through these resources proved to be a lot helpful for slow learners during the remedial sessions.

### 4.5 Problems Encountered and Resources Required

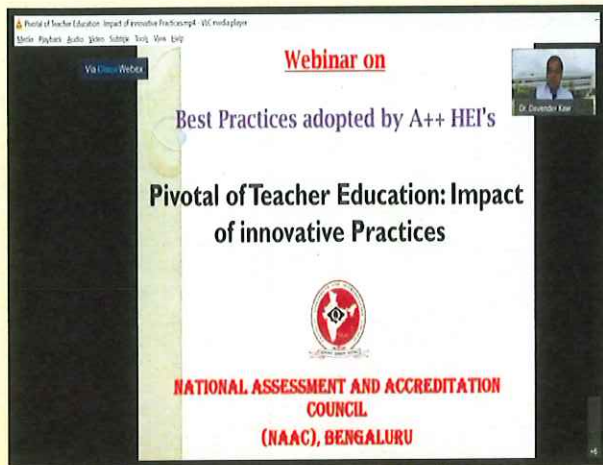

There needs to be good Wi-fi connectivity in the labs and needs prompt technical help in labs. Initial reluctance on the part of student-teachers to get acquainted with its access is something that needs to be fought by oneself. Support of the technical staff to install the required software and Infrastructural facilities needs support resources.

### **Reports of One Day National Webinar on Mastering Speaking Skill among the Prospective Teachers**

The One-day National Webinar on “Mastering Speaking Skill among the Prospective Teachers” has been arranged by the Department of English Education, Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous), Coimbatore, between 10.30 a.m. and 12.30 p.m. on 02.07.2020, Thursday. 2091 members from all over the Nation registered their entry within three days from the launch. It was also planned by the technical team of the Webinar that the first 250 participants could attend the programme by “Google Meet” and the rest of the registered participants would attend the same by “Google Stream”.

The programme began with the invocation of Almighty at 10.30 a.m. on 02.07.2020. Dr. V. Srinivasan, Associate Professor and Organising Secretary of the Webinar extended a warm welcome to everyone associated with the Webinar. Dr. G. Subramonian, Principal, Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous), Coimbatore, stressed the need for developing Communication among the Prospective Teachers in his Inaugural Address.

Dr. A. John Lawrence, Associate Professor, St. Xavier’s College of Education (Autonomous), Palayamkottai, acted as the Resource person for the Webinar. He enumerated the problems of the Prospective Teachers in mastering Speaking skill and suggested easy ways to overcome them. His deliberations based on practical observations and critical suggestions were eloquently presented in a lucid manner, and his recommendations to develop oral fluency were worth mentioning. At the end of the session few clarifications were made and, for further clarifications, the e-mail of the Resource person was provided and the observations and queries were entertained by him.

The Webinar arrangements were made by a set of technical team comprising Dr. S. Swaminathan, Librarian, Dr. R. Ayyappan, Assistant Professor, Dr. S. Sivasankar, Director of Physical Education, Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous), Sri Thinesh, Assistant Professor in Computer Science, Sri Ramakrishna Mission Vidyalaya College of Arts and Science (Autonomous) and Sri A. Velayutham, Assistant Librarian, Maruthi College of Physical Education (Autonomous), Coimbatore. Dr. V. Srinivasan, Associate Professor and Organising Secretary of the Webinar thanked everyone who rendered their service in carrying out this programme successfully. 169 members sent their feedback on the session, and the certificates were sent to them by e-mail.

**Report of "Workshop on Health and Hygiene"**

**Introduction**

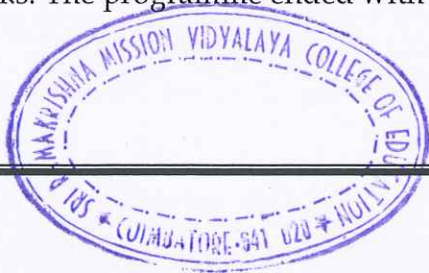

Hygiene is a series of practices performed to preserve health. According to the World Health Organization (WHO), "Hygiene refers to the conditions and practices that help to maintain health and prevent the spread of diseases. Personal hygiene refers to maintaining the cleanliness of the body. Hygienic activities can be disseminated basically from home and everyday hygiene should be ensured both at home and outside.

**Report**

To improve good habits and to know the importance of hygiene, Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) organized a workshop on "Health and Hygiene" at 11 a.m. on March 11, 2020, at the Conference Hall. The programme started with a prayer song by Sri. M. Giriprakash, Music Teacher. Followed by the prayer song Dr. G. Subramonian, Principal of our college, delivered the welcome address and introductory address. Then Sri R. Sankaralingam, Food Safety Officer, Tirunelveli, acted as a resource person and explained the importance of hygiene and the prevention of diseases with a detailed presentation. The students enthusiastically took part in the workshop.

Sri. A.C. Ramesh, Health Officer, Tirunelveli, acted as a resource person and explained the importance of Personnel Hygiene and also gave hands-on training on "Hand Wash." The students enjoyed themselves and were happily involved in the activities.

Then Dr. V. Shanmuga Ganesan, Associate Professor, proposed the vote of thanks. The programme ended with the National Anthem.

**WORKSHOP ON APPLICATION OF STATISTICS  
USING EXCEL AND SPSS IN RESEARCH  
12<sup>th</sup> & 13<sup>th</sup> February 2020**

**ABOUT THE WORKSHOP**

SPSS is a widely used statistical program used for data analysis in Social Sciences, Biological and Health Sciences. SPSS is a powerful suite of data analytics, reporting and modeling software. This workshop is intended to equip participants with basic and advanced data analysis skills using SPSS to produce best quality research and contribute to evidence based policies and practices. The main focus of the training will be on identifying the right statistical tools and techniques for different research objectives and carrying out data analysis using SPSS. The participants learn how to make the data ready for analysis, data entry, cleaning and analysis in SPSS. The Microsoft Excel is also a very strong tool in statistical computing and enhancing the practical concept of calculation mechanism. The participants will get a hands-on experience of MS-Excel and its use in solving the examples before using SPSS. Also the workshop will enable learning how to interpret and report findings/results. Complete hands-on training methodology will be used targeting on 'do how' rather than only 'know how'.

**OBJECTIVES OF THE WORKSHOP**

Against the above background and context, the objectives of the Workshop will be:

- To expose the participants towards simple and exhaustive ways of data analysis through interactive and practice based sessions along with theoretical learning.
- To provide a hands-on experience of the models and tools used for conducting research in the different subject domains of Social Science, Humanities and Science subjects.
- To equip the participants with the knowhow to use SPSS, perform analyses, check for statistical significance and interpret the data output in a manner relevant to them.

Principal 1/c  
Sri Ramakrishna Mission Vidyalaya  
College of Education (Autonomous)  
Coimbatore-641 020.

## INTENDED PARTICIPANTS

The Workshop is designed for anybody who is interested in augmenting their research skills including full-time faculty members, research scholars, post graduate students and research professionals. The number of participants is limited to 50 and will be selected on first-come-first-served basis.

## WORKSHOP REPORT

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) organized a two-day workshop on "APPLICATION OF STATISTICS USING EXCEL AND SPSS IN RESEARCH" on 12th & 13th February 2020 at the college venue. The Workshop was designed for anybody who is interested in augmenting their research skills including full-time faculty members, research scholars, post graduate students and research professionals. Dr. K. Marimuthu, Professor of Biotechnology, AIMST University, Malaysia was the resource person for the two-day workshop. The number of participants was limited to 50. FIFTY-FIVE participants responded through offline and online mode. FORTY-TWO participants who had registered earlier attended the workshop. Participants from different institutions across the state have attended the workshop. The institutions include Avinashilingam Institute for Home Science & Higher Education, Bharathiar University, National College, Trichy, Sri Ramakrishna Mission Vidyalaya College of Education, Sri Ramakrishna Mission Vidyalaya College of Arts & Science to name a few.

The Programme Schedule is given as follows

	Day - 1
Time	Agenda
10.00 – 10.30 am	Inauguration
10.30 – 11.30 am	Basic Concepts and Application of Statistics in Research
11.30 – 11.45 am	Tea Break
11.45 – 01.00 pm	Excel functions, Graphical Presentation, Data Analysis using Excel – Hands on Exercise
01.00 – 02.00 pm	Lunch
02.00 – 03.30 pm	Introduction to SPSS – Data Entry, Define Variables & Labels, Recoding, Computation, Split files, Frequency Analysis, Descriptive Statistics

03.00 – 03.45 pm	Tea Break
03.45 – 05.00 pm	Testing Data Normality Assumption, Graphical Representation, Cross Tabulation & Chi-Square Test, Kappa Test, Mc'Nemars Test, Somers D Test, Binomial Test
Day - 2	
09.00 – 10.00 am	Parametric Methods: t-tests, One sample t-test, Two sample Independent t-test, Paired t-test, Analysis of Variance
10.00 – 11.00 am	Two Way Analysis of Variance, Three Way ANOVA, Repeated Measures of ANOVA, ANCOVA, MANOVA
11.00 – 11.15 am	Tea Break
11.15 – 01.00 pm	Correlation Analysis (Pearson, Spearman, Partial Correlation, Kendall's tau b Correlation, Linear regression, Probit Analysis, Reliability Analysis (Cronbach's Alpha $\alpha$ ))
01.00 – 02.00 pm	Lunch
02.00 – 03.30 pm	Non Parametric Methods: Mann-Whitney U Test, Wilcoxon Signed Rank Test, Kruskal-Wallis Test, Median Test, Friedman Analysis, Cochran's Q Test,
03.30–03.45 pm	Tea Break
03.45–04.30 pm	Multiple Regression Analysis, Cluster Analysis, and Factor Analysis
04.30 pm	Certificate Awarding

All the sessions were live and interactive and the participants benefitted at the most. They had their doubts clarified and had hands-on training in Excel and SPSS.

## ALUMNI MEETING REPORT - 2020

### PRELUDE

Sri Ramakrishna Mission Vidyalaya College of Education organized Alumni meeting on 02.02.2020 Sunday. Alumni members were attended the meeting from various districts of Tamil Nadu.

### OBJECTIVES OF THE ALUMNI MEETING

The specific objectives of Alumni meeting are

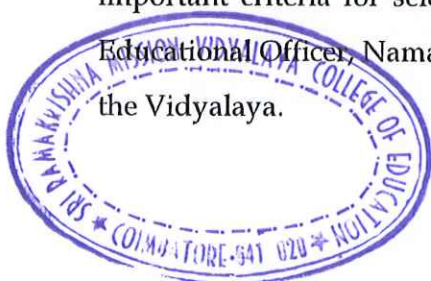

1. To create dynamic link between the institute and Alumni.
2. To forge a bond among the Alumni members.
3. Getting support from Alumni in providing better wholesome education to student teachers.
4. To enrich college of education with their professional experience with regard to development of curriculum etc.,
5. To bring awareness about current developments in teacher education among Alumni members.
6. To understand the issues and challenges faced by various stakeholders successfully working in the field of education.

### PARTICIPATION

A total of Twenty three alumni members from different parts of Tamil Nadu were attended in the annual Alumni meeting and shared their professional experience and recalled past, evergreen, sweet memories of their student life in the College of Education.

### SELECTING THE BEST ALUMNI

Alumni association committee use to invite the nominations from the alumni members for selecting the best alumni of the academic year 2020. While scrutinising the nomination, the alumni members contributions to the society are considered as important criteria for selection. In the year 2020 Dr. M. A. Uthayakumar District Educational Officer, Namakkal has elected as outstanding alumni and well-wisher of the Vidyalaya.

**REPORT OF ANNUAL ATHLETIC TRACK AND FIELD MEET**  
**FOR THE YEAR 2019 - 2020**

Sri Ramakrishna Mission Vidyalaya College of Education organized an annual sports meet on 07.01.2020. All the students (Day Scholars & Hostellers) assembled at Maruthi College on 07.01.2020 at 9.00am. The following athletic events were conducted. i.e., Track Events (100 m Dash, 200 m Dash, 400 m run and 800 m run), throwing events (Shot-put & Javelin throw) and Jumping Event (Long Jump). It is also positive to note that a total of 44 students participated in the athletic events:

The event was well-organized, with a range of athletic track and field events for both B.Ed I Year & B.Ed II Year students. All the students were divided into two equal groups based on the sports performance namely Ramakrishna House and Vivekananda House. It is also impressive that the Master of Physical Education students of Sri Ramakrishna Mission Vidyalaya Maruthi College of Physical Education acted as officials to ensure the smooth running of the event.

The sports meet provided a platform for students to showcase their talents and skills, promoting physical fitness and healthy competition among the student community. It is great to see that the spirit of sportsmanship and teamwork was evident throughout the event, with students cheering for their respective teams and participants.

Overall, the annual sports meet seems to have been a success, and it is great to see educational institutions organizing such events to promote physical fitness and healthy competition among students. Sri Ramakrishna Mission Vidyalaya College of Education continues to organize such events every year, providing opportunities for students to engage in healthy competition and showcase their athletic abilities.

## Results of the Athletic Meet

### **100 m Dash**

- I Place – M. Elangovan (B.Ed II Year)

**REPORT of**  
**A Three Day Scout Master Beginners Camp**

Scouting encourages young people to recognize the needs of others and take action accordingly. The scout besides a community work also encourages the physical, intellectual, social, emotional and spiritual development of young people so that they become a responsible citizen and the noble human. "Service to people is the service to God".

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) conducted a Three Day Scout Master Beginners Camp from 02.12.2019 to 04.12.2019 at the College of Education campus. At camp, Scouts gain a positive sense of self-worth and usefulness by applying their creativity and skills - helping teach others, working together, cleaning their campsite, and doing other social services throughout the camp. Kongu Mandala District Scouts and Guides Association office barriers Sri. R. Lakshmanan, Scout Master conducted the Scout camp. In total 42 students participated in this camp. All the students actively participated in the camp. Kongu Mandala District Scouts and Guides Association gave the camp certificate to all participants.

**Children Art Competition Report - 2019 -20**

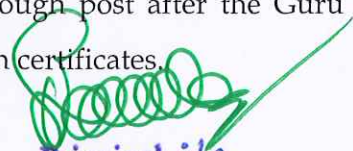

The Guru Puja Children Art Competitions for school students were organized by Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) on 21.11.2019 and 22.11.2019 at GKD Auditorium. The competition was conducted into two categories, namely Ramakrishna Mission Vidyalaya schools and schools from outside the Vidyalaya. The students were divided into five different categories based on their class and were given separate topics to work on. The competitions for classes I to VIII were held on the first day (21.11.2019), while the competitions for classes 9 to 12 were held on the second day (22.11.2019).

A total of 449 contestants from 26 institutions actively participated in the competition. The registration was started at 9.15 am, and drawing sheets were distributed to all the registered participants. The competition started with a prayer song at 10.00 am.

Dr. S. Sivasankar, the Coordinator of the competitions, welcomed the gathering and explained the rules and regulations. Dr. G. Subramonian, the Principal of Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous), gave the felicitation address. The competition lasted for 3 hours from 10.00 am to 01.00 pm.

All the participants, judges and teachers were provided with lunch at Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) hostel. The expert committee selected the best three paintings in each category, and the prize winners were announced after the lunch break at 2.00 pm. The first prize winners are honored in the Guru Puja celebration, and the remaining prize winners received their prizes by hand or through post after the Guru Puja celebration. All the participants were provided with participation certificates.
