Green Campus Initiatives

Sri Ramakrishna Mission Vidyalaya College of Education is professed as an Eco-friendly Green campus. Therefore, the College of Education decodes to make all the needed actions to involve the prospective teachers and faculty members in "Green Campus initiatives".

The subsequent initiatives are suggested:

- The College wants the faculty members and students to use bicycle to control pollution and to ensure healthy lifestyle.
- Using of plastics and thermocol for preparing teaching aids is completely prohibited in the campus.
- All are asked to segregate the waste as bio-degradable and non-biodegradable in all eco-friendly manner, and to make use of the respective dustbins, which are available in the campus.
- The college encourages the functioning of "paperless office". So, the communication among the teachers, students are offices should be maintained through emails and messaging apps like WhatsApp and Signal.
- The prospective teachers and the college gardeners are requested to promote the campus as green as possible by planting trees and plants.

Plastic Free Campus

Sri Ramakrishna Mission Vidyalaya College of Education has decided to diminish the use of single use plastic in the campus and make the campus entirely 'Plastic free Campus'. The institution suggests the following steps to ban the usage of single use plastics in the college premises:

- Use of single use plastics is strictly banned in the college canteen, campus and hostel.
- All are advised to avoid use of plastics and replace them with suitable eco-friendly alternatives.
- Ensure the presence of suitable eco-friendly alternatives like paper bags, cloth bags, and other goods on campus.
- Staff members are requested to conduct awareness programmes on plastic usage and to monitor the use of plastics among the students in the campus.
- All are advised to reduce/avoid the usage of single-use plastic banners and decorations at the college events.
